PURPOSE:

Permission to extend Request for Qualifications (RFQ) 10-90-C15 - Job Order Contracting (JOC) for General Commercial Construction beyond the original Governing Board approved date.

DESCRIPTION AND JUSTIFICATION:

Request for Qualifications (RFQ) 10-90-C15 for Job Order Contracting was originally approved by the Governing Board in May of 2010. The language on the original Board Approval states that the contract is good for a time not to exceed five calendar years (see attached item). The first year was from May to December of 2010, encompassing only eight (8) months. Subsequent years were on the calendar year for a full twelve months.

This Request for Qualifications (RFQ) list has provided an excellent source for General Commercial Contractors to complete District commercial construction projects over the last four years. We would like to ask the Board for approval to extend this contract for use through April of 2015, which would encompass a full five (5) year term. Purchasing has determined that extension of this contract to a length other than stated in the original Board Approval not to exceed five years is in the best interests of the District.

Marcus Jones, Operations Program Manager - Architecture and Engineering will be present to answer questions regarding the use of this list/resulting contracts.

Kevin Startt, Director of Purchasing will be present to answer questions regarding the procurement process.
