

**Superintendent's Student Advisory Council Report
March 8, 2016**

Good evening,

SSAC last met in February at Manzo Elementary School. It is officially my favorite meeting we've ever had, since I and the other members got to learn all about the amazing ecology program being run by our district's younger students. We were given tours of the gardens, green house, and chicken coop by 5th graders. We also began planning for Kindness Week, taking place March 7-11 and the Diaper Drive, which high schools are still collecting for.

Our next meeting is set for March 14 at McGee Middle School from 11 a.m. to 1:00 p.m.

Thank you.

Michelle Howard

SSAC President

2015-2016 School Year
