DATE: July 1, 2018

FROM: Martha G. Taylor, Sr. Director of Desegregation
RE: FY2019 Desegregation Reporting

Please find below additional information and electronic file references supporting the desegregation reporting requirements of A.R.S. §15-910(J)(3). The letter references included below are applicable to the “FY 2019 Desegregation Verification Reporting” document included with the FY 2019 Adopted Budget submittal.

(a) A district-wide budget summary and a budget summary on a school by school basis for each school in the school district that lists the sources and uses of monies that are designated for desegregation purposes.

The District’s adopted FY2018-2019 budget forms submitted to the Arizona Department of Education (ADE) includes documentation that lists the sources and uses of monies designated for desegregation purposes of a district-wide desegregation budget summary for SY18-19 aligned to the Unitary Status Plan and OCR Agreements. (See Attachment A)

(b) A detailed list of desegregation activities on a district-wide basis and on a school by school basis for each school in the school district.

(See Attachment B)

(c) The date that the school district was determined to be out of compliance with Title VI of the civil rights act of 1964 (42 United States Code section 2000d) and the basis for that determination.

January 9, 1973 OCR submitted a letter to the District finding the District in violation of Title VI. The basis for that determination was: unequal access to curriculum, and inappropriate assignment to special education.

July 19, 2011 The Ninth Circuit Court of Appeals reversed the decision of the U.S. District Court revoking Unitary Status from the District after Plaintiffs appealed the finding of Unitary Status to the Ninth Circuit Court of Appeals. The Ninth Circuit found that the District had not yet reached unitary status.

(d) The initial date that the school district began to levy property taxes to provide funding for desegregation expenses and any dates that these property tax levies were increased.

Documentation of dates that property tax levies were increased for desegregation expenses, including dates that the property tax levies were increased. (See Attachment C)

(e) If applicable, a current and accurate description of all magnet type programs that are in operation pursuant to the court order during the current school year on a district-wide basis and on a school by school basis. This information shall contain the eligibility and attendance criteria of each magnet type program, the capacity of each magnet type program, the ethnic composition goals of each magnet type program, the actual attending ethnic composition of each magnet type program and the specific activities offered in each magnet type program.

A list of all current magnet programs within the District is provided in Attachment B (see row #2 “Unitary Status Plan: Student Assignment”). The District has developed a Comprehensive Magnet Plan and individual Magnet Site Plans pursuant to the Unitary Status Plan and Court Order 1753. The magnet site plans (and the assessments and evaluations therefrom) contain ethnic composition goals and actual attending ethnic composition, and attendance criteria of each magnet school and program. All students are eligible to apply to District magnet programs. The ethnic composition goal of each magnet program is to achieve the definition of an integrated school as described by the Unitary Status Plan. An integrated school is any school in which no racial or ethnic group varies from the district average for that grade level (Elementary School, Middle School, K-8, High School) by more than +/- 15 percentage points, and in which no single racial or ethnic group exceeds 70% of the school’s enrollment.

(f) The number of pupils who participated in desegregation activities on a district-wide basis is listed by activity.

(See Attachment B)

(g) A detailed summary of the academic achievement of pupils on a district-wide basis and on a school by school basis for each school in the school district.

The District is required to administer the AZ Merit to students. Verification of academic achievement of pupils on a district-wide basis and on a school by school basis is made from the results of the AZ Merit assessment.

(h) The number of employees, including teachers and administrative personnel, on a district-wide basis and on a school by school basis for each school in the school district that is necessary to conduct desegregation activities.

The FY 16 Desegregation Budget (including all ARS 15-910(g) funds and other funds directed towards desegregation activities) includes 975.2 FTE District-wide.

(i) The number of employees, including teachers and administrative personnel, on a district-wide basis and on a school by school basis for each school in the school district and the number of employees at school district administrative offices that are funded in whole or in part with desegregation monies received pursuant to this section.

The FY 16 Desegregation Budget (including all ARS 15-910(g) funds directed towards desegregation activities) includes 841.7 FTE District-wide.

(j) The amount of monies that is not derived through a primary or secondary property tax levy and that is budgeted and spent on desegregation activities on a district-wide basis and on a school by school basis for each school in the school district.

\$8,894,551 is allocated towards supporting desegregation activities that are not supported directly from desegregation funds or general M&O funds.

(k) Verification that the desegregation funding will supplement and not supplant funding for other academic and

extracurricular activities.

The District has verified this requirement, subject to the exceptions required or permitted by state law (see A.R.S. §15-910(G)) and applicable court orders. See attached documentation, regarding the programs and activities funded pursuant to A.R.S. §15-910(G). (See Attachment B) regarding the programs and activities funded pursuant to A.R.S. §15-910(G). Also, please reference former State Superintendent of Instruction, Mr. Tom Horne's letter regarding the use of desegregation funds for the state mandated ELD block program. (See Attachment D)

(l) Verification that the desegregation funding is educationally justifiable.

The desegregation funding has as its purpose (a) eliminating the vestiges of segregation, (b) integrating schools and promoting diversity, (c) providing all students with equal access to educational opportunities, and (d) enhancing the quality of education for all students, particularly members of the Plaintiffs' class.

(m) Any documentation that supports the proposition that the requested desegregation funding is intended to result in equal education opportunities for all pupils in the school district.

The requested desegregation funding is intended to implement program and activities that have been adopted by the District and approved by the Federal District Court or the United States Department of Education Office of Civil Rights ("OCR") to remedy alleged discrimination. For FY2016, the District will use desegregation monies in support of the Unitary Status Plan (See Attachments E and F) and the above identified OCR Compliance needs. Under the Unitary Status Plan, the District will expend its desegregation funds in a way that is intended to guarantee equal access to the curriculum and equal educational opportunities for all students in the District. The federal court approved the 'Unitary Status Plan' on February 6, 2013; a final amended plan was adopted on February 20, 2013.

(n) Verification that the desegregation funding will be used to promote systemic and organizational changes within the school district.

Desegregation funding is being centralized specifically for the purpose of promoting systemic and organizational changes in the District. In many instances, desegregation funds are used to implement programs or activities, including providing transportation to promote voluntary movement throughout the District, to enhance access to advanced learning experiences and extracurricular activities, to improve the quality of education district wide, to enhance school culture and to refine disciplinary practices to be more equitable, and to provide equal access to facilities and technology. In addition, training and other programs to teachers and administrators have been provided throughout the District.

(o) Verification that the desegregation funding will be used in accordance with the standards adopted by the State Board of Education pursuant to A.R.S. §§15-704 and 15-701.01.

The District hereby verifies that desegregation funding will be used in accordance with the standards adopted by the State Board of Education pursuant to A.R.S. §§15-704 and 15-701.01.

(p) Verification that the desegregation funding will be used to accomplish specific actions to remediate proven discrimination pursuant to title VI of the civil rights act of 1964 (42 United States Code section 2000d) as specified in the court order or administrative agreement.

The District hereby verifies that the desegregation funding will be used to accomplish specific actions to remediate alleged or proven discrimination, as specified in A.R.S. §15-910(k)" The verifications required by A.R.S. §15-910(J)(3)(p) and §15-910(k)(5) are therefore inconsistent with the budget process permitted by A.R.S.

§15-910(G). See Attachment B regarding programs and activities funded pursuant to A.R.S. §15-910(G).

(q) An evaluation by the school district of the effectiveness of the school district's desegregation measures.

The October 2016 Annual Report will evaluate the effectiveness of the District's desegregation measures in SY2015-2016.

(r) An estimate of when the school district will be in compliance with the court order or administrative agreement and a detailed account of the steps that the school district will take to achieve compliance.

The Parties commit to negotiate in good faith any disputes that may arise, and the Parties may seek judicial resolution of any dispute pursuant to the process set forth in the January 6, 2012 Order Appointing Special Master and as permitted by law. The Parties may move, separately or jointly, for a declaration of partial unitary status at any time. A motion for the determination of complete unitary status shall not be filed prior to the end of the 2016-2017 school year. The applicable provisions of the Federal Rules of Civil Procedure and the local rules of this Court will apply to any such motion.

The District has developed general plans as mandated by the Unitary Status Plan and has developed detailed implementation plans to achieve individual activities mandated by the Unitary Status Plan.

(s) Any other information that the department of education deems necessary to carry out the purposes of this paragraph.

In April 2004, the District submitted to the Arizona Department of Education a comprehensive report on desegregation activities in the District, including substantial documentation regarding the types of programs and activities implemented pursuant to the Stipulation of Settlement and each of the Annual Reports filed by the District in the United States District Court in the Fisher/Mendoza case since October 1978. The District will provide additional copies of these voluminous reports upon request.

For each school, there is no attendance criterion (outside of Governing Board Policy regarding attendance for all schools (JFB)) and enrollment criteria is based on seat availability. Students within the school boundary have preference with other seats being available via weighted lottery. For schools with no boundary (Dodge Middle Magnet School) all enrollment based upon weighted lottery. The Agreement mandates several core areas of compliance: Identify ELLs, provide appropriate alternative language program placement for all ELLs, provide adequately trained and qualified teachers to teach ELLs, monitor progress of all ELLs to assure they acquire English and perform at grade level, provide interventions where necessary, and assure ELLs are not over-represented in special education programs or under-represented in enrichment programs. All ELL students are eligible for services; they are language-tested annually to determine their level of English proficiency - these efforts will be maintained through the state mandated 4 hour ELD program.	4,600	4,502	Yes	All Schools	Activity

The GSRR categorizes various kinds of misconduct, assigns levels to each, and provides for a range of disciplinary options that may be permitted for student misconduct at each particular level. The GSRR also aligns the categories of misconduct to those required by the State of Arizona for reporting purposes.</p> <p>After the USP was adopted, the District undertook a start-to-finish reexamination of the GSRR to align it to the language and spirit of the Order. The evaluation focused primarily on the following objectives : (1) limiting exclusionary consequences to instances in which student misbehavior is ongoing and escalating, and the District has first attempted and documented the types of intervention(s) used in PBIS and/or Restorative Practices, as appropriate; (2) requiring the administration of consequences in a non-discriminatory, fair, age-appropriate, and proportionate manner; (3) requiring that consequences are paired with meaningful supportive guidance (e.g., constructive feedback and reteaching) to offer students an opportunity to learn from their behavior and continue to participate in the school community; and (4) ensuring that law enforcement (including School Resource Officers, and school safety personnel) are not involved in low-level student discipline.</p>	45,720	45,720	Yes	All Schools	Activity

RE: Guidance on SEI Model implementation for 2009-2010

Dear Superintendents and Program Administrators:

In September of 2006, the provisions of HB 2064 (Laws 2006, Chapter 4) became law. This bill affected the way English Language Learners (ELLs) were to be instructed throughout Arizona. The law required the creation of a Task Force to develop models of Structured English Immersion (SEI) to be adopted by school districts and charter schools. The SEI Models were adopted by the Task Force on September 15, 2007. School year 2008-2009 was the first year that school districts and charters were required to implement the SEI Models.

In preparation for school year 2009-1010, the Office of English Language Acquisition Services (OELAS) is herein providing guidance for the SEI Models' second year of implementation.

NO EXEMPTIONS FROM FULL COMPLIANCE WITH SEI MODELS

All schools, school districts and charter schools are expected to fully comply with all requirements of the English Language Learners Task Force and **fully implement** the provisions of the Models of Structured English Immersion (SEI) adopted by the ELL Task Force for the 2009-2010 school year.

A "good faith effort" will no longer be sufficient. Districts and charter holders must fully implement a compliant model.

The OELAS Division met with Arizona educators throughout the 2008-2009 school year. During the monitoring process, it was evident that some LEA administrators and teachers were under the mistaken impression that not qualifying for SEI funding meant that they would not have to comply with either state law or the provisions of the SEI Models. This is not true. All school districts and charters must comply with the laws and the SEI Models regardless of their allocation or non-allocation of monies from the SEI fund.

“Weighted B” funds for ELL are used as an offset and therefore are available for implementation of the models. The same is true for any offset of proportionate desegregation funding.

(Schools, school districts and charter schools are also expected to fully comply with the federal requirements of NCLB (P.L. #110-117), Title III.)

Pursuant to A.R.S. § 15-756.07 A.R.S. and § 15-756.08, the Office of English Language Acquisition Services (OELAS) will continue to monitor all school districts and charter schools for compliance with these state and federal laws.

MODEL REVISION (ILLP Expansion)

The current version of the SEI Models is attached. This version reflects a change that was offered as an alternate model provision and approved by the Task Force on April 10, 2008. The change expanded the use of the Individualized Language Learning Plan (ILLP) as an instructional delivery method for English Language Development (ELD). Many schools with low numbers of ELL students were affected by this change.

NO NEW ALTERNATE MODEL ADOPTIONS

No new alternate models provisions have been adopted by the Arizona ELL Task Force for the 2009-2010 school year.

SEI FUNDING FOR 2009-2010

OELAS has not yet been notified by the State Legislature regarding the appropriation for the SEI fund for 2009-2010. An update will be provided as soon as this information becomes available.

Please note that in 2008-2009, the state legislature funded approved SEI applications utilizing **only** the offsets of Group-B weight and ELL-proportionate de-segregation funds. No federal funds were offset from the amount approved as incremental funding for implementing the SEI Models.

Also, please note that the Office of the Auditor General and the ADE School Finance Department have made changes to financial reporting documents that require the reporting of all incremental costs to implement the SEI models. Attached, please find a summary of the reporting guidelines.

CHANGE TO THE PHLOTE FORM

Beginning on July 1, 2009, all school districts and charter schools will be required to use the revised PHLOTE form. The new form and instructions for administration will be available on the OELAS website soon.

REIMBURSEMENT FOR SEI TRAINING

Schools should be aware that the three year period for reimbursement for SEI endorsement coursework is ending. The closing date for reimbursement is May 31, 2009.

ADMINISTRATOR LIABILITY

Administrators are advised to review A.R.S. §15-754 which states:

... Any school board member or other elected official or administrator who willfully and repeatedly refuses to implement the terms of this statute [A.R.S. 15-752 and 15-753] may be held personally liable for fees and actual and compensatory damages by the child's parents or legal guardian, and cannot be subsequently indemnified for such assessed damages by any public or private third party. Any individual found so liable shall be immediately removed from office, and shall be barred from holding any position of authority anywhere within the Arizona public school system for an additional period of five years."

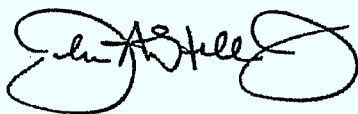

EVERYTHING YOU NEED TO KNOW TO BE COMPLIANT WITH THE SEI MODELS – A SEMINAR FOR PRINCIPALS AND SUPERINTENDENTS

John A. Stollar, Jr., Associate Superintendent for Accountability has scheduled a seminar exclusively for principals and superintendents in order to provide them with the fundamental information needed to be compliant with the SEI Models. This seminar will present concise and targeted information for administrators so that they will understand the training received by their teachers and ELL coordinators, what they will be held accountable for in school year 2009-2010 and where they go for the critical information and training needed for successful implementation.

You will also receive updated information on the SEI budget, revisions to the English Language Proficiency Standards, important information on how ELL students are counted for funding purposes and how your data reporting affects your school labels.

The seminar will be held on Thursday, June 4, 2009 at the East Valley Institute of Technology (EVIT). The address is 1601 East Main Street, Mesa, Arizona. Please reserve a seat at this seminar by contacting Pat Scott at (602) 364-1927 or pat.scott@azed.gov.

