

April Board Meeting Report

Leamon Crooms

SSAC President

Good Evening Board Members and Attendees, My name is Leamon Crooms and I am the Superintendent Student Advisory Council President. For those of you who don't know, the Superintendent's Student Advisory Council, or SSAC, is a group composed of student leaders from around the district the meets to discuss the happenings of the district and give The superintendent the student perspective on them.

We held our sixth SSAC meeting of the year at Pueblo Magnet High School on March 13. We started off the meeting with a beautiful skit presented by the drama program at Pueblo. Then, we were welcomed by Dr. Romero, the principal of Pueblo, who presented on the wonderful achievements and awards Pueblo has received throughout the years. Next, we were led on a tour of the school. We saw their photography class, community clothing bank, auto and shop classes, garden, school tv channel, and school radio station. We then ate lunch and watched a presentation by Mr. Monger on the revised Student Code of Conduct. I then asked the council to take the code bank to their schools and come up with some questions or comments they had on it to bring to the attention of Mr. Monger.

Our next meeting, on April 17, will be our last meeting of the year. At that meeting we will finish up our last community service project for this year. We will also hold commemorations for all the amazing things our leaders on the council have achieved this year. Thank you.
