

These are proposed revisions to the posted announcements of the board’s annual action to set meeting dates and times. There are traditionally two separate announcements, one concerning regular meetings and one concerning special meetings. The following excerpts, showing tracked changes, include only the part of that announcement that would be affected.

For the announcement of regular meetings:

... will hold regular meetings open to the public on the following dates at 4:30 p.m., unless otherwise posted by the written direction of the Board President, consistent with the statutory requirement for a monthly meeting. The public portion of the meeting will normally begin at 6 p.m.

Deleted: 5:30

For the announcement of special meetings:

... will hold special meetings open to the public on the following dates at 4:30 p.m., unless otherwise posted by the written direction of the Board President. The public portion of the meeting will normally begin at 6 p.m.

Deleted: 5:30
