

TUCSON UNIFIED SCHOOL DISTRICT

MEETING March 25, 2014
OF:

TITLE: Permission to Proceed with Contracts to Relocate Existing District Portable Classrooms to the Rincon/University High School Campus

ITEM #: 9

Information:

Study:

Action: X

PURPOSE:

Permission to proceed with contracts to Job-Order-Contractors to relocate existing portable classrooms for additional classroom space at the Rincon/University High School Campus. This will support an increase in student enrollment and be in compliance with the Unitary Status Plan for the not-to-exceed budget of \$770,000.00.

Marcus E. Jones, R.A. Program Manager, Architecture and Engineering, will be present to answer questions.

DESCRIPTION AND JUSTIFICATION:

Architecture and Engineering Staff have worked with District Leadership as well as Rincon/University High School Leadership to develop the scope of the project. This project will provide four, double classroom portables (8 classrooms) and one restroom portable, as required to meet the code number of fixture units for the increased enrollment.

The overall project will include the work required to prepare the site to receive the portables, including utility location and relocation, excavation, and grading. The portables will be prepared, transported, and set per the plan that has been developed and approved by the school administrations. New service lines will support the restroom portable for both student and faculty facilities. The area around the portables will be landscaped and necessary walks and other improvements will be provided.

The project will be permitted and inspected by the Office of Manufactured Housing and the Office of the State Fire Marshall, with all construction work completed by TUSD's Job-Order-Contractors (RFQ 10-99-C15).

The Project Manager is Dannie Adams.

This item supports the Superintendent Goal related to Desegregation, Achievement, and Student Enrollment by providing additional learning space for our students.
