Hello Claudia,
This is Thomas Cordova from the ACT Program.

Here is an update of my progress this month.

I go to Native Seed Search and do gardening and landscaping on Mondays. Tuesdays I volunteer at our studio and use the embroidery machine. Wednesdays I volunteer at 4th Avenue Merchants Association; I do office work. Thursdays I volunteer at Drachman and help in the garden and cafeteria with the composting. On Fridays, I volunteer at the Farmers Market at Banner UMC with Kind Stitches. I like the A.C.T. Program.

I WRITE EMAILS TO MY VR COUNSELOR CLAUDIA.