Sincerely,

John A. Stollar, Jr.

I. INTRODUCTION

A. Overview

The Fisher Plaintiffs, the Mendoza Plaintiffs, the United States (collectively, the “Plaintiffs”), and the Tucson Unified School District No. 1 (“TUSD,” or the “District”) (collectively, “the Parties”) enter into this Consent Order (“Order”) to resolve the longstanding desegregation case against the District. This Order consists of the Unitary Status Plan jointly proposed by the Parties, reached after months of negotiations.

B. Procedural History

1. In May 1974, the National Association for the Advancement of Colored People (“NAACP”) sued the Tucson Unified School District No. 1 on behalf of the African American students in the District, charging the District with segregating and otherwise discriminating against its African American students (“Fisher Plaintiffs”). In October 1974, the Mexican American Legal Defense and Educational Fund (“MALDEF”) filed a later-consolidated lawsuit containing similar allegations on behalf of Mexican American students (“Mendoza Plaintiffs”). *Mendoza v. United States*, 623 F.2d 1338, 1341 (9th Cir. 1980), *cert. denied*, 450 U.S. 912 (1981); *Fisher v. Lohr*, CIV 74-90-TUC-WCF (D. Ariz.). In 1976, the United States intervened. The case was tried by this Court in January 1977, and Findings of Fact and Conclusions of Law were entered on June 4, 1978. The Parties subsequently reached a settlement, including a comprehensive desegregation plan that was filed with this Court, on August 11, 1978. The Stipulation of Settlement was approved by the Court by Order dated August 31, 1978.
2. On January 18, 2005, the District filed a Petition for Unitary Status, which this Court granted in April 2008, terminating court oversight pending acceptance of a Post-Unitary Status Plan (“PUSP”) “fashioned by a joint committee of the parties and experts.” September 14, 2011 Order (“Sept. 2011 Order”) at 2. On December 18, 2009, this Court approved the PUSP and ended federal judicial oversight of the District. The Plaintiffs appealed, and on July 19, 2011, the United States Court of Appeals for the Ninth Circuit reversed this Court’s decision, ordering continued jurisdiction by this Court until the District has met its burden to achieve unitary status. *See generally Fisher v. TUSD*, 652 F.3d 1131 (9th Cir. 2011).
3. On September 14, 2011, this Court ordered the appointment of a Special Master to develop a Unitary Status Plan (“USP” or “Plan”) for the District. Sept. 2011 Order at 3. On January 6, 2012, the Special Master was appointed and directed to work with the Parties on a plan containing “specific substantive programs and provisions to be implemented by the TUSD to address all outstanding *Green* factors and all other ancillary

factors.” January 6, 2012 Order Appointing Special Master (“Jan. 2012 Order”) at 5. This Order constitutes that Plan.¹

C. Legal Standard

1. “The duty and responsibility of a school district once segregated by law is to take all steps necessary to eliminate the vestiges of the unconstitutional *de jure* system.” *Freeman v. Pitts*, 503 U.S. 467, 485 (1992). A school district under a desegregation order is obligated to: (1) fully and satisfactorily comply with the court’s desegregation decree(s) for a reasonable period of time; (2) eliminate the vestiges of the prior *de jure* segregation to the extent practicable; and (3) demonstrate a good-faith commitment to the whole of the court’s decrees and to the applicable provisions of the law and the Constitution. *See id.* at 491-92; *Bd. of Educ. of Oklahoma City Pub. Sch., Indep. Sch. Dist. No. 89 v. Dowell*, 498 U.S. 237, 248-50 (1991). The affirmative duty to desegregate is a continuing responsibility, and “[p]art of the affirmative duty . . . is the obligation not to take any action that would impede the process of disestablishing the dual system and its effects.” *Dayton Bd. of Educ. v. Brinkman*, 443 U.S. 526, 537-38 (1979).
2. The measure of a school district’s progress toward unitary status “is the effectiveness, not the purpose,” of its actions. *Brinkman*, 443 U.S. at 537-38; *see also Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 402 U.S. 1, 25 (1971). A district must show both past compliance with its desegregation obligations and a commitment to the future operation of its school system in a nondiscriminatory manner. *See Dowell*, 498 U.S. at 247. To that end, a district must demonstrate its “affirmative commitment to comply in good faith with the entirety of a desegregation plan.” *Freeman*, 503 U.S. at 499.

D. General Provisions

1. In addition to all specific reporting requirements identified herein, for all new or amended plans, policies, procedures, or other significant changes contemplated pursuant to this Order, the District shall solicit the input of the Special Master and the Plaintiffs and submit such items for review before they are put into practice or use. Unless otherwise stipulated by the Parties and/or agreed to by the Special Master, or otherwise specified in this Order, Plaintiffs shall review such items and each provide comments, as appropriate, to the District and the Special Master within thirty (30) days of receipt. The Special Master and the Parties shall work towards voluntary resolution of any disputes. If any disagreements cannot be resolved within thirty (30) days from the date Plaintiffs provide their comments to the District, the Special Master shall report such disagreements to the Court together with his recommendation concerning

¹ Because this document is intended by the Parties as a consent order, it shall be referred to interchangeably as a Plan and an Order.

how the disagreement(s) should be resolved. The Special Master's report shall include as attachments all submissions made to him by the Parties with respect to the item(s) in issue. The Court may order additional briefing as it deems appropriate.

2. The District shall ensure that, in every data collection and analysis contemplated herein, student data shall be reported and disaggregated at minimum by race, ethnicity and where indicated, English language status. Unless otherwise specified, student enrollment data shall be reported as of the fortieth (40th) day of each school year and shall be reported to the Plaintiffs and the Special Master each school year by November 1 of that year.
3. Definitions are set forth in Appendix A.
4. All appendices to this Order are integral parts hereof and carry the same force as if they were included in the text.
5. The District's Annual Report shall be due on October 1 of each year for the pendency of this Order.
6. The Parties and the Special Master shall review all of the reporting requirements set forth in this Order, and to the extent appropriate, revise these requirements to facilitate the monitoring of the District's compliance with this Order and reporting to the Plaintiffs and the Special Master.
7. The Parties and the Special Master shall review all of the hiring, assignment and professional development deadlines and, to the extent appropriate, revise these deadlines to ensure the recruitment, hiring, and assignment of a strong pool of candidates, and the involvement of the newly hired and/or assigned employees in the creation of professional development plans. If the Parties and the Special Master cannot agree on revised time lines, the dispute shall be presented to the Court as set forth in Section I(D)(1).
8. The District, by and through the Superintendent or through other delegations of authority as appropriate, may establish the organizational relationships and lines of responsibility for the various offices and positions provided for in this Order, but the District may not eliminate any such offices or positions without seeking amendment to the Order through the Court.
9. The parties acknowledge that any data or information that includes personally identifiable student or personnel data will be provided by the District in accordance with application federal and state law, including the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g.

II. STUDENT ASSIGNMENT

A. Overview

1. Students of all racial and ethnic backgrounds shall have the opportunity to attend an integrated school. The District shall use four strategies for assigning students to schools, to be developed by the District in consultation with the Plaintiffs and the Special Master: attendance boundaries; pairing and clustering of schools; magnet schools and programs; and open enrollment. The District shall develop and implement a coordinated process of student assignment incorporating all of these strategies, as appropriate.
2. The District shall continue to assign students to schools based on the attendance area in which the parents of the student reside. Parents may apply to a District school other than their child's attendance area school by completing a magnet or open enrollment application. Subject to possible school consolidations or closures or to any other changes contemplated herein, students may continue at the school in which they are currently enrolled from the effective date of this Order through the completion of the highest grade offered at that school.

B. Definitions

1. Racially Concentrated School. A racially concentrated school is any school in which any racial or ethnic group exceeds 70% of the school's total enrollment, and any other school specifically defined as such by the Special Master in consultation with the Parties.
2. Integrated School. An integrated school is any school in which no racial or ethnic group varies from the district average for that grade level (Elementary School, Middle School, K-8, High School) by more than +/- 15 percentage points, and in which no single racial or ethnic group exceeds 70% of the school's enrollment.
3. Attached as Appendix C is a list of District schools with the enrollment of each school for the 2012-2013 school year, disaggregated by race and ethnicity, to provide information concerning which schools met the above definitions in the 2012-2013 school year.

C. Student Assignment Personnel

1. Director of Student Assignment. By January 15, 2013, the District shall hire or designate a director-level employee who shall supervise the implementation of all student assignment strategies set forth in this Order. This employee shall coordinate all student assignment activities, working with the desegregation department and all other relevant departments and

schools, including but not limited to those involved with magnet schools and programs, open enrollment, transportation and facilities.

2. Magnet Strategy and Operations. The District shall hire or designate a director-level employee who shall be responsible for developing and implementing a comprehensive magnet school and program strategy for the District to enhance the integrative and educational quality of magnet schools and programs, and who shall periodically, at minimum on an annual basis, assess these schools and programs. The employee shall consult with magnet school experts, to be identified by the Parties and the Special Master by February 1, 2013, in the development and refinement of the magnet school strategy and Plan for the District (*see* Section (II)(E)(3)).

The District shall also hire or designate an individual or individuals to assist in the effective implementation and operation of the magnet schools and programs, including working with school-based personnel and developing and administering an admissions process to ensure integration of magnet schools and programs.

D. Attendance Boundaries, Feeder Patterns, and Pairing and Clustering

1. All schools in the District shall have an attendance boundary unless the District has specifically designated a school to have no attendance boundary.
2. The District shall review and/or redraw its attendance boundaries when it opens a new school; closes, repurposes or consolidates a school; alters the capacity of a school; or designates a school without an attendance boundary. The Parties anticipate that such changes may result in the redrawing of some attendance boundaries. When the District draws attendance boundaries, it shall consider the following criteria: (i) current and projected enrollment; (ii) capacity; (iii) compactness of the attendance area; (iv) physical barriers; (v) demographics (*i.e.*, race, ethnicity, growth projections, socioeconomic status); and (vi) effects on school integration. In applying these criteria, the District shall propose and evaluate various scenarios with, at minimum, the Plaintiffs and the Special Master in an effort to increase the integration of its schools.
3. By April 1, 2013, the District shall review its current attendance boundaries and feeder patterns and, as appropriate, amend such boundaries and patterns and/or provide for the pairing and/or clustering of schools to promote integration of the affected schools.
4. If a non-magnet school is oversubscribed for two or more consecutive years, the District shall review the attendance boundary for that school to determine if any changes should be made to ensure, among other things,

an appropriate balance between students who reside within the attendance boundary and students who applied through open enrollment to attend the school, and allow for pairing or clustering with nearby schools to better accommodate the demand for the oversubscribed school.

5. All attendance boundary and other changes to student assignment patterns shall be subject to the notice and request for approval process set forth in Section (X)(C).

E. Magnet Programs

1. The District shall continue to implement magnet schools and programs as a strategy for assigning students to schools and to provide students with the opportunity to attend an integrated school. A magnet school or program is one that: focuses on a magnet theme, such as a specific academic area, a particular career or a specialized learning environment; attracts students of diverse racial and ethnic backgrounds; and encourages students to choose a school other than their attendance boundary school to participate in the magnet theme offered at that program or school. Subject to its decisions, if any, to withdraw or relocate magnet school status or programs, the District shall allow all students currently enrolled in a magnet school or program to remain in that program until they complete the highest grade offered by that school.
2. The student assignment goal for all magnet schools and programs shall be to achieve the definition of an integrated school set forth above (*see* Section (II)(B)(2)). The District, through its Family Center(s) and other recruitment strategies set forth in this Order, shall recruit a racially and ethnically diverse student body to its magnet schools and programs to ensure that the schools are integrated to the greatest extent practicable.
3. Magnet School Plan. By April 1, 2013, the District shall develop and provide to the Plaintiffs and the Special Master a Magnet School Plan, taking into account the findings of the 2011 Magnet School Study and ensuring that this Plan aligns with its other student assignment strategies and recruitment efforts. In creating the Plan, the District shall, at a minimum: (i) consider how, whether, and where to add new sites to replicate successful programs and/or add new magnet themes and additional dual language programs,² focusing on which geographic area(s) of the District are best suited for new programs to assist the District in meeting its desegregation obligations; (ii) improve existing magnet schools and programs that are not promoting integration and/or educational quality; (iii) consider changes to magnet schools or programs

² At present, the following campuses have Dual Language programs: Davis Bilingual Magnet School, Grijalva Elementary School, Hollinger Elementary School, Manzo Elementary School, McCorkle Pre-K-8, Mission View Elementary School, Pistor Middle School, Pueblo Magnet High School, Roskruge K-8 Magnet School, Wakefield Middle School, and White Elementary School.

that are not promoting integration and/or educational quality, including withdrawal of magnet status; (iv) determine if each magnet school or school with a magnet program shall have an attendance boundary; (v) determine admissions priorities/criteria for each magnet school or program and a process for review of those criteria; and (vi) ensure that administrators and certificated staff in magnet schools and programs have the expertise and training necessary to ensure successful implementation of the magnet.

Pursuant to these considerations, the Magnet School Plan shall, at a minimum, set forth a process and schedule to: (vii) make changes to the theme(s), programs, boundaries, and admissions criteria for existing magnet schools and programs in conformity with the Plan's findings, including developing a process and criteria for significantly changing, withdrawing magnet status from, or closing magnet schools or programs, that are not promoting integration or educational quality; (viii) add additional magnet schools and/or programs for the 2013-2014 school year as feasible and for the 2014-2015 school year that will promote integration and educational quality within the District, including increasing the number of dual language programs; (ix) provide necessary training and resources to magnet school and program administrators and certificated staff; (x) include strategies to specifically engage African American and Latino families, including the families of English language learner ("ELL") students; and, (xi) identify goals to further the integration of each magnet school which shall be used to assess the effectiveness of efforts to enhance integration.

4. The District shall, to the extent practicable, implement elements of the Plan in the 2013-2014 school year, and shall fully implement the Plan in the 2014-2015 school year.
5. Federal Magnet School Funding. It is the understanding of the Parties that, should federal magnet school funding pursuant to the Magnet Schools Assistance Program ("MSAP") become available to assist school districts to implement magnet schools and programs for the 2013-2014 through 2016-2017 school years, the District shall apply for MSAP funding to assist it in implementing the Magnet School Plan required by this Order.

F. Open Enrollment

1. Any District student may apply to attend any school, pursuant to the process set forth in Section (G) below. The goal of the open enrollment process is to provide educational choices to families throughout the District, while enhancing the integration of the District's schools.

G. Application and Selection Process for Magnet Schools and Programs and for Open Enrollment

1. Application. Beginning in the 2013-2014 school year, parent(s) of all students shall submit an application to enroll their child in school and submit an application by the deadline established by the District (the “Application Deadline”). Parents of students who wish to attend a school other than their attendance boundary school and/or to attend a magnet school or program must indicate these choice(s) on their application. The District shall create a single application that allows for parent(s) to apply for magnet programs and schools and/or open enrollment schools, designating the choice order of their selection(s). The District shall allow parent(s) to submit such applications at all District schools, at the District Office, at the Family Center(s), and online. If there are fewer applications for a grade in an open enrollment school or in a magnet school or program than there are available seats in that grade and program, the District shall admit all students whose parent(s) submit an application for that grade and/or program by the Application Deadline.
2. Oversubscribed Schools.
 - a. Magnet schools/programs. The District shall, as part of the Magnet School Plan, develop an admissions process – *i.e.*, weighted lottery, admission priorities – for oversubscribed magnet schools and programs that takes account of the following criteria:
 - Students residing within a designated preference area. (No more than 50% of the seats available shall be provided on this basis.)
 - Siblings of students currently attending the magnet school or program.
 - Any students from Racially Concentrated Schools, whose enrollment will enhance integration at the magnet school or program.
 - Students residing in the District.
 - b. Open enrollment schools. All students who reside within the school’s attendance boundary shall be admitted. If space then remains in the school or program and it is oversubscribed, the District shall develop an admissions process – *i.e.*, weighted lottery, admission priorities – for oversubscribed schools and programs that takes account of the following criteria:
 - Siblings of students currently attending the school.

