TITLE: Revision of Administrative and Instructional Spending Targets - Requested by Board President Mark Stegeman

ITEM #: 54

Information:

Study: X

Action: X

PURPOSE:

To consider the possibility of treating Title I funds, or grant funds generally, separately for the purpose of administrative and instructional spending targets.

DESCRIPTION AND JUSTIFICATION:

Grants funds are frequently subject to different constraints and decision-making processes than the general funding streams.

Direction to principals concerning the allocation of schools' Title I funds, in the service of the overall spending targets, has adversely eroded site autonomy in the use of these funds.
