

MEETING OF: February 14, 2017

TITLE: Code of Conduct for School Year 2017-2018

ITEM #: 8

Information:

Study: X

Action: X

PURPOSE:

The administration seeks direction and guidance regarding the draft Code of Conduct for the next school year. We are providing the Governing Board a list of dates, locations and times for five proposed information sessions with the TUSD community. We seek to inform the public and gather input about the draft Code of Conduct. If the draft is adopted, the District will still host the information sessions to inform the public about the major components of the adopted Code and provide clarification and answers to the community's questions. If the draft is not approved, the District will host information sessions to gather input from the TUSD community, analyze the feedback, and develop a revised draft that will be presented for adoption in March.

DESCRIPTION AND JUSTIFICATION:

We want to hear from parents, the community and students regarding the draft Code of Conduct. There will be five sessions held throughout the District on different evenings to inform the public of the contents of the code of conduct, and to gather input. We will begin these forums during the last week in February and complete the forums by the end of March 2017. We plan to provide the Governing Board with the public's input.
