ITEM #:	0

Information:

Study:

Action: X

PURPOSE:

Earth Science classes will experience hands on trainings and simulations regarding geology and meteorology. Software will engage students visually to teach geology, meteorology, climate and geography.

DESCRIPTION AND JUSTIFICATION:

Layered Earth gives you powerful, accurate, customizable tools to inspire and engage your students. Hands-on activities that encourage questioning, experimentation and exploration. Flexible teaching models, pre- and post-assessment resources, and professional development. Computer exercises with interactive simulations, fully mapped to top astronomy textbooks. Built-in lesson plans correlated to state and national standards that meet your curriculum needs.

Mr. Alvarez, Interim Assistant Superintendent of Santa Cruz Region II, will be available to answer any questions the Board may have.