- Students from Racially Concentrated schools, whose enrollment will enhance integration at the receiving school.
- Students who enhance integration at the receiving school.

H. Transfers and Inter-District Enrollment

1. During the 2012-2013 school year, the District shall track transfers of any District students to and from District schools, charters, private schools, home schooling and public school districts outside of the District. This data shall be compiled and presented to the Parties and the Special Master by February 1, 2013. The Parties shall, no later than March 1, 2013, propose and discuss options to address the impact, if any, of such transfers on the District's desegregation obligations.

I. Outreach and Recruitment

1. By April 1, 2013, the District shall review and revise its strategies for the marketing to and recruitment of students to District schools to provide information to African American and Latino families and community members throughout the District about the educational options available in the District. These revised strategies shall include, but not be limited to:
 - a. Holding marketing and recruitment fairs for students and parents in several geographically diverse District locations;
 - b. Creating or amending an informational guide describing offerings at each school site. The guide shall be distributed via mail and email to all District families; posted on the website in all Major Languages; and available in hard copy at all school sites, the Family Center(s), and the District Office;
 - c. Pursuant to Section (VII), developing Family Center(s) to assist with enrollment, attendance, and program questions and concerns;

The District shall disseminate this information in all Major Languages through Family Center(s), the District's website and other media as appropriate.

2. By April 1, 2013, as more fully set forth below in Section (VII), the District shall develop a plan to expand its existing Family Center(s) and/or develop new one(s).

J. Professional Development

1. By October 1 of the 2013-2014 school year, the District shall ensure that all administrators, certificated staff, and any other staff involved in the student assignment and/or enrollment process receive training on the new student assignment process and procedures, and other pertinent terms of this Order and their purpose. Such training shall be specific to the roles and obligations of the specific group of administrators or staff being trained. All newly-hired District personnel involved in the student assignment and/or enrollment process shall complete the training by the beginning of the fall semester of the academic year subsequent to the academic year during which they were hired.

- 2. The District shall make decisions concerning the availability of transportation services, including, but not limited to, transportation services to support student participation in extracurricular activities, in a manner that promotes the attendance of District students at integrated and

magnet schools and programs. District transportation administrators shall be included in planning and monitoring activities related to student assignment and integration.

3. The District shall provide free transportation, except as provided in Paragraph (4) below, to: (a) District students enrolled in magnet programs and schools; and (b) District students enrolled in non-magnet programs and schools that are racially concentrated when such transfers increase the integration of the receiving school. Such transportation may be provided by District vehicles or by public transportation vouchers, whichever is appropriate.
4. The District shall not be required to provide free transportation to students who live within the “walking zone” of the school in which they are enrolled, subject to exceptions set forth in the District’s Transportation Policy EEA.

C. Reporting

1. The District shall include data in its Annual Report regarding student use of transportation, disaggregated by school attended and grade level (elementary, middle, and high school).

IV. ADMINISTRATORS AND CERTIFICATED STAFF

A. Overview

1. The District shall seek to enhance the racial and ethnic diversity of its administrators and certificated staff through its recruitment, hiring, assignment, promotion, pay, demotion, and dismissal practices and procedures.

B. Personnel

1. The District shall hire or designate an individual in the human resources department who shall coordinate and review the District's outreach, recruitment, hiring, assignment and retention efforts and any reductions in force. It is anticipated that this individual shall work in conjunction with the District personnel recruiter, the director of human resources, the director of desegregation and other District personnel who are responsible for the District's personnel management. This individual shall regularly review the applicant pool to ensure that African American and Latino candidates, candidates with demonstrated success in engaging African American and Latino students, and candidates with Spanish language bilingual certifications, are included and being considered for selection by school sites and at the District level.

This employee shall coordinate with the employee in the human resources department designated in Paragraph (1) above and shall be responsible for: (a) managing the development of the recruitment plan with the recruitment team, and (b) organizing and monitoring District recruitment efforts pursuant to the requirements of this Section.
3. By April 1, 2013, the District shall hire or designate a director-level employee to coordinate professional development and support efforts. This employee shall work in conjunction with the individual responsible for coordinating culturally responsive pedagogy and instruction and other District personnel as appropriate to develop and implement the professional development and support efforts contemplated in this Order. C. Outreach and Recruitment

1. The District shall conduct recruitment for all employment vacancies on a nondiscriminatory basis.

2. The District has hired an outside expert to undertake a Labor Market Analysis to determine the expected number of African American and Latino administrators and certificated staff in the District, based on the number of African American and Latino administrators and certificated staff in the State of Arizona, in a four-state region, a six-state region and the United States.
3. By April 1, 2013, the District shall develop and implement a plan to recruit qualified African American and Latino candidates for open administrator and certificated staff positions. The plan shall be developed by the District recruiter with the input of a racially and ethnically diverse recruitment team comprised of school-level and district-level administrators, certificated staff and human resources personnel. The plan shall address any and all disparities identified in the Labor Market Analysis.
 - a. The District recruiter, with input from the recruitment team, shall take the following steps to implement the recruitment plan, and shall modify it annually based on a review of the previous year's recruiting data and the effectiveness of past recruiting practices in attracting qualified African American and Latino candidates and candidates with Spanish language bilingual certifications. The recruitment plan shall:
 - i. Establish a nationwide recruiting strategy, based at minimum on the outcome of the Labor Market Analysis, which shall include specific techniques to recruit African American and Latino candidates and candidates with Spanish language bilingual certifications from across the country, including through: (i) advertising job vacancies on national websites and publications, including career websites, national newspapers, education publications, and periodicals targeting African American and Latino communities; (ii) recruiting at Historically Black Colleges and Universities ("HBCUs"), through the Hispanic Association of Colleges and Universities ("HACU"), and at other colleges and universities with teacher preparation programs serving significant numbers of African American and/or Latino students, including providing vacancy announcements to campus career services offices; and (iii) attending local and state-wide job, diversity, and education fairs and/or expos;
 - ii. Create a process to invite retired African American and Latino administrators and certificated staff to be considered for open positions for which they are qualified;

- iii. Incorporate strategies for building and utilizing partnerships with local employers that recruit nationally to promote TUSD employment opportunities to their prospective employees and their families;
- iv. Develop local programs to identify and support local high school, college and university students to interest them in teaching careers, including, for college and university students, exploring and promoting opportunities for teaching in the District; and
- v. Encourage and provide support for African American and Latino non-certificated staff (*e.g.*, paraprofessionals) who are interested in pursuing certification.

D. Hiring

1. The District shall ensure that interview committees for the hiring of administrators and certificated staff include African American and/or Latino members. For school site-level hiring, the principal shall submit to the District human resources department the names and race/ethnicity of the members of each interview panel. For District-level hiring, the individual who selects the hiring panel shall also submit this information to the District human resources department.
2. The District shall maintain a centralized electronic database of all applicants for administrative and certificated staff positions, including each applicant's name, race and ethnicity (as provided by the applicant), highest degree attained, and all certifications (*e.g.*, bilingual certification, special education certification), and shall maintain each applicant's information in the database for a period of at least three years, unless the applicant requests that his or her application be withdrawn. The District shall maintain an active certificated staff and administrator pool and shall encourage applicants to apply for individual positions and to apply for the pool. All applicants in the pool shall be considered for all available vacancies for which they qualify.
3. Each interview committee, at both the site level and district level, shall utilize a standard interview instrument with core uniform questions to be asked of each candidate that applies for that position and a scoring rubric.
4. The District shall identify why individuals who are offered positions do not accept them, to the extent such applicants respond to such post-offer inquiries.

E. Assignment of Administrators and Certificated Staff

1. All District schools shall seek to have a racially and ethnically diverse staff. The District shall track and report information on school-based administrators and certificated staff by race and ethnicity (as provided by the employee). Attached as Appendix D is data setting forth the racial/ethnic composition of TUSD teachers and principals by school level for the 2009-2012 school years.
2. The District shall identify significant disparities (*i.e.*, more than a 15 percentage point variance) between the percentage of African American or Latino certificated staff or administrators at an individual school and district-wide percentages for schools at the comparable grade level (Elementary School, Middle School, K-8, High School). The assessment of significant disparities shall also take into account the percentage of African American and Latino students on each school campus. The District shall assess the reason(s) for the disparities and shall review and address, to the extent relevant and practicable, its hiring and assignment practices, including enforcing hiring policies and providing additional targeted training to staff members involved in hiring and assignment.
3. To address any disparities as identified pursuant to Section (IV)(E)(2) above, or to address resource needs at a particular campus (*e.g.*, voluntary reassignment of bilingual personnel to campuses with increased numbers of ELL students or to dual language programs), the District may also reassign personnel between schools. To facilitate such reassignments, the District shall notify all current certificated staff at every school in the District of the opportunity to apply to voluntarily transfer as described in this section. The District shall give all interested personnel a reasonable period in which to apply for a transfer. The District shall include these voluntary transfer applications in every pool of candidates submitted to each school to the extent they are qualified personnel whose transfer would enhance the racial and ethnic diversity of the certificated staff at the school.
4. The District shall make efforts to assign and attract a diverse administrative team to any school with more than one site-based administrator. Such administrators shall be selected from a pool that includes African American and/or Latino candidates.
5. Through the human resources department coordinator identified in Section (IV)(B)(1) above, the District shall make efforts to increase the number of experienced teachers and reduce the number of beginning teachers hired by Racially Concentrated schools or schools in which students are achieving at or below the District average in scores on state tests or other relevant measures of academic performance, and to avoid assigning first-year principals to Racially Concentrated schools or schools serving

students who are achieving below the District average in scores on state tests or other relevant measures of academic performance. Exceptions to this provision may be permitted by the Superintendent on a case-by-case basis.

6. By July 1, 2013, the District shall develop a pilot plan to support first-year teachers serving in schools where student achievement is below the District average. This plan shall include the criteria for identifying the schools in which the program will be piloted in the 2013-2014 school year and for evaluation by the Office of Accountability and Research. The plan shall include professional development targeted toward the specific challenges these teachers face.

F. Retention

1. The District shall adopt measures intended to increase the retention of African American and Latino administrators and certificated staff, including, but not limited to, doing and/or taking into account the following:
 - a. Commencing with the effective date of this Order, on an ongoing basis, evaluating whether there are disparities in the attrition rates of African American and Latino administrators or certificated staff compared to other racial and ethnic groups. If disparities are identified, the District shall, on an ongoing basis, assess the reason(s) for these disparities and develop a plan to take appropriate corrective action. If a remedial plan to address disparate attrition is needed, it shall be developed and implemented in the semester subsequent to the semester in which the attrition concern was identified;
 - b. Surveying teachers each year using instruments to be developed by the District and disaggregating survey results by race, ethnicity, and school site to assess teachers' overall job satisfaction and their interest in continuing to work for the District. These surveys shall be anonymous; and
 - c. Conducting biannual focus groups of representative samples of District certificated staff to gather perspectives on the particular concerns of these staff in hard-to-fill positions (*e.g.*, ELL and special education teachers) and/or who have been hired to fulfill a need specifically identified in this Order.³

³ This shall refer to individuals hired pursuant to Sections (II), (IV), (V), (VI), and (VII).

G. Reductions in Force⁴

1. By February 1, 2013, the District shall develop a plan (“RIF Plan”) which takes into account the District’s desegregation obligations for any reductions in force (“RIF”) or other employment actions requiring the dismissal of administrators and/or certificated staff members who have been hired to fulfill a need specifically identified in this Order.⁵ The RIF Plan, and any future modifications, shall be communicated to all personnel in writing and posted on the District’s website. No reductions in force may take place sooner than 30 days after the RIF Plan is communicated to all personnel. If reductions in force are necessary before February 1, 2013, due to school closures or other significant changes in schools’ capacities, the District shall communicate informally regarding the substance of the new RIF Plan to administrators and certificated staff members before any such RIFs take place.
2. Administrators and certificated staff members who have been hired to fulfill a need specifically identified in this Order⁶ and who are meeting performance and conduct standards shall not be subject to a RIF for at least three full school years after they have been hired. Principals who are selecting candidates for RIFs shall consider administrators and certificated staff members’ evaluations in making their selections.
3. After a reduction in force, the District shall place the names of those administrators and certificated staff who have been subject to RIF and who wish to be considered for reemployment in the District on a list of candidates for future employment. In the event that the District has future job openings, it shall review this list and determine whether these administrators or certificated staff are qualified for the vacant positions. If so, the District shall contact them to determine if they are interested in the position, and if so, the District shall place them in the pool of job candidates.⁷
4. No vacancy created as a result of the RIF of an African American or Latino administrator or certificated staff member may be filled until such displaced administrator or certificated staff member who is qualified has had an opportunity to fill the vacancy and has failed to accept an offer to do so.
5. The District shall ensure that any reductions in force or employment actions requiring the demotion or dismissal of administrators or

⁴ The provisions of this Section do not apply to persons dismissed for cause.

⁵ This shall refer to individuals hired pursuant to Sections (II), (IV), (V), (VI), and (VII).

⁶ This shall refer to individuals hired pursuant to Sections (II), (IV), (V), (VI), and (VII).

⁷ This provision shall not be interpreted or applied to provide lesser rights than certificated staff members or administrators may have pursuant to separate agreements with the District.

certificated staff shall not be made due to the race or ethnicity of the demoted or dismissed individual.

H. Evaluation

1. By July 1, 2013, the District shall review, amend as appropriate, and adopt teacher and principal evaluation instruments to ensure that such evaluations, in addition to requirements of State law and other measures the District deems appropriate, give adequate weight to: (i) an assessment of (I) teacher efforts to include, engage, and support students from diverse racial, ethnic, cultural, and linguistic backgrounds using culturally responsive pedagogy and (II) efforts by principals to create school conditions, processes, and practices that support learning for racially, ethnically, culturally and linguistically diverse students; (ii) teacher and principal use of classroom and school-level data to improve student outcomes, target interventions, and perform self-monitoring; and (iii) aggregated responses from student and teacher surveys to be developed by the District, protecting the anonymity of survey respondents. These elements shall be included in any future teacher and principal evaluation instruments that may be implemented. All teachers and principals shall be evaluated using the same instruments, as appropriate to their position.

I. Professional Support

1. By July 1, 2013, the District shall amend its New Teacher Induction Program (“NTIP”) to provide new teachers (*i.e.*, teachers in their first two years of teaching) with the foundation to become effective educators. The NTIP shall, at a minimum: (a) build beginning teachers’ capacity to be reflective and collaborative members of their professional learning communities (*see* Paragraph 4 below); and (b) engage thoughtfully with students from diverse racial, ethnic, cultural, and linguistic backgrounds using culturally responsive pedagogy. The District shall hire or designate an appropriate number of New Teacher Mentors based on the best practices for such mentoring/coaching in the field. These Mentors shall not have direct teaching assignments.
2. By July 1, 2013, the District shall develop a plan for and implement strategies to support underperforming or struggling teachers regardless of their length of service. Teachers shall be referred to the program by school- or District-level administrators based on evidence (*e.g.*, from student surveys, administrator observations, discipline referrals, and/or annual evaluations) that the teacher requires additional professional development and mentor support. The support program shall utilize research-based practices such as those embodied in Peer Assistance and Review programs.

