Subject: Policy Feedback: BBAA - Board Member Authority and Responsibilities

Name: Michael Boreale

Email: mboreale@borealelaw.com

Affiliation with District: Other

If other, ELI Executive Director

Policy: BBAA - Board Member Authority and Responsibilities

Comments: The proposed revisions with respect to review of administrator personnel files is an improvement; however ELI would like to see additional protections to ensure due process in the event of non-renewal or termination.

Suggestions: Administrators should automatically be entitled to a third-party hearing officer if the Board has reviewed their personnel file prior to a dismissal or non-renewal. Thank you.
