Action: X

PURPOSE:

The Arizona Department of Education has awarded TUSD \$276,234.00 to provide 116 hours of professional development to 40 high schools teachers at 5 school sites.

In writing the grant proposal for ADE we proposed to recruit 32 participating teachers for the project and 5 TUSD high schools were selected. Teachers were recruited from five (5) schools (Cholla, Palo Verde, Pueblo, Rincon and Tucson High). In February we were awarded the grant conditionally - one of the conditions was to increase the number of participating teachers recruited to 40. Revisions were made to both the original proposal and budget (attached as documents) to reflect this increase. And we extended our recruitment to include teachers from Catalina and Project MORE. In addition, as required by the grant solicitations were sent out to math teachers in private schools. Three teachers from San Miguel High School will also be participating in the professional development.
