

MEETING OF: March 27, 2018

TITLE: Partial Release of Investigation Report: Pueblo High School - Requested by Board President Mark Stegeman

ITEM #: 9

Information:

Study:

Action: X

PURPOSE:

To release, with the guidance of TUSD's General Counsel, the portions of the 2016 investigation report that contain the findings concerning allegations of illegal actions at Pueblo High School.

DESCRIPTION AND JUSTIFICATION:

Proposed self-explanatory motion:

"In 2016 a teacher at Pueblo High School made widely publicized allegations, in writing, that the principal had violated statute and TUSD policy. The principal offered widely publicized responses, also in writing. District administration then requested an investigation by an external law firm, which was completed in December 2016. While it is not the board's general practice to release the results of such an investigation, both parties' widely publicized statements have created an open public question concerning potential violations of the law.

To resolve this public question transparently, the Board here authorizes the release of the two sections of the investigative report that contain the findings concerning potential violations of the law: improper grade-changing, improper promotion, and discrimination.

This release waives any attorney-client privilege related to the two sections, and only the two sections, that are being authorized for release."
