# **Welcome to Tucson Unified**

There is no goal more important than creating and maintaining safe, supportive, and nurturing learning environments for every kid in every school.

The most important factor that deterimines whether or not we achieve this goal, is you, the student. When you make a commitment to safety, personal responsibility, and kindness, you are also making a commitment to personal excellence.

i

Please read this document with your parents or guardians. It is important for you to understand our standards and expectations for behavior at school. By following the Code of Conduct, you can help our school district become a safer and more supportive environment for all students and staff.

Amazing schools are places where learning happens, where kids succeed academically and emotionally, and where learning environments are safe, supportive, and inclusive of all students. Please do your part to make sure that every school in our district is an amazing one!

DRAFT 7, 2018-19 STUDENT CODE OF CONDUCT [June 15, 2018]

### [*RIGHT*] Basic Information

### What Is The Code?

A guide that outlines the behavior expectations, rights, and responsibilities of students and staff (previously called the "Guidelines for Student Rights and Responsibilities" or "GSRR")

### What Principles Guide The Administration of Discipline at TUSD?

- Partnering with students/parents/guardians to create safe, supportive, and inclusive learning environments.
- Striving to keep students in <u>learning environments.</u>
- Ensuring that consequences are non-discriminatory, fair, and age-appropriate.
- Applying the rules consistently so students receive similar consequences for similar violations.
- None of these principles prevent school personnel from protecting campus safety as appropriate.

### How Is Discipline Administered For Students With Disabilities?

All district personnel administering discipline must take into account a student's disability under either Section 504 or the Individuals with Disabilities Education Act (IDEA) or if the student is suspected of having – or is being considered for an evaluation for – a disability. TUSD must follow specific procedures for students considered disabled under federal law, including determining whether misbehavior is a manifestation of the student's disability.

### When And Where Does The Code Apply?

- Regular school hours (including when students are going to and from school, "portal to portal")
- While students are being transported on a school bus or vehicle used for school purposes
- At all times and places where a school official or employee has <u>authority</u> over students
- · School-sponsored / school-related events and activities (including field trips, athletic events)
- On- or off-campus actions resulting in a <u>harmful</u> effect on students or the educational process
- On TUSD property, at any time (see Policy JICH)

# Who Monitors Discipline in TUSD?

TUSD's Discipline Review Team is made up of the Discipline Director and the Compliance Liaison. The Team monitors discipline on a bi-weekly, weekly, monthly, and quarterly basis. <u>The Team reviews and</u> approves requests for elevated consequences, jointly reviews suspensions with principals/assistant principals administrators, ensures compliance with the Code and other policy, and monitors for disproportionate discipline by race or ethnicity.

### How Can I Get More Information Or Make An Oral or Written Complaint?

Governing Board Policies and Regulations related to discipline are available for review in the principal's office at every school and online at <u>www.tusdl.org</u> (follow the link to "Student Rights"). Students or parents/<u>guardians</u> may <u>make</u> a complaint <u>related to discrimination</u>, <u>harassment</u>, <u>hazing</u>, <u>dating abuse</u>, <u>bullying</u>, <u>or unfair disciplinary actions</u> with the site principal, assistant principal, the Discipline Review Team (the Discipline Director or the Compliance Liaison) at 225-4316, or online at <u>www.tusdl.org/deseg</u>.

DRAFT 7, 2018-19 STUDENT CODE OF CONDUCT [June 15, 2018]

Commented [TUSD3]: M. Hicks recommendation to highlight transportation rules

Commented [TUSD4]: M. Stegeman recommendation to explain "what acts are prohibited off-campus, and what consequences result" has been considered by the committee and determined to be overly burdensome and unnecessary. It is within a principal's discretion to determine whether the actions result in a harmful effect on the ducational process (and will include Discipline Review Team review where an action may result in a suspension)

**Commented [TUSD5]: Stakeholder recommendation** to use either "administrator" or "principals/APs" throughout the document for consistency

**Commented [TUSD6]:** M. Stegeman recommendation to clarify why the Team monitors for discipline and the criteria for monitoring.

**Commented [TUSD7]: R. Sedgwick** recommendation to make it clear that this section refers to complaints about these disciplinerelated topics, not to all compaints.

Commented [TUSD8]: Special Master/ IC Member K.Langford recommendation

[LEFT] Restorative Practices

Restorative <u>practices are</u> strategies are <u>practices</u> for resolving problems and building relationships by addressing the social and emotional issues created by conflict and restoring students to supportive learning environments after making amends for poor choices.

