

Edgenuity: Effectiveness in TUSD

6 MARCH 2018

What an Edgenuity Classroom Looks Like

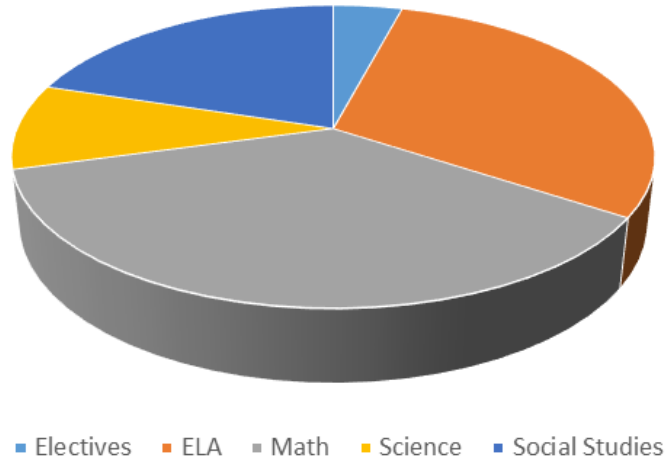

- **EVERY** classroom is staffed by a certified teacher
- Edgenuity teachers engage students in:
 - Progress monitoring
 - Checking for completed modules and notes prior to testing / re-testing
 - Supervise completion in the classroom setting
 - Provide intervention when students do not make adequate progress
 - Communicate with parents when students are not meeting goals

Next Steps

- Given the significant increase in access to on-site, during the day credit recovery options, we are committed to:
 - Continuing to revise the TUSD Edgenuity Policy Manual that was implemented in the SY2017-18 year, working to ensure it supports the teacher and student in their daily use.
 - Providing additional PD opportunities during the summer and fall to ensure Edgenuity teachers receive ongoing support and guidance.
