

Superintendent's Student Advisory Council Report  
January 12, 2016

Good evening,

SSAC did not have a December meeting due to busy final exam schedules, so I have no new activity to report. Our next meeting is scheduled for Monday, January 25, from 11am to 1pm at Catalina High School. We will be planning a service project and preparing for Kindness Week. I encourage Board Members and anyone else interested to attend.

Thank you.

Michelle Howard
