---

PURPOSE:

Obtain Governing Board Approval for the remodeling of the alternate Governing Board meeting location at the Duffy Service Center. In addition to the involved construction cost of \$240,000, this authorization will include the fixture, furniture and equipment budget of \$240,000.

Marcus E. Jones, R.A., Program Manager, Architecture and Engineering, will be present to answer questions.

---

DESCRIPTION AND JUSTIFICATION:

Architecture and Engineering has worked closely with School Safety, Technology Services, Communications, and Governing Board Staff to develop the scope of the project.

In addition to providing a more accessible meeting space for board meetings, the uses are expected to meet Leadership and community meeting needs.

This project will include upgrades to the multipurpose space at Duffy Service Center in the form of audio and visual equipment to include projector and screens, seating for increased audience capacity, development of professional development space, upgrades to exterior areas to accommodate ADA compliance, provide additional electrical capacity and lighting, and address HVAC deficiencies. This authority will also provide necessary security requirements, technology service requirements and furnishings. Individual purchase orders will not exceed \$250,000.

The Project Manager is Ray Stoddard.
