PURPOSE:

This information item is the second in a series of three presentations designed to formally present to the Governing Board, community members, and the Tucson Unified community the Superintendent's recommended instructional priorities for the Tucson Unified School District for the 2018-2019 school year and these specific priorities' budgetary impact.

DESCRIPTION AND JUSTIFICATION:

This second presentation will focus on pursuit of lower student caseload ratios for counselors in the Tucson Unified School District. Currently, counselors are staffed at 1 for every 500 students. The presentation will highlight the roles and responsibilities of counselors in the areas of restorative practices, college and career readiness, socio-emotional support, truancy and academic intervention and outreach, and parent engagement and involvement. This informational presentation will also cite research noting the characteristics of highly effective guidance counseling programs in schools and such programs' impact on student achievement.

Dr. Trujillo and Ms. Tamara Hille will be available for questions
