PURPOSE:

The purpose of the presentation is to provide the TUSD Governing Board with an overview TUSD has made in establishing and updating TUSD Edgenuity Policy Manual that is used by any site that utilizes Edgenuity for credit recovery or credit advancement purposes.

DESCRIPTION AND JUSTIFICATION:

Edgenuity, as it currently is being used, provides decisive intervention and credit recovery options in TUSD's high schools and is used to supplement instruction, in blended learning environments, and/or to provide students with access to courses not available at their middle school or K-8 site. This presentation will serve as a continuation of the presentation that occurred in November 2017 and March 2018 and will provide a detailed overview of the policies, procedures and expectations that have been established as part of site's use of the Edgenuity platform. Furthermore, teachers, currently using Edgenuity, will provide information to the Governing Board as to the structures in place in classrooms and other anecdotal feedback. Tammy Hille will be present to answer any questions.
