

RESOLUTION REGARDING PROPOSITION 301 FUNDING

WHEREAS, the legislature has failed to fully fund Proposition 301 in accordance with the wishes of voters and the findings of Arizona courts, particularly by failing to increase base funding in accordance with inflation for several years, thus denying District students millions of dollars of support to which they are entitled;

THEREFORE, BE IT RESOLVED, the TUSD Governing Board asks that the Arizona State Legislature not only continue to increase base level funding in accordance with Proposition 301 but also that it fully fund public schools sufficient to recoup monies not paid from 2010 to the present.