### How Does TUSD Implement Restorative Practices?

- Small impromptu circles or large group circles: a few people meet to briefly address and resolve a
  problem; facilitated by district staff including teachers, counselors, and/or principals/assistant
  principalsadministrators. A larger group can meet in a large circle or a classroom circle to discuss
  issues, answer questions, solve problems, or offer feedback; facilitated by district staff including, but
  not limited to: teachers, principals/assistant principalsadministrators, counselors and/or Restorative
  and Positive Practice Facilitators (RPPFs).
- Formal restorative conferences: address serious problems of behavior. These conferences may
  involve students who commit disciplinary infractions, victims, parents/guardians, and principals /
  assistant principals. Only those trained in formal conferences can facilitate a formal conference.
- *De-escalation:* students may take a short time (no more than 30 minutes or the remainder of one class period) to de-escalate if they feel angry, overwhelmed, or in need of a time-out. Students will complete a reflection form to help staff de-escalate the situation and assist in helping to restore the student back into the classroom or classroom setting.

### Positive Behavioral Interventions and Supports (PBIS)

PBIS is a proactive framework designed to prevent problem behavior while teaching socially appropriate behaviors. The focus of PBIS at TUSD is creating and sustaining safe and inclusive environments for all students to support appropriate behavior and redirect disruptive behavior.

### How Does TUSD Implement PBIS?

TUSD strives to create safe, positive environments by: defining and teaching behavioral expectations; monitoring and acknowledging appropriate behavior; providing corrective, appropriate consequences; providing appropriate behavioral supports (including actions like mentoring, social skills groups, and daily monitoring); using a team-based approach; and using referral data for problem solving.

### Who Is Responsible For Implementing Restorative Practices and PBIS?

Everyone. At every site. Under the direction of the campus principal and/or the Restorative and Positive Practices Facilitator (RPPF), staff members at every site must understand school rules; reinforce appropriate student behavior; and use constructive classroom management, positive behavioral interventions and supports, and/or restorative practices strategies, where appropriate, to promote safe, inclusive, and supportive learning environments for all students.

DRAFT 7, 2018-19 STUDENT CODE OF CONDUCT [June 15, 2018]

Commented [TUSD9]: Stakeholder recommendation to use either "administrator" or "principals/APs" throughout the document for consistency

### [RIGHT] **Exclusionary Consequences**

What Are Exclusionary Consequences?

Exclusionary Disciplinary consequences that remove involve removal of a student from classroom instruction for longer than thirty minutes, or longer than one class period. These include positive alternatives to out-ofschool suspension (see page 5, below) settings or programs, in-school suspension, out-of-school suspensions, and expulsions.

### What Is TUSD's Position On The Use Of Exclusionary Consequences?

TUSD is committed to ensuring that consequences that remove students -kids from the classroom, where learning happens, are always used as a last resort and are only applied after classroom level interventions have been attempted and failed or the seriousness of the incident warrants an exclusionary consequence.

eliminate specific reference to staff or public safety. The parties have agreed to a broad interpretation of the USP's safety exception as evidenced in similar language in prior years' GSRR versions that were reviewed and commented on by the Special Master and Plaintiffs with no party objecting to the use of the terms "student, staff, or visitor safety

The committee recommends the term "campus safety" to convey any or all persons on a campus

### [LEFT] Positive Intervention Centers (PICs); Classroom Disruption

The District designed PICs so that a teacher can provide a student a short time (no more than 30 minutes or <u>no more than</u> the remainder of one class period) and a positive and supportive environment to de-escalate if they are feeling angry, overwhelmed or in need of a time-out. The teacher in the PIC will have the student fill out a reflection form to help identify the root cause of the feelings, de-escalate the situation, and assist in helping to restore the student back into the classroom or classroom setting. PICs are available at <u>most</u> middle schools, high schools, and large K-8 schools.

Teachers can send students to the PIC as needed through various protocols:

- Teachers may send no more than three students out in a period.
- Teachers may not send students in the first 15 minutes of class or at the end of class.
- Teachers may not send students until after they have attempted interventions.
- Teachers may not send the same student more than three times before sending them to a principal/assistant principal an administrator for review.
- Staff will document student names and the classes they come from, and will review the information regularly to
  ensure appropriate use of the PIC, monitor disparities, and determine if students need additional interventions.

Based on Arizona Revised Statute 15-841: A teacher may send a disruptive student out of the classroom for 30 minutes \_ or the duration of the period provided such action is consistent with this Student Code and only where one of the following condition exists:

1. The teacher documented that the pupil student has repeatedly interfered with the teacher's ability to communicate effectively with the other students in the classroom or with the ability of the other students to learn; OR

2. The teacher has determined that the student's behavior is so unruly, disruptive or abusive that it seriously interferes with the teacher's ability to communicate effectively with other students in the classroom or with the ability of the other students to learn.

