

## Multi-Year Grant

Tucson Unified School District

## Request for \$490,000.00

The Language Acquisition Department of the Tucson Unified School District (TUSD) in Tucson, Arizona is submitting a 5-year plan requesting financial assistance and partnership with Qatar Foundation International to help establish a growing and sustainable, district-wide Arabic Language and Culture program for native and non-native speakers. This plan requests funding in four general areas, that is, Personnel, Materials, Educational Technology, and Cultural Activities, for the strengthening of the District's existing Arabic language and culture program and the expansion of the program to include new school sites and an Arabic for Native Speakers component for the District's immigrant and refugee population. In this 5-year plan, TUSD also proposes to realize its program goals and objectives with a community-based approach with key local stakeholders.