3. By July 1, 2013, the District shall develop and implement a plan for the identification and development of prospective administrative leaders, specifically designed to increase the number of African American and Latino principals, assistant principals, and District Office administrators. The plan shall propose methods for “growing your own,” including the possibility of financial support to enable current African American and Latino employees to receive the required certifications and educational degrees needed for such promotions.
4. Commencing no later than October 1, 2013, the District shall provide appropriate training for all school site principals to build and foster professional learning communities (“PLCs”) among teachers at their schools so that effective teaching methods may be developed and shared. This training shall include strategies to: (a) build regular structured time into teachers’ schedules to co-plan and collaborate, observe each other’s classrooms and teaching methods, and provide constructive feedback so that best practices for student success can be shared; (b) develop within- and across-school networks to encourage teachers with experience and success in using culturally responsive pedagogy to engage students to mentor and coach their peer teachers; (c) engage in collaborative problem solving based on analyses of student performance; and (d) encourage and provide space, resources, and support for constructive student-teacher, teacher-teacher, and teacher-family interactions.

J. Professional Development

2. By June 1, 2013, the District shall designate, hire, or contract for appropriate trainers for all certificated staff, administrators and paraprofessionals to provide the professional development necessary to effectively implement the pertinent terms of this Order. These trainers shall work in conjunction with the District’s director of culturally responsive pedagogy and instruction and coordinator of professional development to develop appropriate trainings, and shall conduct these professional development sessions throughout the 2013-2014 school year and thereafter. All newly-hired or promoted certificated staff, administrators and paraprofessionals in the District, or individuals who did not attend the first session(s) of professional development described here, shall do so the next time the trainings are held, or in the beginning of the fall semester of the academic year subsequent to the academic year during which they were hired or promoted or missed such training, whichever is sooner. At that time such personnel also shall receive a copy of this Order and the training referenced above (*see* Paragraph 1 above).

3. The District shall ensure that all administrators, certificated staff, and paraprofessionals receive ongoing professional development, organized through the director of culturally responsive pedagogy and instruction and the coordinator of professional development, that includes the following elements:
 - a. The District's prohibitions on discrimination or retaliation on the basis of race and ethnicity;
 - b. Practical and research-based strategies in the areas of: (i) classroom and non-classroom expectations; (ii) changes to professional evaluations; (iii) engaging students utilizing culturally responsive pedagogy, including understanding how culturally responsive materials and lessons improve students' academic and subject matter skills by increasing the appeal of the tools of instruction and helping them build analytic capacity; (iv) proactive approaches to student access to ALEs; (v) the District's behavioral and discipline systems, including Restorative Practices, Positive Behavior Interventions and Supports, and amendments to the Guidelines for Student Rights and Responsibilities; (vi) recording, collecting, analyzing, and utilizing data to monitor student academic and behavioral progress, including specific training on the inputting, accessing, and otherwise using the District's existing and amended data system(s); (vii) working with students with diverse needs, including ELL students and developing a district-wide professional development plan for all educators working with ELL students; and (viii) providing clear, concrete, and accessible strategies for applying tools gained in professional development to classroom and school management, including methods for reaching out to network(s) of identified colleagues, mentors, and professional supporters to assist in thoughtful decision-making; and
 - c. Any other training contemplated herein.

This professional development shall be offered on a regular basis, both integrated into instructional days and in dedicated professional development time during the summer or school year, as appropriate.

4. For administrators and certificated staff identified pursuant to their evaluations as in need of improvement, the District shall provide additional targeted professional development designed to enhance the expertise of these personnel in the identified area(s) of need.
5. The District shall provide all personnel involved in any part of the hiring process with annual training on diversity, the competitive hiring process, the District's non-discrimination policies, state and federal non-

discrimination law (including EEOC guidelines), the District's recruitment plan, and use of the District's interview protocols. Such training shall be in addition to each such employee's annual professional development requirement.

6. Through the director of culturally responsive pedagogy and instruction, the District shall facilitate opportunities for administrators and certificated staff who consistently demonstrate best practices in their classrooms or schools to coach, mentor, and collaborate with their peers and provide opportunities for other personnel to observe these best practices.

K. Reporting

1. The District shall provide, as part of its Annual Report:
 - a. Copies of all job descriptions and explanations of responsibilities for all persons hired or assigned to fulfill the requirements of this Section, identified by name, job title, previous job title (if appropriate), others considered for the position, and credentials;
 - b. A copy of the Labor Market Analysis, and any subsequent similar studies;
 - c. A copy of the recruitment plan and any related materials;

1. Overview. The purpose of this section shall be to improve the academic achievement of African American and Latino students in the District and to ensure that African American and Latino students have equal access to the District's Advanced Learning Experiences.
2. General Provisions.
 - a. By April 1, 2013, the District shall hire or designate a District Office employee to be the Coordinator of Advanced Learning Experiences ("ALEs"). ALEs shall include Gifted and Talented ("GATE") programs, Advanced Academic Courses ("AACs"), and University High School ("UHS"). AACs shall include Pre-Advanced Placement ("Pre-AP") courses, which were formerly referred to as "Honors," "Accelerated," or "Advanced," and any middle school course offered for high school credit; Advanced Placement ("AP") courses; Dual-Credit courses; and International Baccalaureate ("IB") courses. The ALE Coordinator shall have responsibility for: reviewing and assessing the District's existing ALEs, developing an ALE Access and Recruitment Plan, assisting appropriate District departments and schools sites with the implementation of the ALE Access and Recruitment Plan, and developing annual goals, in collaboration with relevant staff, for progress to be made in improving access for African American and Latino students to ALE programs. These goals shall be shared with the Plaintiffs and the Special Master and shall be used by the District to evaluate effectiveness.
 - b. By July 1, 2013, the ALE Coordinator shall complete an assessment of existing ALE programs, resources, and practices in the District and by school site. This assessment shall include: (i) a review of the ALEs offered at each school; the number of students enrolled in each ALE program at each school (disaggregated by grade level, race, ethnicity, ELL status); and the resources available in each school for ALEs (*e.g.*, part-time or full-time personnel assigned, annual budget); and (ii) a determination of what, if any, gaps in ALE access exist and what, if any, barriers there are for students at each school site to enroll in and

successfully complete ALEs offered at each school site. The assessment shall include an analysis of the data and information gathered and findings, including whether African American and Latino students, including ELL students, have equitable access to ALEs, and recommendations resulting from the analysis, including recommendations regarding additional data that the District's data system should gather to track students' ALE access and participation.

- c. By October 1, 2013, the ALE Coordinator shall develop the ALE Access and Recruitment Plan, which shall include strategies to identify and encourage African American and Latino students, including ELL students, to enroll in ALEs; to increase the number of African American and Latino students, including ELL students, enrolling in ALEs; and to support African American and Latino students, including ELL students, in successfully completing ALEs. In developing this Plan, the ALE Coordinator shall take into account the findings and recommendations of the assessment of existing ALE programs, resources, and practices in the District and best practices implemented by other school districts.
- d. To recruit and encourage African American and Latino students, including ELL students, to apply for and enroll in ALEs, the ALE Access and Recruitment Plan shall include, but not be limited to, the following strategies:
 - i. Developing accessible materials (*e.g.*, informational booklets and DVDs, web pages, mailers) describing the District's ALE offerings by content, structure, requirements, and location;
 - ii. Coordinating with the relevant administrator(s) at the Family Center(s) and in the District Office to distribute such materials to parents;
 - iii. Holding community meetings and informational sessions regarding ALEs in geographically diverse District locations, coordinated with the Family Center(s), Multicultural Student Services, and any other relevant District departments;
 - iv. Providing professional development to administrators and certificated staff to identify and encourage African American and Latino students, including ELL students, to enroll in ALEs; and

- v. Ensuring that there is equitable access to ALEs, including by: (I) assessing the feasibility of testing all students at appropriate grade levels and using multiple measures for selection to GATE and UHS; (II) increasing access to academic preparation programs such as AVID; and (III) eliminating barriers to ALE enrollment, including, as appropriate, providing weighted grades for pre-AP and AP students, offering free or reduced AP exam fees for low-income students, offering to waive other participation fees for any ALEs, integrating AAC sessions into summer academies, and creating structures for peer mentoring and pairing, and the provision of resources for ALEs.
- e. The Plan shall include a complaint process to allow students and/or parent(s) to file complaints regarding practices that have the intent or effect of excluding students from enrollment, identification, admission, placement, or success in ALEs. The District shall disseminate information regarding this complaint process at all school sites, through the Family Center(s), at the District Office, and on the website.
- f. By January 1, 2014, the District shall implement the ALE Access and Recruitment Plan.

3. Gifted and Talented Education (“GATE”) Services

 - i. Increase the number and percentage of African American and Latino students, including ELL students, receiving GATE services by improving screening procedures for GATE services and placement in GATE services to ensure that students are identified, tested, and provided with GATE services in a fair and nondiscriminatory manner that does not have an adverse impact on any student based on his/her race, ethnicity or English language proficiency;
 - ii. Increase the number and quality of GATE offerings, as appropriate, to provide equal access and equitable opportunities for all students, including assessing the feasibility of adding or expanding GATE dual language programs;
 - iii. Assess whether the implementation of GATE services at school sites (*e.g.*, self-contained, pull-out, clustering, or

resource-driven models) should be modified to increase access to GATE services and to avoid within-school segregation; and

- iv. Require all GATE teachers to be gifted-endorsed or to be in the process of obtaining gifted endorsement.

4. Advanced Academic Courses (“AACs”)

- a. In developing the ALE Access and Recruitment Plan, the ALE Coordinator or designee shall use the results of the assessments and analyses as required by Section (V)(A)(2)(b) to:

- a. By April 1, 2013, the District shall review and revise the process and procedures that it uses to select students for admission to UHS to ensure that multiple measures for admission are used and that all students have an equitable opportunity to enroll at University High School. In conducting this review, the District shall consult with an expert regarding the use of multiple measures (*e.g.*, essays; characteristics of the student’s school; student’s background, including race, ethnicity and socioeconomic status) for admission to similar programs and shall review best practices used by other school districts in admitting students to similar programs. The District shall consult with the Plaintiffs and the Special Master during the drafting and prior to implementation of the revised admissions procedures. The District shall pilot these admissions

procedures for transfer students seeking to enter UHS during the 2013-2014 school year and shall implement the amended procedures for all incoming students in the 2014-2015 school year.

With a signed form from a parent, a student may opt out if they do not wish to compete for entrance to UHS. Before testing each year, the District shall send explanatory materials to 7th grade families to explain the purpose of the testing and requirements for enrolling at UHS. Such materials also shall be distributed through the Family Center(s) and made available on the District's website.
- c. The District shall require all counselors in all middle schools to review UHS admissions requirements with all students in 6th and the beginning of 7th grade and provide all students with application materials so that students may be aware of and prepare for the required tests in the spring of 7th grade and application in 8th grade; and

Dual Language programs are positive and academically rigorous programs designed to contribute significantly to the academic achievement of all students who participate in them and which provide learning experiences comparable to the advanced learning experiences described above. The District shall build and expand its Dual Language programs in order to provide more students throughout the District with opportunities to enroll in these programs, including by encouraging new and current certificated staff with dual language certifications to teach in such programs and by

focusing recruitment efforts on appropriately certified teachers (*see* Section (IV)(C)(3)(a)(i)).

D. Exceptional/Special Education

1. The District shall develop appropriate criteria for data gathering and reporting to enable it to conduct meaningful review of its referral, evaluation and placement policies and practices on an annual basis to ensure that African American and Latino students, including ELL students, are not being inappropriately referred, evaluated or placed in exceptional (special) education classes or programs.

1. The Parties acknowledge that the administration of student discipline can result in unlawful discrimination when students are disproportionately impacted or treated differently by virtue of their race or ethnicity. The Parties further acknowledge that the punitive use of serious disciplinary sanctions for low-level offenses creates the potential for negative educational and long-term outcomes for affected students.
2. The District shall not consider its student behavior policies and discipline practices in isolation, but as part of the District's overall goal of creating an inclusive and supportive environment in District schools. The District shall commit to ensuring that students remain as often as practicable in the classroom settings where learning happens. In accordance with the Guidelines for Student Rights and Responsibilities, discussed below, and to the extent practicable based on the student behavior at issue, a variety of graduated positive behavior techniques shall be used with the aim of preventing students from being excluded for any amount of time from the classroom or school.

The District shall reduce racial and ethnic disparities in the administration of school discipline. Data setting forth discipline in TUSD for the 2011-2012 school year by race/ethnicity is attached in Appendix I.

B. District-Wide Policies and Practices

1. Restorative Practices and Positive Behavioral Interventions and Supports

- a. The District shall continue and strengthen implementation of the following comprehensive, school-wide approaches to classroom management and student behavior:
 - i. “Restorative Practices,” a framework to give those affected by conflict the tools and principles needed to resolve problems and build relationships. Restorative Practices focus upon the emotional and social disturbance created by conflict and provide a process for holding students accountable for their actions while building a supportive school environment; and
 - ii. “Positive Behavior Intervention and Supports” (“PBIS”), a set of strategies and structures to assist schools to establish a positive school culture by constructively teaching school rules and social-emotional skills; positively reinforcing appropriate student behavior; using effective classroom management strategies to provide early intervention for misbehavior; and developing a continuum of graduated and appropriate consequences for more serious and continuous misbehavior.

2. Guidelines for Student Rights and Responsibilities

- a. By April 1, 2013, the District shall, in consultation with an external consultant experienced in implementing the behavior approaches described above, evaluate and revise the Guidelines for Student Rights and Responsibilities (“GSRR”) to: (i) limit exclusionary consequences to instances in which student misbehavior is ongoing and escalating, and the District has first attempted and documented the types of intervention(s) used in PBIS and/or Restorative Practices, as appropriate; (ii) require the administration of consequences that are non-discriminatory, fair, age-appropriate, and correspond to the severity of the student’s misbehavior; (iii) require that consequences are paired with meaningful instruction and supportive guidance (*e.g.*, constructive feedback and re-teaching) to offer students an opportunity to learn from their behavior and continue to participate in the school community; and (iv) require that law enforcement officers, including School Resource Officers, School Safety Officers, and other law enforcement and security personnel who interact with students, are not involved in low-level student discipline. Plaintiffs and the Special Master shall receive copies of the revised GSRR for review and comment pursuant to Section (I)(D)(1). None of these revisions shall prevent school personnel from protecting student safety as appropriate.

- b. By July 1, 2013, the District shall, in consultation with relevant experts, evaluate and revise, as appropriate, its due process protections for student discipline (*i.e.*, Governing Board Policy JK-R1 through JK-R4-E4 and JKA through JKAB), to ensure that students and parents are provided with a fair, impartial, and language-accessible proceeding which complies with applicable state and federal law before exclusionary discipline or punishment is imposed, as well as an opportunity to appeal. Should the District determine that changes are needed to its due process protections for student discipline, it shall propose changes to these policies. Plaintiffs and the Special Master shall be provided with copies of the proposed changes for review and comment before they are finalized pursuant to Section (I)(D)(1).
- c. All District schools shall implement the revised GSRR. Any disciplinary actions shall be aligned to the GSRR standards, and comport with Restorative Practices and PBIS.