Policy Regulation JK-R1: Principals may immediately remove a student whose presence poses a continuing clear and present danger to persons or property or an ongoing threat of disrupting the academic process.

### Positive Alternatives to Out-Of-School Suspension

Principals are encouraged to utilize positive alternatives to suspension wherever practicable.

### Abeyance Contracts (Regulation JK-R4)

An Abeyance Contract is a behavior contract that may be offered to a student who is facing a suspension. The Abeyance will shorten or eliminate the <u>number of days a student is out of school suspension</u>. The <u>principal/assistant</u> <u>principal/assistant</u>, principal/assistant, and student must agree to and sign the Abeyance Contract, with the understanding that if the student violates the contract with a suspendable violation, the remaining suspension days must be served.

#### ABEYANCE CONTRACTS <u>MUST</u> BE OFFERED BY <u>PRINCIPALS/ASSISTANT PRINCIPALS</u> ADMINISTRATORS WHEN A STUDENT HAS VIOLATED THE FOLLOWING INFRACTIONS: <u>MUTUAL COMBAT (FIGHTING)</u>; POSSESSION OR USE OF DRUGS OR ALCOHOL.

### In-School Intervention (ISI)

ISI is an alternative to short-term suspension where students will continue receiving classroom instruction from content-certified teachers in a classroom on campus (ISI is available at all middle schools, all high schools, and large K-8 schools).

### In-School Suspension (ISS) (Reassignment to a Different Class or Area)

ISS is an alternative to short-term suspension and is only used in schools that do not have ISI. Students in ISS may be supervised by a highly qualified teacher or other staff member, and will continue to receive their core curriculum in a supervised setting.

### District Alternative Education Program (DAEP)

DAEP is an alternative to long-term suspension. It is a voluntary program that provides  $6^{th} - 12^{th}$  grade students with the opportunity to continue their education and reflect on the underlying behaviors and circumstances that led to the inappropriate behavior. DAEP assists students in learning appropriate behaviors and making better choices so they can be a successful student when they are restored to their home school.

### [RIGHT] Basic Due Process (Suspension or Expulsion)

Any student facing a suspension or expulsion will be provided basic due process as a legal safeguard to protect the constitutional rights of the student and his or her parents/guardians.

### **Short-Term Suspension Decision and Appeal Process**

District policy provides the following protections for students facing a short-term suspension (including a short-term pending long-term suspension or expulsion).

Notice of suspension to parent on <u>the</u> <u>first day</u>; meet with parent/guardian if possible <u>the</u> <u>first or second</u> day

- The principal or designee calls the parent/guardian, gives the notice of suspension to the student, and sends a copy to the parent on the **1st day** of suspension
- Parents/guardians may meet with the principal within the 1st or 2nd day of the suspension. The principal may offer an abeyance contract or parent/guardian may appeal the decision to the Assistant Superintendent within 3 school days
- If appealed, the Assistant Sup't or designee must review the decision within 3 school days, affirm or reduce the discipline, and notify the parent/guardian/principal as soon as possible

DRAFT 7, 2018-19 STUDENT CODE OF CONDUCT [June 15, 2018]

Commented [TUSD22]: Plaintiff and M. Stegeman recommendation to remove the terms "basic" and "formal" due process in favor of just describing what happens at various stages

# [*RIGHT*]

### Formal-Due Process (Long-Term Suspension or Expulsion)

Principals/assistant principalsAdministrators must impose a "short-term pending long-term suspension" if they are considering long-term suspension or expulsion, and must first comply with the basic due process described on page 5 (the short-term pending long-term suspension period will count towards the long-term suspension). Once a principal decides to impose a long term suspension or expulsion, the District shall provide more formal due process as a legal safeguard to protect the constitutional rights of students and parents/guardians.

- Student Rights including the right to representation by a parent/guardian and/or legal counsel (parents can be present at all proceedings)
- Reasonable access to nonprivileged evidence and the student's records at least two days prior to the hearing
- To be free from having to present evidence against themselves
- To present favorable evidence and witnesses; and to question
- adverse evidence and witnesses at the hearing
  To have the testimony presented and saved preserved
- To have an interpreter present, if one is necessary
- To have an interpreter present, if one is necessary
- To waive any or all rights once they are made known

### **Long-Term Suspension Decision and Appeal Process**

District policy provides protections for students facing a long-term suspension or expulsion. If a principal recommends expulsion, the District must follow procedures outlined in Regulation JK-R3.

