

MEETING OF: April 9, 2013

---

TITLE: Approval and Textbook Adoption: Secondary Mathematics

---

ITEM #: 16

---

Information:

Study: X

Action: X

---

PURPOSE:

To request TUSD Governing Board approval to adopt mathematics textbooks in Algebra I, Algebra II, and Geometry.

---

DESCRIPTION AND JUSTIFICATION:

Textbooks will be used to support and enhance the delivery of Arizona State Standards in TUSD high schools with particular support to the Common Core State Standards. Approval of this request will support Superintendent's Goal of Achievement: Continue the achievement goals in reading and writing and increase student achievement in Mathematics by improving the district passing rate at all levels on AIMS by 10%. This adoption will also support additional academic goals: Continue to reduce the number of schools labeled "D" at all levels and increase "B" and "A" schools. Reduce 75% of the "D" schools with emphasis on Double "D" schools; Continue to improve the overall culture & performance of turnaround schools; and Reduce overall enrollment decline for the 2012-2013 school year by replacing outdated and textbooks in desperately poor physical texts. For complete listing of materials, please see attached Adoption Summary document.
