## DESCRIPTION AND JUSTIFICATION:

RFP 13-68-17 Flight Instruction for Catalina Magnet High School Award recommendation was made by the Evaluation Committee using a weighted instrument for the specific evaluation criteria identified in the RFP. This is a multi-term award to a single vendor beginning upon award with annual renewal options through June 30, 2017. The recommended offeror was determined to have submitted a proposal most advantageous to the District and the rates offered were deemed fair and reasonable. Committee Chairperson/Catalina Aerospace Lead, Matthew Trumbell, provided the award recommendation letter.

An Executive Summary and the committee's award recommendation will be sent separately to the Governing Board for review as information within the proposals is confidential until award. The Executive Summary details the level of instruction and the certification process required from the recommended vendor.

The notice of Request for Proposals was sent to 25 vendors as well as being advertised on the District's web site during the solicitation period. Two (2) vendors responded with offers and four (4) No-Bids were received.

Committee Chairperson/Catalina Aerospace Lead Matthew Trumbell provided the award recommendation letter and will be present at the Board Meeting to answer questions. Kevin Startt, Acting Director of Purchasing will be present at the Board Meeting to answer questions about the procurement process.