C. Personnel

1. By April 1, 2013, the District shall hire or designate an employee to serve as the District's restorative and positive practices coordinator ("RPPC"). The RPPC shall be responsible for working with school sites to assist in the ongoing implementation of Restorative Practices and the implementation of PBIS, including: (a) developing model behavioral assessments and interventions; and (b) assisting school sites in developing systems and structures to use data for self-monitoring practices.
2. By April 1, 2013, all District schools shall hire or designate an employee to serve as a restorative and positive practices site coordinator ("RPPSC"). A school's learning support coordinator may be designated to serve as the RPPSC for the school. E. Professional Development

1. The District shall ensure that all schools provide the necessary training and hire the requisite RPPSCs as described in (IV)(C)(2) to implement Restorative Practices and PBIS by the beginning of the 2013-2014 school year. All newly-hired RPPSCs and other relevant personnel shall complete the training by the beginning of the fall semester of the academic year subsequent to the academic year during which they were hired.
2. By July 1, 2013, the District shall hire or designate trainers to assist all administrators and certificated staff to implement Restorative Practices, PBIS and the standards established in the revised GSRR. The trainings shall take place before the commencement of the 2013-2014 school year.
3. By October 1, 2013, the District shall communicate to teachers their roles and responsibilities in creating and supporting positive classroom environments and schools. These responsibilities shall include: (a) defining, teaching, modeling, and consistently applying positive behavior approaches inside and outside the classroom; (b) acknowledging and reinforcing appropriate and positive student behavior; (c) providing constructive feedback to students when behavior concerns arise, and using such positive feedback and skill-building to address all low-level misbehaviors; (d) working with relevant school and District personnel to ensure that appropriate intervention techniques have been attempted before referring a student to the school site discipline administrator(s); (e) participating in trainings to build and sustain a positive school climate and to reduce and address racial and ethnic disparities in the administration of school discipline; (f) regularly entering, uploading, reading, and responding to data via Mojave; (g) utilizing data in collaboration with school site and District administrators to monitor student behavior; and (h) responding appropriately to data outcomes, particularly where data show disparities in the administration of consequences on any prohibited basis,

including participating with supervisors in the development of corrective action plans.

4. If an individual teacher is failing to adhere to the District's student discipline policies or practices as required under this Order, or is engaging in discrimination in such practices, or administering student discipline in a racially or ethnically disparate manner, the District shall require the principal to take appropriate corrective action.
5. By October 1, 2013, the District shall communicate to administrators their roles and responsibilities in collaborating with faculty and staff to create and support inclusive classroom environments and schools and that a primary goal of this effort is to ensure that TUSD students are not subject to discriminatory disciplinary practices based on their race, ethnicity or ELL status. These responsibilities shall include: (a) ensuring that PBIS, Restorative Practices and the GSRR are communicated, advocated, and modeled to the school community; (b) providing training and support for administrators and certificated staff on Restorative Practices and PBIS; (c) ensuring effective recording, collecting, and utilization of student behavior and discipline data; (d) regularly (*i.e.*, at least monthly) evaluating classroom- and school-level behavior and discipline data to assist in decision-making at all levels, from individual student needs to needs for the school site; (e) assembling teams with appropriate certificated staff and parent(s) to address next steps for a student engaging in ongoing and escalating misbehavior in spite of appropriate interventions; (f) consistently and fairly applying the GSRR to ongoing and escalating student misbehavior; and (g) ensuring that parent(s) are included in all major decisions related to student behavior and discipline.

F. Monitoring

1. By April 1, 2013, the District shall identify any changes in the data reporting system necessary to meet all of the reporting and evaluation requirements of this Order and the revised GSRR, including tracking school-site-based discipline by teacher and identifying necessary changes to the input codes and consequences. All changes shall be made by July 1, 2013.
2. The District shall collect, review, and analyze discipline data from each school on at least a quarterly basis. The data shall include the number of students receiving any exclusionary discipline consequence (*i.e.*, detention, in-school suspensions, out-of-school suspensions, referrals to alternative placement, referrals for expulsion, and referrals to law enforcement), disaggregated by grade, teacher, school, ELL status, gender, and race and ethnicity. Based on this analysis, the District shall work with the RSPPC and school administrators to develop corrective action plan(s) to ensure that exclusionary discipline consequences are not meted out in a

manner that impermissibly targets or has a disparate effect on students of a particular race or ethnicity. If the data collected and reviewed suggests that any teacher or administrator at the school site is imposing discipline in a racially or ethnically disproportionate manner or otherwise contrary to District policy, the District shall, in conjunction with the principal, consider and take appropriate corrective action, including retraining or disciplinary action.

3. If the data collected and reviewed indicates that a school has been successful in managing student discipline, the District RPPC shall examine the steps being taken at the school to determine whether the approach adopted by the school should be adopted by other schools within the District, and if the RPPC determines the approach should be replicated, the District RPPC will share the strategies and approach with the District to consider replication at other schools.
4. The District shall require principals to meet on a regular basis (*i.e.*, at least monthly) with the school-site discipline team (to be comprised of the RPPSC, school administrators, and selected teachers and school resource officers) to review the school site's discipline data, discuss any school-wide corrective action plans or action items, and explore ideas for improvement.
5. The District shall develop a framework and schedule for creating any necessary corrective action plans described herein and implementing them in a timely manner (*i.e.*, within a semester of their development, or between the spring and fall semesters as appropriate).
6. All data on student discipline, as required by this Section, shall be posted on the District website as part of TUSDStats, subject to the requirements of FERPA.

ORDER

CV 74-204 TUC DCB
(consolidated case)

1 The Court denies the Second Motion for Reconsideration of Intervention by the
2 State. The Court adopts the USP, pursuant to the parties' stipulations and pending
3 incorporation of the changes required by the rulings of the Court made herein to resolve the
4 disputed areas of the consent decree.

5 **A. Background**

6 On July 19, 2011, the Ninth Circuit Court of Appeals reversed and remanded this
7 Court's finding that the Tucson Unified School District (TUSD) had attained unitary status.
8 *Fisher v. Tucson Unified School District*, 652 F.3d 1131 (9th Cir. 2011). Since 1978, the
9 District had operated TUSD under a consent desegregation decree "designed to remedy past
10 discriminatory acts or policies." *Id.* at 1137. The 1978 desegregation settlement agreement,
11 like all such decrees, was a remedial plan necessary to ensure that the District which had
12 once operated TUSD as a state-compelled dual system performed its "affirmative duty to take
13 whatever steps might be necessary to convert to a unitary system in which racial
14 discrimination would be eliminated root and branch." *Id.* at 1134 (quoting *Green v. Cnty.*
15 *School Board of New Kent County, Virginia*, 391 U.S. 430, 437-38 (1968)).

16 This Court focused on the limited nature of the case, reflected in the 1978
17 Stipulation,¹ which identified very specific activities to be performed over five full school
18 years, and found that to the extent practicable the District had eliminated the vestiges of *de*
19 *jure* segregation.² In making this decision, this Court limited its *Green* analysis to factors
20 identified in the 1978 Stipulation, however, the Court could not ignore that the District had
21 operated the TUSD for over 25 years, pursuant to the 1978 Stipulation, and in this regard this
22 Court found the District had not acted in good faith because over those 25 years the District
23

25 ¹The Court refers to the 1978 consent decree as the 1978 Stipulation. The Court refers
26 to the consent decree being adopted now as the USP.

27 ²Latin for: "as a matter of law."
28

1 had not addressed ongoing segregation and discrimination in TUSD, both physical
2 segregation and unequal academic opportunities for Black and Hispanic minority students.

3 On review, the Ninth Circuit Court of Appeals held this Court’s “findings were fatal
4 to its determination that the School District ha[d] achieved unitary status.” *Id.* at 1141. The
5 appellate court explained this Court erred as a matter of law because “Supreme Court
6 precedent is clear: in making a declaration of unitary status and terminating federal
7 jurisdiction, a district court must determine that the School District has ‘complied in good
8 faith with the desegregation decree since it was entered’ and has eliminated ‘the vestiges of
9 past discrimination . . . to the extent practicable.’” *Id.* (quoting *Missouri v. Jenkins*, 515 U.S.
10 70, 89 (1995)); see *Freeman v. Pitts*, 503 U.S. 467, 492 (1992); *Board of Education of*
11 *Oklahoma City Public Schools v. Dowell*, 498 U.S. 237, 249-50 (1991).

12 The court reversed and remanded the case, directing this Court to retain jurisdiction
13 “until it is satisfied that the School District has met its burden by *demonstrating*— not merely
14 promising—its ‘good-faith compliance . . . with the [Settlement Agreement] over a reasonable
15 period of time.’ [citation omitted] The court must also be convinced that the District has
16 eliminated ‘the vestiges of past discrimination . . . to the extent practicable’ with regard to
17 all of the *Green* factors. [citation omitted]” *Id.* at 1144 (emphasis added).

18 The *Green* factors direct the Court in regard to whether the District has eliminated
19 the vestiges of past discrimination to the extent practicable. The district courts “look not
20 only at student assignments, but ‘to every facet of school operations—faculty, staff,
21 transportation, extra-curricular activities and facilities,’”*id.* at 1135-36; and other vital areas
22 of concern such as the quality of education being offered to white and black student
23 populations, *Freeman*, 503 U.S. at 473. The desegregation decree must address all these
24 components for the District’s elementary and secondary school systems. *Id.* at 1136.
25 Notably, the *Green* factors may be related or interdependent such that a continuing violation
26 in one area may need to be addressed by remedies in another. *Id.*

1 Generally unitary status cannot be declared and jurisdiction cannot be terminated,
2 when a school district lags in one or more of the *Green* factors, *id.*, but in some cases
3 incremental or partial withdrawal of judicial control can be ordered for *Green* factors when
4 compliance is achieved. Granting partial withdrawal, including withdrawing supervision
5 over student assignments,³ is informed by whether there has been full and satisfactory
6 compliance in those aspects of the system where supervision is to be withdrawn; whether
7 retention of judicial control is necessary or practicable to achieve compliance with other
8 facets of the school system, and whether the District has demonstrated to the public and to
9 the parties and students of the once disfavored races and ethnicities its good faith
10 commitment to the whole of the agreement and to those provisions of the law and the
11 Constitution that were the predicate for judicial intervention. *Id.* at 1144-45.

12 The Mandate issued on August 10, 2011, and the Court issued its first order after
13 remand on September 14, 2011. At the suggestion of the Fisher Plaintiffs to appoint a
14 desegregation expert to guide the development and implementation of a desegregation plan,
15 the Court appointed a Special Master. (Order (Doc. 1350).) The Court set out the criteria
16 for the Special Master's Report, i.e., the Unitary Status Plan (USP), which included the
17 requirement that the USP contain a recommendation, supported by findings of law and fact
18 or stipulation of the parties, as to whether partial withdrawal of judicial oversight is
19 warranted for any *Green* factor. *Id.* at 4-5. "To expedite the resolution of this case," all
20 parties were directed to outline their positions regarding any *Green* factors which they
21
22

23 ³"The School District retains 'the burden of showing that any current imbalance is not
24 traceable, in a proximate way, to the prior violation.' *Freeman*, 503 U.S. at 494 . . . But 'as
25 the *de jure* violation becomes more remote in time and ... demographic changes intervene,
26 it becomes less likely that a current racial imbalance in a school district is a vestige of the
27 prior *de jure* system.' *Id.* at 496 . . . Still, good faith remains paramount: 'The causal link
between current conditions and the prior violation is even more attenuated if the school
district has demonstrated its good faith.' *Id.*" *Fisher*, 652 F.3d at 1144 n. 30.

1 believed are not at issue in this case and/or where partial withdrawal of judicial oversight is
2 appropriate. *Id.* at 6.

3 In the end, the parties prepared the USP by stipulation and submitted it to the Court
4 for its consideration and adoption for implementation in the TUSD. In other words, the
5 parties have stipulated to a “new” consent decree to ensure that the District, which once
6 operated the TUSD as a state-compelled dual system performs its affirmative duty to take
7 whatever steps might be necessary to convert to a unitary system in which racial
8 discrimination will be eliminated root and branch. On November 9, 2012, the stipulated Joint
9 Proposed Unitary Status Plan was filed, with specific notations regarding the areas of party
10 disagreement. The parties each filed separate briefs pertaining to their objections.

11 The Joint Proposed USP was made available to the State of Arizona, which appears
12 by *amici* in respect to the sole question of whether the USP may include a provision allowing
13 the return of the discontinued Mexican-American Studies (MAS) courses. January 10, 2012,
14 the TUSD Governing Board adopted a resolution suspending all MAS courses and teaching
15 activities after the Arizona Superintendent of Education John Huppenthal issued a Notice of
16 Violation on June 15, 2011, finding that MAS classes being offered at TUSD violated A.R.S.
17 § 15-112(A)(2)-(A)(4) because “TUSD presented material ‘in a biased, political, and
18 emotionally charged manner’ that promoted social and political activism against ‘white
19 people,’ promoted racial resentment, and advocated ethnic solidarity instead of treating
20 pupils as individuals.” (Arizona’s Objection (Doc. 1409) at 2 (quoting *In the Matter of the*
21 *Hearings of an Appeal by Tucson Unified School District*, No. 11F-002-ADE, citing *see*
22 *Case No. 4: 10-CV-00623-AWT* (Doc. 132-1) at 35)). The decision subjected the District
23 to having 10% of the District’s allocation of state funding withheld by the State, retroactive
24 to August 15, 2011. The District appealed, but the violation was affirmed by an
25 Administrative Law Judge on December 27, 2011. The State of Arizona has filed an
26
27
28

1 objection to the Joint Proposed Unitary Status Plan. It has also filed a Motion for
2 Reconsideration (Doc. 1418) of this Court's denial of its Motion to intervene in this case.

3 The Joint Proposed USP was made available to the public for review and public
4 comment. Three public hearings were held on Monday, November 26, 2012, at Tucson High
5 Magnet School; Tuesday, November 27, 2012, at El Pueblo Regional Center, and
6 Wednesday, November 28, 2012, at Palo Verde High School in the evenings from 6 pm to
7 8:30 pm.⁴ The notices for the public hearings were distributed to the community by press
8 releases and public service announcements. The Notices and the Joint Proposed USP were
9 also posted by the Court on the internet web site for the United States District Court for the
10 District of Arizona under "What's New?" and the tab "Cases of Interest." The Court website
11 directed the public to www.TucsonUSP.com where the Joint Proposed USP and public
12 notices were available in English and Spanish, and where public comments could be made
13 on line. Copies of the proposed USP were available in all schools and provisions were made
14 for comments to be made at these locations. All public comments were able to be made
15 anonymously. All in all, the Court is satisfied that there was a robust public comment period
16 where over 600 public comments were heard by the Special Master, written comments were
17 redacted to retain anonymity, copied and sent to the parties, and have been summarily
18 reported to the Court.⁵

21 ⁴The public notices in English and Spanish shall be filed into the record as an
22 attachment to this Order.

23 ⁵See also: (Doc. 1429: Public Comment; Doc. 1428: Petition; Doc. 1427: Letter
24 1/4/2013; Doc. 1426: Public Comment; Doc. 1422: Letter 1/11/2013 and
25 <http://www.examiner.com> article); Doc. 1417: Letter 12/18/2012 and excerpts of various
26 MAS course readings). These public comments were copied by the Court to the Special
27 Master to afford him an opportunity to bring any new concern, not previously considered
during the drafting of the USP, to the attention of the Court. Plaintiffs represented by
counsel must submit filings with the Court through their attorneys. LR Civ. 83.3(c).

