Subject: Bid award IFB 17-45-C17

Mr. Oster,

I have reviewed the bid documents submitted by Transportation Services Company, the subsequent email responses confirming compliance with bus specifications and warranties, and the pricing abstract put together by our Procurement Department.

While none of the bids were 100% responsive to our bid, I find Transportation Services Company's response to be compliant in the most critical areas of the bid, and their pricing to be the lowest submitted.

After reviewing all of the information provided, I recommend awarding bid 17-45-C17 to Transportation Services Company.

Sincerely,

Ken Bolle