- Notice of suspension and hearing to parent/guardian by the <u>third</u> <u>school day</u> of the short-term suspension
- At the beginning of the process for a long term suspension, the principal/assistant principal must send the notice of suspension and hearing to the parent/guardian by the third school day of the short-term pending long-term suspension
- On or before the day the notice is sent, the principal/assistant principal must make a reasonable attempt to communicate verbally to the parent/guardian and student about the content of the notice
- Hearing and appeal procedures and timelines
- Formal Hearing by the **10th school day** of the short-term pending long term suspension
- Principal or designee must send the decision within 3 school days
- Parent/guardian may appeal within 3 school days of receipt; Assistant Sup't or designee must review within 5 school days and notify the parent/guardian/principal as soon as possible
- The parent/guardian may further appeal to the Governing Board within **5 school days** from receiving notice
- Board must decide within 10 days after reviewing the record

Commented [TUSD44]: REVISED

**Commented [TUSD45]:** M. Stegeman, R. Sedgwick, and Fisher Plaintiffs support the first part of the sentence; M. Hicks does not support it;

Mendoza Plaintiffs have concerns over it (but don't object); K. Foster comments that this is not just about the swearing, but it is more about circumstances that display disrespect.

Staff added the second part of the sentenct to address the Mendoza's, Ms. Foster's, and M. Hick's concerns by limiting the "elevation" to instances of swearing AND disrespect (a principal/assistant principal should not elevate just because a curse word was used, but only where it is used in a context of disrespect or defiance). Mendoza Plaintiffs support this revision.

**Commented [TUSD46]:** Clarified to remove "swearing at a staff member" as that situation is addressed in the revision to Inappropriate Language

**Commented [TUSD47]:** Stakeholder recommendation to include "thing of value"

### DUE PROCESS FOR STUDENTS WITH AN IEP OR 504 PLAN

Information about IDEA, IEPs, and 504 Plans is at www.tusdl.org/Departments/Exceptional-Education

Students with disabilities under Section 504 or IDEA (and students suspected of having a disability) may be disciplined in the same manner as any other student and may be suspended for up to 10 cumulative days of school per school year. If a suspension beyond 10 cumulative days is contemplated, special procedures must be followed. A manifestation determination conference must be held by the 10th prior to the 11th day of suspension, but should happen as soon as possible based on parent/guardian/staff availability.

If the manifestation determination concludes that the student's behavior is a manifestation of the student's disability, then no further disciplinary action can be taken. The 504 or IEP team should convene to develop an appropriate behavior plan for the student. If the manifestation determination conference concludes that the student's behavior is not a manifestation of the student's disability, the District a hearing officer may impose whatever long-term suspension or expulsion policy allows. The District has no obligation to continue to provide educational services to a 504 student pursuant to the 504 accomodation plan during the period of a long-term suspension or expulsion. However, the District must continue to provide educational services for students eligible under IDEA. A student with a disability under IDEA may be referred to an Interim Alternative Educational Setting in circumstances involving the use or possession of drugs, weapons, or serious bodily injury.

Directory Information

### DIRECTORY INFORMATION

FERPA requires that TUSD, with certain exceptions, obtain a parent's/guardian's written consent prior to the disclosure of personally identifiable information from your child's education records. However, TUSD may disclose appropriately designated "directory information" without written consent, unless you have advised TUSD to the contrary in accordance with TUSD procedures (see Administrative Regulation 5130). The primary purpose of directory information is to allow TUSD to include this type of information from your child's education records in certain school publications, such as:

•The annual yearbook;

- •Honor roll or other recognition lists;
- •Graduation programs; and
- •Sports activity sheets showing weight/height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the *Elementary and Secondary Education Act of 1965* (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want TUSD to disclose directory information from your child's education records without your prior written consent, you must notify TUSD on TUSD Form 274, prior to October 1st. TUSD has designated the following information as directory information:

Name, address, parent or guardian telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees (diplomas) and awards received, the most recent previous educational agency or institution attended by the student, personally identifiable photographs, videotapes, films and other visual media, personally identifiable interviews, either audio only or audio and visual, and other similar information.

Under federal law, this information is considered directory information and does not require the written consent of a parent/eligible student to release. If you object to the release of directory information you must notify the principal or designee of the school, in writing, on TUSD Form 274, prior to October 1st. If Form 274 is not received by October 1st, it will be assumed that there is no objection to releasing such information. This procedure shall be done annually. Pursuant to federal law, upon request, TUSD may disclose education records without prior parental/eligible student consent, to officials of another school district in which a student seeks or intends to enroll. For further information, contact the Principal's Office at the school where the student(s) attend in TUSD.
