

AzMERIT Proficiency Elective Credit Incentive

7th and 8th Grade: High School Elective Credit

9th, 10th and 11th Grade: High School Elective Credit

Starting in 7th grade, students who earn a rating of **Proficient** or **Highly Proficient** on each year's AzMERIT Math **AND** AzMERIT ELA (Reading and Writing combined score) can earn a total of **.25** elective credit, each year. Students who are eligible, will receive a "P" (Passing) that will be posted on their high school transcript and count towards completion of the required 6.5 elective credits for graduation.

During a student's 11th grade year, students who earn a rating of **Proficient** or **Highly Proficient** will also earn an **additional** .25 elective credit for a maximum credit of **.50**.

The maximum total credit a student can earn between the 7th and 11th grade is **1.50** elective credits.
