

TUSD Policy IBHH and GATE Scope & Sequence Review

- The GATE Scope and Sequence and TUSD policy IBHH must be updated, reviewed and approved by the TUSD Governing Board every four years and sent to ADE for compliance reporting
- The compliance report is due to ADE in May 2017
- No district policies are being changed, however the GATE Scope and Sequence must be reviewed by the TUSD Governing Board since it is referenced in TUSD policy IBHH
- The GATE Scope and Sequence format follows the reporting format provided by ADE to include all the components required for compliance reporting
- The GATE Scope and Sequence has only been updated to current practice
- The GATE department, including stake holders, will continue to review and update the GATE Scope and Sequence and present to the TUSD Governing board if changes are recommended
- Next GATE Scope and Sequence and Governing Board Policy IHBB Review Cycle: August 2020
