Re: Recommendation to Award Invitation for Bid 18-13-22 Generator Preventive Maintenance Services

To: Kevin L. Oster, MAS, CPPB

The submitted solicitation 18-13-22 Generator Preventive Maintenance Services. Purchasing created an abstract based on the submitted prices for the base bid from \$1,111,171. It is my recommendation to concur with the abstract and award the bid package to the lowest base bid to Cummins Sales & Service.