1 Subsequent to the public comment period and further discussion by the parties,
2 some changes were made and on December 10, 2012, the parties filed the “final” Joint
3 Proposed Unitary Status Plan, which again noted areas of party disagreement. Again, the
4 parties each filed separate briefs regarding their objections. The State of Arizona has filed
5 an *amici* brief. The Special Master has provided the Court with his report and
6 recommendations regarding the areas of disagreement. The Court finds that all areas of
7 disagreement have been fully briefed. The Court, therefore, makes specific findings
8 regarding the areas of disagreement and adopts the stipulated USP, so revised.

9 The Court begins with an acknowledgment of the hard work that has gone into
10 crafting what is a very comprehensive plan to attain unitary status in the TUSD over the next
11 four school years. There are clearly more areas of agreement than disagreement, and the
12 Court commends the Special Master for his facilitation in this matter. The Court is
13 convinced that the Joint Proposed USP sets out steps to convert the TUSD to a unitary
14 system in which racial discrimination will be eliminated root and branch to the extent
15 practicable. The question remains whether at the end of the approximate four year period of
16 operation under this consent decree, the USP, the District will have complied in good faith
17 with its terms.

18 **B. The Green Factors.**

19 The Court finds that the proposed USP addresses every *Green* factor: student
20 assignment, transportation, administrative and certified staffing, extracurricular activities,
21 and facilities, plus quality of education, family and community engagement, technology, and
22 discipline. Nevertheless, the District enters into the consent decree with the caveat that: “[i]t
23 does not constitute an admission by the District that there are vestiges of segregation that
24 remain in the District or that the obligations set forth herein are required to eliminate any
25 such vestiges that may exist.” (District Objection (Doc. 1407) at 24.) “Instead it represents
26 an agreement that, if the District implements the [] USP for the period of time set forth
27

1 therein, it will have eliminated any vestiges that may exist and that it will achieve unitary
2 status at the end of that time period.” *Id.* While the Court agrees with the latter statement,
3 it does not agree with the former.

4 The District argues that while it stipulates to these provisions being in the USP, they
5 are not required to remedy any constitutional violations found to exist in TUSD. According
6 to the District, the only findings of fact and conclusions of law establishing the constitutional
7 violation at issue in this case were those dated June 4, 1978. The District argues that even
8 the 1978 Stipulation was unsupported by findings of fact linking it to any constitutional
9 violation. This is an old argument seen and rejected by this Court in 2006, when this Court
10 issued the Order defining the scope of the unitary status proceeding it was then undertaking.
11 (Order (Doc. 1119), 2/7/2006, at 4.) Again, this Court finds for the record that Judge Frey’s
12 findings of fact and conclusions of law fully supported the remedial measures set out in the
13 1978 Stipulation.

14 The Ninth Circuit’s ruling on July 19, 2011, established unequivocally that the
15 District has not attained unitary status. Relying on the findings of fact made by this Court,
16 Order filed 8/21/2008 (Doc. 1239) and Order filed 4/24/2008 (Doc. 1270), the Ninth Circuit
17 reversed this Court’s finding that unitary status was attained and found the contrary because:
18 the “District failed the good faith inquiry *and* [this Court’s findings] raised significant
19 questions as to whether the District had eliminated the vestiges of racial discrimination to the
20 extent practicable . . .” (Mendoza Response Objection (Doc. 1413) at 1 (citing *Fisher*, 652
21 F.3d at 1140) (emphasis in original).

22 In October 2011, the parties provided briefs concerning their positions as to whether
23 partial withdrawal of judicial review was appropriate in this case. The District took the
24 position that it is appropriate to withdraw oversight regarding three *Green* factors: facilities,
25 extra-curricular activities, and transportation, except as it relates to student assignment. The
26 District focused on these three factors because they were not included in the original 1978
27

1 Stipulation as areas requiring a constitutional remedy. (TUSD Memo (Doc. 1332) at 2.)

2 The Plaintiff-intervenors correctly noted that this Court “has repeatedly held the
3 District has failed to eliminate the vestiges of past discrimination with respect to student
4 assignment, faculty assignment and hiring, transportation and facilities. (P-Intervenor Memo
5 (Doc. 1337) at 5) (citing 2008 Orders and 2006 Order (Doc. 1119). As noted by the
6 Plaintiffs Mendoza, it would be error for the Court to adopt the District’s assertion that
7 certain *Green* factors are not at issue in this case now because they were not at issue in 1978.
8 (Mendoza Memo (Doc. 1330) at 2-3, n.4), *see also* (Fisher Memo (Doc. 1328) at Table 1:
9 Factors relevant to unitary status determination identified by supporting authority).

10 Given the express directive of the court of appeals that this Court, upon remand,
11 shall consider all of the *Green* factors, including quality of education, *Fisher*, 652 F.3d at
12 1144, this Court finds them all at issue now. The Plaintiffs do not have to establish that
13 vestiges of discrimination remain for every *Green* factor to warrant redress. The burden is
14 on the Defendant to establish that the vestiges of discrimination resulting from the prior dual
15 school system have been eradicated to the extent practicable. *Freeman*, 503 U.S. at 494.
16 Accordingly, until unitary status is attained, the District has the burden of proving that racial
17 imbalances and inequities within the school system are not related proximately to the prior
18 violation. *Id.*

19 At this point in the game, it is a two-pronged related inquiry: 1) whether the District
20 has complied in good faith with the desegregation decree since it was entered, and 2) whether
21 the District has eliminated the vestiges of the past discrimination that was the subject of the
22 action to the extent practicable. Especially, in this case where the span of time for analysis
23 is approximately 35 years, whether the vestiges of the past discrimination identified in 1978
24 have been eliminated to the extent practicable hinges in large part on whether the District
25 complied in good faith with the remedial plan set out in the 1978 Stipulation. This question
26 has been unequivocally answered in the negative. On remand, no further findings of fact

1 regarding constitutional violations are necessary to warrant the imposition by this Court of
2 an updated plan to attain unitary status.

3 This brings the Court to the next question of whether any *Green* factor may be
4 omitted from the USP, i.e., whether there should be partial withdrawal of judicial control for
5 any *Green* factor. First, the Court notes that the parties' own stipulated plan to attain unitary
6 status addresses all the *Green* factors, including provisions aimed at improving quality of
7 education. The proposed USP is a comprehensive plan drafted with the assistance of a
8 Special Master,⁶ counsel for all parties, the Plaintiff-intervenor (the United States Department
9 of Justice, Civil Rights Division), and several experts⁷ including District staff. Second, the
10 Court notes that the District has not moved for partial withdrawal and has not objected to the
11 inclusion of provisions related to transportation, extra-curricular activities, and facilities—the
12 three areas where it asserts it has attained unitary status. The Court finds that the *Green*
13 factors addressed in the proposed USP are interrelated and interdependent, forming a
14 comprehensive plan such that partial withdrawal of judicial oversight as to any *Green* factor
15 is inappropriate.

She has served as Special Master in the San Jose (CA) school desegregation suit.

1 Furthermore, the Court finds that supervision may not be withdrawn over any *Green*
2 factor because at this point in time the Court cannot find full and satisfactory compliance in
3 these areas. As evidenced by their inclusion in the proposed USP, there is room for
4 improvement as to all *Green* factors. The Court finds that supervision may not be partially
5 withdrawn for any *Green* factor because the USP is a comprehensive interrelated and
6 interdependent plan and, therefore, judicial control over all *Green* factors is necessary and
7 practicable to achieve compliance with all facets of the school system. The Court finds that
8 supervision may not be partially withdrawn for any *Green* factor because the District failed
9 to demonstrate to the public and to the parties and students of the once disfavored races and
10 ethnicities its good faith commitment to the whole of the 1987 Stipulation and to those
11 provisions of the law and the Constitution that were the predicate for judicial intervention.

12 **C. Arizona's Motion to Reconsider Intervention and Objection to USP**

13 There has been no significant change in circumstances to warrant reconsideration.
14 There is no manifest injustice caused by this Court's denial of intervention.

15 The State of Arizona submits there is a significant change in circumstances because
16 the District has withdrawn its objection to including the MAS program in the USP, and if the
17 Court reinstates MAS courses, it is unable to appeal the decision unless it is a party-
18 intervenor.

19 Undisputably, there is one significant difference since the Court ruled to deny
20 intervention by the State of Arizona. The USP has now been drafted by stipulation of the
21 parties. Section V, Quality of Education, includes subsections as follows: A) Access to and
22 Support in Advanced Learning Experience, B) OELAS Extension, C) Dual Language
23 Programs, D) Student Engagement and Support, E) Maintaining Inclusive School
24 Environments, and F) Reporting.

1 **a. Subsection D, Student Engagement: Culturally Relevant Courses**

2 The purpose of subsection D, Student Engagement and Support, is to improve the
3 academic achievement and educational outcomes of the District's African American and
4 Latino students, using strategies aimed at closing the achievement gap and eliminating the
5 racial and ethnic disparities for these students in academic achievement, dropout and
6 retention rates, discipline, access to advanced learning experiences, and any other areas
7 where disparities and potential for improvement exists. The proposed USP calls for six
8 transformative strategies designed to change the educational expectations of and for African
9 American and Latino students. The strategies engage these students in the academic
10 curriculum by adopting culturally responsive teaching methods that encourage and strengthen
11 their participation and success and provide necessary student support services to allow them
12 to improve their educational outcomes. (Proposed USP (Doc. 1411) § V(D)(1).)

13 Subsection D includes the following strategies: Academic and Behavioral Supports
14 Assessment and Plan, Dropout Prevention and Retention Plan, Personnel and Professional
15 Development, Engaging Latino and African American Students, and Services to Support
16 African American and Latino Student Achievement. (Proposed USP (Doc. 1411) at V(D)
17 (2)-(7).)

18 The State objects to subsection D(6), Engaging Latino and African American
19 Students, only as to the Latino students.

20 The District shall continue to develop and implement a multicultural
21 curriculum for District courses which integrates racially and ethnically
22 diverse perspectives and experiences. The multicultural curriculum shall
23 provide students with a range of opportunities to conduct research and
24 improve critical thinking and learning skills, create a positive and inclusive
25 climate in classes and schools that builds respect and understanding among
26 students from different racial and ethnic backgrounds, and promote and
27 develop a sense of civic responsibility among all students. All courses
28 shall be developed using the District's curricular review process and shall
meet District and state standards for academic rigor. The courses shall be
offered commencing in the 2013-2014 school year.

26 *Id.* at (6)(i).

1 By the beginning of the 2013-2014 school year, the District shall develop
2 and implement culturally relevant courses of instruction designed to reflect
3 the history, experiences, and culture of African American and Mexican
4 American communities. Such courses of instruction for core English and
5 Social Studies credit shall be developed and offered at all feasible grade
6 levels in all high schools across the District, subject to the District's
7 minimum enrollment guidelines. All courses shall be developed using the
8 District's curricular review process and shall meet District and state
9 standards for academic rigor. The core curriculum described in this section
10 shall be offered commencing in the fall term of the 2013-2014 school year.
11 The District shall pilot the expansion of courses designed to reflect the
12 history, experiences, and culture of African American and Mexican
13 American communities to sixth through eighth graders in the 2014-2015
14 school year, and shall explore similar expansions throughout the K-12
15 curriculum in the 2015-2016 school year.

16 *Id.* at (6)(ii).

17 In withdrawing its objection to these courses being developed as core courses, the
18 District clarifies that the Governing Board passed a motion on January 8, 2013, "Designating
19 a course as a core course means that passing the course will satisfy requirements for
20 graduation. It does not mean that all students must take the course; culturally relevant
21 courses will remain optional." (Notice of Withdrawal of Objection (Doc. 1421), Ex. A:
22 Agenda Item 9.)

23 The Court notes that the State's objection is not substantive in respect to subsection
24 (i), which provides for the development of multicultural curriculum to integrate racially and
25 ethnically diverse perspectives into standard core courses taught to all students, such as social
26 studies or English. The State's challenge is aimed at subsection (ii), which provides for the
27 development of culturally relevant courses. The State treats this provision as calling for
28 reinstatement of MAS courses which were terminated pursuant to the State's decision that
they violated A.R.S. § 15-112. Since then, no MAS courses are being offered in TUSD. The
first step called for in the proposed USP is course development. Only then will the State be
in any position to determine whether the culturally relevant courses, developed pursuant to
the USP, violate state law.

b. MAS Courses

Arizona law, A.R.S. § 15-112, provides: “A school district or charter school in this state shall not include in its program of instruction any courses or classes that include any of the following:

- 1. Promote the overthrow of the United States government;
- 2. Promote resentment toward a race or class of people;
- 3. Are designed primarily for pupils of a particular ethnic group, and
- 4. Advocate ethnic solidarity instead of the treatment of pupils as individuals.

The Court considers the State’s objections to the USP proposed by the parties, § V(D)(6). The State argues that if the Court adopts this section “there is a real possibility that the supporters of the illegal, biased, political, and emotionally charged MAS program that promoted social and political activism against ‘white people’ and fomented racial resentment, will have used a federal court-sanctioned avenue to resurrect this illegal course of instruction.” (State Response Objection (Doc. 1414) at 2.) The State asks the Court to disregard the several hundred comments from members of the general community that MAS courses have merit as “mere solicitations by advocates for the illegal MAS program.” *Id.* The State believes that the likely result of the USP will be another program that is as “racismized” as the prior MAS program. *Id.*

The Court finds that the MAS courses, which were terminated subsequent to the administrative decision issued by the State that they violated A.R.S. § 15-112, are not at issue in this case. They have been discontinued. The culturally relevant courses called for in the USP shall be designed to reflect the history, experiences, and culture of African American and Mexican American communities and will have to be approved through the District’s normal curriculum review process, including approval by the TUSD Governing Board, and evaluated to ensure they align with state curriculum standards before being offered in TUSD.

1 (Proposed USP (Doc. 1411) § V(D)(6)(a)(ii); (SM Recommendation, SM USP, Addendum
2 A at 61.)

3 The State does not dispute the merits of culturally relevant courses to improve
4 academic achievement for minority students. The Special Master reports that two studies of
5 the MAS courses have been conducted. The first, the Cambium Report, commissioned by
6 the State in 2011, found the courses to be rigorous and that students were held to high
7 standards of performance. (SM Recommendation, SM USP, Addendum A at 61.) The
8 second study was commissioned by the Special Master and conducted *pro bono* by experts
9 from the University of Arizona: the Carbrera study. The Special Master concluded that both
10 studies suggest that students who took the MAS courses were more likely to graduate from
11 high school on time and to pass state achievement tests than similarly situated peers. *Id.*
12 Some have challenged these studies as “weak,” for various reasons, (Doc. 1429: Stegeman
13 letter), but they are at least some evidence supporting the proposed culturally relevant
14 courses.

15 Other studies and a substantial body of research by sociologists and psychologists
16 show that ““strengthening pride in one’s race and ethnicity, particularly for disadvantaged
17 groups, is related to positive intergroup attitudes as well as to academic achievement.”” (SM
18 Recommendation, SM USP, Addendum A at 62 (citing Melanie Killen, Professor of
19 Educational Psychology and Psychology at the University of Maryland and a Fellow of both
20 the American Psychological Association and the Association for Psychological Science)).
21 The Special Master explains that people who understand how discrimination has undermined
22 their opportunities are less likely to discriminate against others and “can dismiss negative
23 stereotypes as constraints on their own success.” *Id.* at 62-63.

