PURPOSE:

To approve the revised certified and licensed contract for Certificated Members of the Tucson Unified School District for the 2017-2018 School Year and issue contracts to employees on the attached list.

DESCRIPTION AND JUSTIFICATION:

The request to issue teacher contracts for the 2017-2018 school year is to ensure that returning teachers have a guarantee of employment for next year. Since the District has agreed to negotiate with teachers and operate under a consensus agreement, the terms and conditions of the employment are set forth in the final negotiated agreement between TEA (Teacher Education Association) and the District. However, the teacher contract does not reference those terms and conditions, so the terms and conditions are more like District policy rather than contract provisions.

The redlined version of the contract, revised contract, summary of changes to the employee contract and list of employees is attached.

Anna Maiden will be available to answer questions.
