PURPOSE:

To approve the Amendment to the Intergovernmental Agreement between Tucson Unified School District and Pima County for the provision and administration of dental screening and sealant services for the period of February 2, 2014 through February 1, 2015.

DESCRIPTION AND JUSTIFICATION:

This amendment extends the current agreement through February 1, 2015. The agreement is for a school-based preventative dental program to provide dental screening, referral, and sealant placement services to TUSD children in 2nd and 6th grade to enhance dental health, at no cost.

Tooth decay remains one of the most common childhood chronic diseases. When properly placed, dental sealants are almost 100% effective in preventing tooth decay on the chewing surfaces of the first and second permanent molar teeth.
