DESCRIPTION AND JUSTIFICATION:

The 2016 Facilities Master Plan (FMP) is a second-year goal of the Tucson Unified Strategic Plan. In 2015, the FMP project team conducted interviews and surveys, in person and through the TUSD website. So far this year, the project team has held three town halls (January 6, 16 and 19) and completed the first survey. The town halls were to inform, solicit feedback and generate participation in focus group meetings scheduled for February. The results of the town halls and surveys are being compiled and will be presented to the Governing Board on January 26.

Bryant Nodine will be at the meeting to present the report and answer questions.
