This action will give the Director of Planning Services authority to execute an easement agreement with Tucson Electric Power (TEP). TEP is requesting a 400-square-foot easement for potential future support to the new solar facilities at Sahuaro High School, 545 North Camino Seco.

---

DESCRIPTION AND JUSTIFICATION:

In order to provide interconnection service to the Saguaro High School Solar project, Tucson Electric Power Company (TEP) requires a right-of-way easement within a portion of the school property.
