Comments: 1. Page 1, Paragraph 3: "In no event... except in case of..." could stand improvement. 2. Page 1, last paragraph: "Corrections... but all items are fixed 24 hours after meeting adjournment..." could stand improvement.

Suggestions: 1. Replace with: "Except in the event of an actual emergency, or a recessed and resumed meeting as described in A.R.S. 38-431.02(D) (E), may the meeting notice and agenda be posted less than 24 hours prior to a meeting." 2. Replace with: "Corrections...but all errors will be corrected within 24 hours of meeting adjournment..."