24 The Court believes that including culturally relevant courses in the USP affords the
25 parties an opportunity to continue to study the affects of these types of classes on student
26 achievement. The Court urges the parties, the District, including the TUSD Governing
27

1 Board, to work together to identify study criteria that will make the next round of reports
2 more meaningful and more determinative. Based on the evidence before it at this time, the
3 Court finds that the evidence which does exist supports including culturally relevant courses
4 in the USP as one way to improve student achievement.

5 The State does not appear to argue any and all culturally relevant courses will
6 necessarily violate A.R.S. § 15-112 because it does not object to culturally relevant courses
7 for African American students. (Proposed USP (Doc. 1411) § V(6).) Instead, the State
8 argues that the MAS courses segregated students by race and were designed only for
9 Mexican American pupils. The State implies that the MAS courses were so hostile towards
10 “white people” that only Mexican American students would enroll in them. Again, the Court
11 declines to address the constitutionality of either the statute, its interpretation, or its
12 implementation to preclude such courses. That case is before the Honorable A. Wallace
13 Tashima, *Acosta et al. v. Huppenthal et al.*, CV 10-623 TUC AWT.

14 The State, like the Plaintiffs, must set aside what has occurred in TUSD in the past
15 and assume, as does this Court, that the USP will be implemented in good faith by the
16 District. The State is free to monitor the development of the culturally relevant courses and
17 their implementation. The State is free to enforce its laws as it did in 2011 when it took
18 action against TUSD for the MAS courses, if it believes any culturally relevant courses
19 developed and implemented in TUSD violate state law.

20 The Court does not exceed its authority by approving and adopting the USP,
21 containing curricular provisions, (United States (DOJ) Response Objection (Doc. 1416) at
22 3-5) (citations omitted). By adopting the USP § V(6), this Court is not approving nor
23 adopting any specific culturally relevant course. This Court’s ruling does not override State
24 law, and even if it did– the Supreme Court has held that state laws cannot be allowed to
25 impede a desegregation order. *See e.g., N.C. Bd. of Educ. v. Swann*, 402 U.S. 43, 45 (1971)

1 (if state law operates to inhibit or obstruct the operation of a unitary school or impede the
2 disbanding of a dual school system, it must fall).

3 The Court reaffirms its decision to deny the intervention of the State of Arizona in
4 this action. The State has not satisfied the criteria for intervention as a right. Federal Rule
5 Civil Procedure 24(a)(2) provides for intervention of right when the applicant establishes the
6 following: 1) the intervention is timely; 2) the applicant's interest relates to the property or
7 transaction involved in the pending law suit; 3) disposition of the lawsuit may adversely
8 affect the applicant's interest unless intervention is allowed, and 4) the existing parties do not
9 adequately represent the would-be intervenor's interest.

10 While the request is timely in respect to the State's ability to affect the terms and
11 provisions contained in the USP, the Court finds there is no issue ripe for resolution until the
12 culturally relevant courses are developed. Intervention is not necessary for the State to
13 enforce its laws. The State's ability to withhold 10% of state funding from TUSD is a
14 powerful weapon at the State's disposal to ensure that TUSD complies with state law. The
15 Court finds that the District has adequately represented the State's interest in enforcing
16 A.R.S. § 15-112. In the face of strong public support from members of its community for
17 MAS courses, the Governing Board voluntarily terminated the MAS courses, subsequent to
18 the decision by the State that they violated state law. The District chose to comply with
19 directives from the State rather than the Post Unitary Status Plan, a federal court order.
20 Finally, the Court finds that the State's interest relates to the USP in only a small way.
21 Culturally relevant courses are one strategy aimed at only one *Green* factor: student
22 achievement. While the MAS courses are a weather vein for controversy in the community,
23 including the culturally relevant courses in the proposed USP was not. All the parties
24 stipulated to including culturally relevant courses in the curriculum as a meritorious strategy,
25 fully supported by the experts and the Special Master, to improve the academic performance
26 of minority students. The Court denies the State's request to intervene as a right.

1 The Court also denies permissive intervention, pursuant to subsection 1 of Rule
2 24(b), which the Court may grant at its discretion if: 1) there is an independent ground for
3 jurisdiction; 2) the application is timely, and 3) there is a common question of law and fact
4 between the State's claim and the main action. In exercising discretionary intervention, the
5 Court must consider "whether the intervention will unduly delay or prejudice the
6 adjudication of the original parties rights." Fed. R. Civ. P. 24(b)(3).

7 As this Court held on June 14, 2012, when it denied the State's Motion to Intervene:
8 "Importantly, intervention by the State in this one issue will unduly delay and prejudice the
9 adjudication of the rights of the existing parties who have waited over 30 years for the
10 formulation of a comprehensive plan to eliminate, 'root and branch,' the vestiges of the
11 segregation that occurred in the TUSD four decades ago by bringing equal educational
12 opportunities to minority students in the TUSD." (Order (Doc. 1375) at 6.)

13 The Court concludes that there has been no significant change in circumstances to
14 warrant reconsideration of the intervention question. There is no manifest injustice caused
15 by this Court's denial of intervention. Furthermore, the Court believes that the State's
16 appearance by *amici* may also be concluded. The State shall show good cause why its status
17 as *amici* should not be ended now that it has had an opportunity to present its objections to
18 including culturally relevant courses in the USP. The State should show cause why the
19 normal avenues available to it to enforce its laws are not sufficient means by which it may
20 protect its interests here.

21 **D. Objections to USP: Consent Decree**

22 As previously noted, in large part the parties stipulated to the provisions included in
23 the Jointly Proposed USP. Since filing the USP, the parties have agreed that to allow for
24 flexibility in certain deadlines, language should be added to § I(D) as follows:

25 The Parties and the Special Master shall review all of the deadlines for
26 hiring/assignment and professional development and, to the extent
27 appropriate, revise these deadlines to ensure the recruitment and
28 hiring/assignment of the best qualified candidates, and the involvement of

1 the newly hired/assigned employees in the creation of professional
2 development plans. If the Parties and the Special Master cannot agree on
revised time lines, the dispute shall be presented to the Court as set forth in
3 Section I(D)(1).

4 (District Response Objection (Doc. 1412) at 3-4.)

5 The Court has considered the initial proposed USP, with noted objections (Doc.
6 1406) and Memoranda of Objections by the District (Doc. 1407), the Mendoza Plaintiffs
7 (Doc. 1408), and the State of Arizona (Doc. 1409); the final proposed USP, filed subsequent
8 to public comments⁸ (Doc. 1411) and final Response Objections by TUSD (Doc. 1412),
9 Mendoza Plaintiffs (Doc. 1413), Fisher Plaintiffs (Doc. 1415), the United States (Doc. 1406),
10 the State (Doc. 1414) and the State's Second Motion for Reconsideration of Intervention to
11 the extent it addressed the merits of the culturally relevant courses proposed in the USP (Doc.
12 1418); the Special Master's recommendations made to the Court on December 22, 2012, the
13 parties' responses to those recommendations and the Special Master's replies.⁹

14 In an effort to rule expeditiously to adopt the USP so as to not jeopardize deadlines
15 in the USP, which are fast approaching, the Court does not discuss every argument related
16 to every objection, except where necessary to note those rejected or to resolve a disputed area
17 of the consent decree. The parties did an excellent job of presenting their arguments. The

22 ⁹The Special Master placed his recommendations in the side margins of the proposed
23 USP adjacent to each objection and attached the annotated USP, plus three addendums to a
24 cover letter which he addressed to this Court on December 22, 2012. The Court shall direct
25 the Clerk of the Court to file these documents as the Special Master's Recommendation,
26 simultaneously with the filing of this Order. The parties sent responses regarding these
27 recommendations to the Special Master and this Court. He replied and provided both to the
Court. These documents shall be filed into the record as: Special Master Recommendation,
Attachments USP Special Master Comments, addendums 1-3, and parties' Responses/Special
Master Replies.

1 Court has identified each objection which needs to be resolved and ruled expressly to resolve
2 each objection.¹⁰

3 The Court turns to the areas in the USP where there were objections: § II Student
4 Assignment; § IV Administrators and Certified Staff; § V Quality of Education; § VI
5 Discipline; § VIII Extracurricular Activities, and § X Accountability and Transparency.

6 **a. § II: Student Assignment**

7 Without making a formal objection to § II(C)(1) and (2), Student Assignment
8 Personnel: Director of Student Assignment and Magnet Strategy and Operations, the Fisher
9 Plaintiffs note that the USP potentially establishes approximately twenty new administrative
10 positions and asks that administrative positions created, staffed and funded under the USP
11 should be integral to the desegregation process and supplement rather than supplant already
12 existing positions. The Fisher Plaintiffs suggest certain reporting criteria which would assist
13 in tracking the link between staff, responsibilities, and funding sources. The Court directs
14 the Special Master to consider the suggestions made by the Fisher Plaintiffs as he moves
15 forward with developing the financial plan for the USP. (Fisher Objection (Doc. 1415) at
16 5.)

17 **Comment [A1] and [A2]¹¹:Fisher Plaintiffs Request for specific goals to be**
18 **established in the USP.**

19 The Fisher Plaintiffs object to § II(E)(3) and (4), Magnet Programs: Magnet School
20 Plan, and argue that this section should set more frequent and specific goals for the magnet
21 school evaluation process. In response to their concerns, the Special Master explains that the
22 USP embodies what organization psychologists call the expectancy theory of motivation.

24 ¹⁰The Special Master notes a typo at § II(E)(2), (SM Recommendation, USP SM
25 Comment [A1]), which should be corrected in the USP.

26 ¹¹These Comment numbers are from the proposed USP attached as Exhibit A to the
27 Stipulation of the Parties Regarding the Filing of the Joint Proposed Unitary Status Plan
Noting Areas of Party Disagreement (Proposed USP (Doc. 1411).)

1 It calls for those responsible for a given action, usually the District, to develop goals for each
2 different situation, make those goals public, and evaluate whether the goals are achieved.
3 If not, the District is expected to identify necessary program or personnel changes or
4 improvements. (Special Master’s (SM) Recommendation at iii.) Should the District fail
5 over the coming year to develop goals acceptable to the Fisher Plaintiffs, they are encouraged
6 to raise their concerns with the Special Master or this Court.

7 Specifically in response to the Fisher Plaintiffs’ request for a goal to be set related
8 to the Magnet School Plan, the Special Master proposes adding additional language in ¶ 3,
9 as follows: “and, (v) identify goals to achieve the integration of each magnet school which
10 shall be used to assess the effectiveness of efforts to enhance integration.” The Special
11 Master explains that this language is not duplicative of and is consistent with other goal
12 oriented language found in other areas of the USP. He believes the USP should contain
13 explicit language about setting goals for each school and addressing the expectation of
14 annual assessments of progress in attaining those goals. This allows individual schools to
15 assess their progress, and the Court notes that the language will enable the District, as well,
16 to make such individualized assessments. (SM Recommendation at iii, USP SM Comments
17 [A3][A4] at 9-10); SM Reply to TUSD, Mendoza, and DOJ Response to Recommendation.)
18 The Special Master recommends that the language, “to the extent practicable,” in paragraph
19 4 be retained. (SM Recommendation, USP SM Comment [A6] at 10.) The Court adopts this
20 recommendation and the recommended language for ¶ 3(v).

21 The Special Master also recommends changing the date “2015-2016” in § II(E)(5)
22 through which the District is obligated to apply for Federal Magnet School Funding to
23 “2016-2017,” which coincides with the date for attaining unitary status in § X of the USP.
24 *Id.* SM Comment [A7] at 10. The Court adopts this recommendation.

Comment [A3]:District objects to 50 % criteria for Magnet School Plan.

Subsection G, Application and Selection Process for Magnet Schools and Programs and for Open Enrollment, addresses oversubscribed schools and requires “the District [] as part of the Magnet School Plan to develop an admissions process – i.e., weighted lottery, admission priorities, which takes account of [certain specified] criteria,”(Proposed USP (Doc. 1411) § II(G)(2)(a) including students residing within a designated preference area. The proposed USP specifies: “No more than 50% of the seats available shall be provided on this basis.” *Id.* The District objects to the 50% limitation as too limiting and argues that while it may work in some magnet schools it could hamper the District’s flexibility in creating and implementing the Magnet School Plan. (District Objection (doc. 1407) at 11.)

All the Plaintiffs and the Special Master support the 50% criteria. The Special Master explains there is a problem integrating the magnet schools because they are in many cases, effectively neighborhood schools, with students in their attendance area having preference for admission. (SM Recommendation, USP SM Comment [A9].) The District explains that going back to 1978, “the goal of the student assignment plans was to maintain, to the extent possible, the District’s neighborhood school system.” (District Objection (Doc. 1407) at 9.) However, going back to 2005, the Independent Citizens’ Committee (ICC), a citizen committee charged with tracking the desegregation efforts in TUSD, filed a compliance report, which noted that magnet schools were disproportionately minority because magnet schools were disproportionately located west of Alvernon Way where Tucson’s minority populations disproportionately reside. (Mendoza Response Objection (Doc. 1413) at 5; Mendoza Response to Recommendation) This disproportionately limits magnet school opportunities for Latino students who live outside the attendance zone.

The Court realizes that any limit on neighborhood enrollment will raise the charge that Latino students are being denied the opportunity to attend quality magnet programs in their own neighborhoods. As well, the Court realizes that the burden of being transported

1 to school outside your immediate neighborhood is more heavily born by the minority
2 students in TUSD. The Court believes, however, that both these concerns must be balanced
3 against the interest of integration for all minority students, which is done by establishing the
4 50% criteria in the USP and supported by all the Plaintiffs. The Court adopts the
5 recommendation of the Special Master to retain the 50% criteria, with the understanding that
6 the Magnet School Plans will take into account the transportation burdens being incurred by
7 the students, including the distance and time spent traveling to and from school.
8 Additionally, the District should at last address the issue raised by the ICC in 2005, regarding
9 the strategic placement of magnet schools in its ongoing efforts under the USP to desegregate
10 TUSD.

11 **b. § IV: Administrators and Certified Staff**

12 **Comment [A4]: Fisher Plaintiffs object to the Labor Market Study**
13 **commissioned by the District; Comment [A5]: District objects to financial support**
14 **requirement in “growing your own” plan.**

15 The Jointly Proposed USP calls for the District to enhance the racial and ethnic
16 diversity of its administrators and certified staff through its recruitment, hiring, assignment,
17 promotion, pay, demotion, and dismissal practices and procedures. (Proposed USP (Doc.
18 1411) § IV(A)(1).) To accomplish this, the USP calls for outreach and recruitment for all
19 employment vacancies on a nondiscriminatory basis. (Proposed USP (Doc. 1411) §
20 IV(C)(1).) “The District has hired an outside expert to undertake a Labor Market Analysis
21 to determine the expected number of African American and Latino administrators and
22 certificated¹² staff in the District, based on the number of African American and Latino
23 administrators and certificated staff in the State of Arizona, in a four-state region, a six-state
24 region and the United States. The Special Master and Plaintiffs shall have until February 1,

25
26 ¹²“Certificated Staff” refers to personnel who, at minimum, hold a professional
27 certificate issued by the State and are employed in a position where such certification is
required. (Proposed USP (Doc. 1411), Appendix A: Definitions ¶ 5.)

