	<p><b>POLICY CODE: JLIF</b></p>

**Notification to the District of registered sex offenders and dangerous juvenile offenders**

Arizona statutes require law enforcement agencies to provide notification to the District regarding certain registered sex offenders and require courts to notify the District regarding juveniles adjudicated delinquent for “dangerous offenses” or certain sex offenses.

**Schools shall be notified of presence of registered sex offenders (adult and juvenile) in area**

Arizona Revised Statutes (A.R.S.) [13-3825](#) and [13-3826](#) require the local law enforcement agency to notify the community, including area schools, of the presence of a registered sex offender in the community when the offender has been determined by the agency to be a "level two" (medium risk) or "level three" (high risk) offender.

**Schools shall be notified of dangerous juvenile offenders and juvenile sex offenders in attendance**

A.R.S. [8-350](#) directs the court to notify the District when a student attending a school in the District has been adjudicated delinquent for or convicted of and placed on probation for a dangerous offense or sexual conduct with a minor, sexual assault, molestation of a child, or continual sexual abuse of a child. Dangerous offense is defined in [8-350](#) as "an offense involving the discharge, use or threatening exhibition of a deadly weapon or dangerous instrument or the intentional or knowing infliction of serious physical injury on another person."

**Juveniles may be listed as registered sex offenders**

A.R.S. [13-3821](#) permits a juvenile court to require a juvenile who has been adjudicated delinquent for certain sex offenses to register as a sex offender until the person reaches the age of twenty-five (25), and A.R.S. [13-3825](#) permits a juvenile court to further require such juvenile registered sex offender to be subject to the State's community notification requirements.

**Superintendent directed to develop District**

It is the Governing Board's desire to create and maintain a safe environment for the District's students and staff members. Therefore, the Superintendent is directed to develop procedures

**Procedures**

to disseminate the information received from the local law enforcement agency regarding adult and juvenile registered sex offenders present in the District and to provide teachers, parents, guardians, or custodians, upon request, information received from a court pursuant to A.R.S. [8-350](#) concerning a juvenile who has been adjudicated for or convicted of a dangerous offense or a specified sex offense.

**Scope of District Procedures**

Procedures within the District shall encompass, but not necessarily be limited to:

- Measures to disseminate information received from the local law enforcement agency to staff members, parents, guardians, or custodians when the District has been notified that a registered offender has moved into the community. When in the judgment of the Superintendent it is determined to be appropriate, the measures will include disseminating the information to students.
- Measures to provide to teachers, parents, guardians, or custodians, upon request, information received by the District under A.R.S. [8-350](#), regarding juveniles adjudicated delinquent of "dangerous offenses" or sex offenses.
