To: Diana Kerfoot, Purchasing Manager, Purchasing Department
From: Carmen J. Sierra, Program Budget Technician, Exceptional Education Department
RE: IFB 19-04-23 – Audiology Equipment Supplies

Date: April 17, 2018

It is the intention of the Tucson Unified School District to purchase Audiology Equipment and Supplies. This bid is designed to cover purchases of audiology equipment and supplies in multiple transactions of various quantities throughout the school year. The purpose of this bid is to establish vendors that will offer the best service and fair market prices for multiple purchases of audiology equipment and supplies.

TUSD Purchasing department received bids and Carmen Sierra, Program Budget Technician and Cheryl Leeper, Audiologist, both in the Exceptional Education department, approved recommendation for award. It was determined during the evaluation process that a multi-award to more than one vendor would provide the district with the minimum amount of vendors needed to provide the specified goods and competitive pricing. Based off the unique items from each of the four (4) vendors that responded, and the needs of the district, all vendors will be awarded.

Tucson Unified School District received four responses to the IFB. Recommendation to the following companies for awards:

Sonova USA Inc.
Oaktree Products
E3 MSR West
Lightspeed Technologies, Inc.

Thank you,

Carmen J. Sierra