1 2013 to review the Labor Market Analysis and present any objections to request any
2 additional data or analysis the Parties or the Special Master may deem relevant.” (Proposed
3 USP (Doc. 1411) § IV(C)(2).) In addition to the general objection to the February 1-
4 deadline, the Fisher Plaintiffs challenge the Labor Market Study commissioned by the
5 District and ask that it be set aside, and ask that the Special Master commission a Labor
6 Market Study from an independent source.

7 The Fisher Plaintiffs also object to the District’s reliance on the Labor Market Study
8 to assert that in adopting a “grow your own” program, pursuant to subsection I, Professional
9 Support, the District should not be required to provide financial support to enable current
10 Latino and African American employees to secure the required certifications to become
11 administrators. (Proposed USP (Doc. 1411) § IV(I)(3).) The District argues that the Labor
12 Market Study shows by every possible measurement that the District has more Latino
13 administrators and certificated staff than would be expected, which when combined with the
14 lack of any finding of a constitutional violation and the limited obligations of the 1978
15 Stipulation, does not support a remedy of financial support for Latino and African American
16 employees to secure additional degrees or certifications. (District Objection (Doc. 1407) at
17 12-13.)

18 The District has not sought partial withdrawal of judicial oversight nor requested a
19 partial finding of unitary status in regard to the *Green* factor: administrative and certified
20 staffing. Instead, the District has agreed to undertake efforts to recruit and grow their own
21 African American and Latino administrators and certificated staff. The Court does not
22 consider whether the Labor Market Study supports a finding that vestiges of past
23 discrimination remain in regard to administrative and certified staffing. The Court instead
24 considers whether or not the Labor Market Study is adequate to meet the needs of the USP
25 or if it should be set aside.

1 The Special Master has recommended retaining the language referencing the Labor
2 Market Study in subsection C, Outreach and Recruitment ¶ 2, which the Fisher Plaintiffs find
3 objectionable, because the provisions of the plan are not dependent on the findings of the
4 study though the findings will have an effect on how one assesses the effectiveness of the
5 District's efforts to further recruit African American and Latino professional staff. He
6 submits that it remains to be determined, once the Plaintiffs and he have an opportunity to
7 review the Labor Market Study, whether it is inadequate. (SM Recommendation, USP SM
8 Comment [A10] at 16); (SM Reply to Fisher Response to Recommendation.) The Special
9 Master recommends deleting the language calling for review of the Labor Market Study by
10 February 1, 2013, with the understanding that the parties and he will make any objections to
11 the adequacy of the study when the District submits its recruitment plan. In other words, the
12 Labor Market Study may be evaluated in the context of the proposals being made by the
13 District. *Id.*

14 The Court finds that while preliminary review and comment by the Plaintiffs to the
15 District regarding their opinions regarding the sufficiency of the Labor Market Study, the
16 adequacy of the study cannot be fully determined until it is known how the District uses it,
17 i.e., what conclusions the District draws from it. The Court adopts the Special Master's
18 recommendation to retain the provision allowing the District to assess the effectiveness of
19 its outreach and recruitment plan based on the challenged Labor Market Study and to delete
20 the deadline for review and objections to be made to the study. The Court agrees with the
21 Special Master that review and objections regarding the adequacy of the Labor Market Study
22 are better made at the time the District proposes to rely on it.

23 The Special Master correctly notes that in subsection I, Professional Support ¶ 3, the
24 District is not "required" to provide financial support as part of any "growing your own"
25 method adopted by the District to increase the number of African American and Latino
26 principals, assistant principals, and District Office administrators. The proposed USP
27

1 requires the District’s “growing your own” plan to include the *possibility* of financial support
2 to enable these employees to receive the required certifications and educational degrees and
3 educational degrees needed for such promotions. *Id.* at 22. The Court adopts this
4 recommendation.

5 **Comment [A6]: District objects to Professional Development including a**
6 **special plan for educators working with ELL students.**

7 The District argues that subsection J, Professional Development, which provides for
8 a training plan to ensure that all staff are provided copies of the USP and trained regarding
9 its elements and requirements, overreaches because ¶ 3(b)(vii) requires the District to
10 develop a district-wide professional development plan for all educators working with English
11 Language Learner (ELL) students. The District argues this is outside the scope of this case
12 because the 1978 Stipulation contained only one obligation with respect to “bilingual”
13 education, and that was to get parental consent before placing a student in a bilingual class.
14 (District Objection (Doc. 1407) at 15.) Even if the Court assumed the bilingual education
15 program in 1978 was the equivalent of today’s ELL program, the Court ruled in 2008 that
16 it “would not limit its inquiry to only the express terms of the Settlement Agreement because
17 over the ... 27 years [the Agreement was in place] the parties have interpreted the Settlement
18 Agreement to reach a broad array of programs.” (Order (Doc. 1270) at 5.)

19 As noted by the Mendoza Plaintiffs in the 2008 Annual Report that the District
20 prepared to catalogue its activities under the Settlement Agreement it listed: at Cragin, a new
21 program called Avenues described as a language program for ELL students; at Manzo, a new
22 ELL tutoring program; at Maxwell, a “CompEd” program described as after school tutoring
23 for ELL students; at Tully, a focus on all ELL strategies to be implemented in the classroom.
24 (Mendoza Response Objection (Doc. 1413) at 7-8 (citing 2008 Annual Report (Doc. 1266)
25 at Exhibit D).) “Further, and of particular relevance given the District’s objection, the
26 Annual Report includes a list of in-service training programs . . . required [] for all District
27
28

1 employees involved in implementing the Agreement. According to the Annual Report, those
2 programs included the following: at Borton, ELL Avenues workshop; SEI endorsement
3 training; ELL summer school training; at Howell, guidelines for grading ELL's; at Roskrige:
4 vocabulary development strategies (ELL strategies) and dual language model (best
5 practices); at Tully, effective reading for ELL's; at Whitmore, math interventions – ELL
6 support.” *Id.* at 8 (citing TUSD 2008 Annual Report (Doc. 1266)).

7 More importantly, in 2008, this Court ruled that student achievement was a relevant
8 measure of effectiveness and reviewed the scores of TUSD students of different racial and
9 ethnic groups on the AIMS test and found:

10 Most troubling are the low achievement rates by [ELL students] on the
11 Arizona Instrument to Measure Standards (AIMS) exam. From 2002
12 through 2004, ELL students failed the reading section of AIMS in grades 3,
13 5, 8, and 10 between 73 and 96%. Anglo student failure rate ranged from 20
14 to 42%. ELL students failed the mathematics section up to 98% as
compared to the highest percentage failure rate of 70% for Anglo students
in the 8th grade. Excluding the 8th grade, the highest percentage failure rate
for Anglo students was 56% in 10th grade math as compared to a 95%
failure rate for the ELL students.

15 *Id.* (citing Order (Doc. 1270) at 54-55) (citations omitted in original).

16 The Court will not limit the USP provisions addressing the needs of ELL students
17 to the bilingual education provision for parental notice contained in the 1978 Stipulation. The
18 Court turns to the District's other reasons for why there should not be a professional
19 development plan for educators working with ELL students.

20 The District explains that it has a Language Acquisition Department that is charged
21 with complying with various statutory obligations and Office of Civil Rights (OCR)
22 agreements related to ELL students. The District asserts that professional development
23 related to ELL students should be handled by the Language Acquisition Department. The
24 District argues that the question of what services should be provided to ELL students is
25 governed by the Equal Educational Opportunities Act and is the subject of another lawsuit,
26 *Horne v. Flores*, 129 S. Ct. 2579 (2009), remanded for further proceedings. (District
27

1 Objection (Doc. 1407) at 15-16.) Finally, the District argues that developing a plan for
 2 training educators working with ELL students will encompass all teachers since virtually
 3 every educator in TUSD is likely to work with one or more current or recently classified ELL
 4 student. (District Response Objection (Doc. 1412) at 11.)

5 Subsection J(3) provides:

6 The District shall ensure that all administrators, certificated staff, and
 7 paraprofessionals receive ongoing professional development, organized
 8 through the director of culturally responsive pedagogy and instruction and
 9 the coordinator of professional development, that includes the following
 10 elements; 1) The District's prohibitions on discrimination or retaliation on
 11 the basis of race and ethnicity; and 2) Practical and research-based
 12 strategies in the areas of: (i) classroom and non-classroom expectations; (ii)
 13 changes to professional evaluations; (iii) engaging students utilizing
 14 culturally responsive pedagogy, including understanding how culturally
 15 responsive materials and lessons improve students' academic and subject
 16 matter skills by increasing the appeal of the tools of instruction and helping
 17 them build analytic capacity; (iv) proactive approaches to student access to
 ALEs;¹³ (v) [] behavioral and discipline systems, . . . ; (vi) recording,
 collecting, analyzing, and utilizing data to monitor student academic and
 behavior progress, including specific training on the inputting and [using].
 . . the existing and amended data system; (viii) working with students with
 diverse needs, including ELL students *and developing a district-wide
 professional development plan for all educators working with ELL students*;
 and (viii) providing clear, concrete, . . . strategies for applying tools gained
 in professional development to classroom and school management,
 including methods for reaching out to network(s) of identified colleagues,
 mentors, and professional supporters to assist in thoughtful decision-
 making; and c) any other training contemplated herein.”

18 (Proposed USP (Doc. 1411) § IV(J)(3).)

19 The Special Master recommends retaining the challenged ELL language. He argues
 20 that culturally responsive pedagogy, approved by all parties, includes how teachers facilitate
 21 the learning of ELL students. (SM Recommendation, USP SM Comment [A15] at 24.)
 22 “Culturally responsive pedagogy refers to educational approaches and practices which center
 23 on the experiences and perspectives of diverse communities; create supportive and inclusive
 24 learning environments; utilize learner-centered approaches that emphasize students' cultural
 25

26 ¹³Advanced Learning Experiences, including Gifted and Talented (GATE) programs,
 27 Advanced Academic Courses (AACs) and University High School (UHS).

1 assets, backgrounds, social conditions, and individual strengths; and engage families as
2 partners.” (Proposed USP (Doc. 1411), Appendix A: Definitions ¶9.) The District currently
3 invests desegregation funds in ELL programs, and ELL students make up a substantial part
4 of the Latino student body. The provision is not aimed at language acquisition for ELL
5 students. Subsection J is aimed at professional development for teachers and the challenged
6 provision in ¶ 3 is one among many strategies to improve teacher-success. Given the large
7 amount of ELL students in TUSD and their substandard academic achievement, there is a
8 clear need for teachers to learn how to better teach ELL students. (SM Recommendation,
9 USP SM Comment [A15] at 24; see also Mendoza Response Objection (Doc. 1413) at 6-9.)

10 This Court agrees with the Special Master and the Mendoza Plaintiffs. The USP
11 should aggressively address how its ELL students are being taught, i.e., what techniques and
12 approaches teachers might adopt to enhance academic achievement for ELL students. The
13 Court believes the USP presents “the opportunity to have the professionals in the newly
14 created positions of director of culturally responsive pedagogy and instruction and
15 coordinator of professional development join forces to fashion a district-wide professional
16 development plan for all educators working with ELL students.” (Mendoza Response
17 Objection (Doc. 1413) at 6-9.) There is no reason for carving out educators working with
18 ELL students, especially if they are essentially all teachers in TUSD, from the professional
19 development provisions in the USP. There is no reason why professional development
20 related to the USP should be handled by the Language Acquisition Department, outside the
21 auspices of this case. Should there be problems in coordination between the Director of
22 Culturally Responsive Pedagogy and the Language Acquisition Department, waste due to
23 overlap, or any other unforeseeable problems, the District is urged to bring such problems
24 to the attention of the Special Master for resolution.

1 **c. § V: Quality of Education**

2 **Comments [A7][A9][A10]: Fisher and Mendoza Plaintiffs object to omission of**
 3 **specific goals for increasing ALE access and retention.**

4 The purpose of section V is to improve the quality of education for African
 5 American and Latino students and to ensure they have equal access to Advanced Learning
 6 Experiences (ALE) in TUSD. (Proposed USP (Doc. 1411) § V(A)(1).) Advanced Learning
 7 Experiences include Gifted and Talented (GATE) programs, Advanced Academic Courses
 8 (AACs) and University High School (UHS). AACs include Pre-Advanced Placement (Pre-
 9 AP) courses (Honors, Accelerated or Advanced) and middle school courses offered for high
 10 school credit; Dual-Credit courses, and International Baccalaureate (IB) courses. The
 11 Special Master recommends including Dual Language programs. The proposed USP
 12 provides for the District to hire or designate a Coordinator of ALE by April 1, 2013, and for
 13 the Coordinator to review and assess the existing ALEs, develop an access and recruitment
 14 plan, assist the district in its implementation and develop goals, in collaboration with relevant
 15 staff, for progress to be made. These goals shall be shared with the Plaintiffs and the Special
 16 Master and shall be used by the District to evaluate effectiveness. (Proposed USP (Doc.
 17 1411) § V(A)(2).)

18 Because the Court accepts the Special Master’s recommendation that the USP utilize
 19 the “expectancy theory of motivation” in respect to goal setting, the Court adopts the
 20 language proposed by the majority of the parties, over the Fisher Plaintiffs’ objection. (SM
 21 Recommendation, USP SM Comment [A17] at 26.) This does not foreclose the Fisher
 22 Plaintiffs from reurging the Court to adopt specific goals in the future should they believe
 23 that goals set pursuant to the expectancy theory of motivation are inadequate.

24 The goals sought by the Mendoza Plaintiffs are distinguishable. The Mendoza
 25 Plaintiffs ask the Court to require the ALE Coordinator to propose annual goals for GATE
 26 services and AACs to steadily increase the number and percentage of African American and
 27

1 Latino students, including ELL and exceptional (special education students). The Special
2 Master asserts that the goal setting requirement in subsection A(2)(a) addresses this concern,
3 (SM Recommendation, USP SM Comment [21]), but subsection A(2)(a) does not expressly
4 secure the annual setting of goals sought by the Mendoza Plaintiffs. The Court agrees with
5 the Mendoza Plaintiffs that annual goals should be set, but believes the requirement should
6 be included in subsection A(2)(a). The Court does not adopt the language proposed by the
7 Mendoza Plaintiffs. The Special Master shall add language in subsection A(2)(a) to make
8 it clear that developing goals, includes developing annual goals for improving access to ALE
9 programs.

10 **Comment [A11]: District proposes adding language referencing the Governing**
11 **Board’s role in approving admission procedures for University High School (UHS).**

12 Subsection A, Access to and Support in Advanced Learning Expectations, includes
13 UHS Admissions and Retention and calls for review and revision of the process and
14 procedure used to select students for admission to UHS. (Proposed USP (Doc. 1411) §
15 V(A)(4).) The District asks that the requirement for it to consult with Plaintiffs and the
16 Special Master during drafting of the revised UHS admission procedures be prior to
17 “adoption by the Governing Board” and implementation of the revised admission procedures.
18 As noted by the Special Master, there is no need to specify the role of the Governing Board
19 in respect to admission and retention procedures for UHS. (SM Recommendation, USP SM
20 Comment [A26].) It goes without saying that many provisions in the USP call for Board
21 approval, and logically the timing for the District to consult with the Plaintiffs and Special
22 Master is prior to submitting an issue to the Governing Board for approval and
23 implementation. Nothing in the USP negates the Governing Board’s jurisdiction or
24 responsibilities in regard to UHS or any other school in TUSD.

1 **Comments [8] and [12]: Mendoza Plaintiffs propose adding provisions to**
2 **require review and monitoring of Exceptional/Special Education placement, including**
3 **ELL students.**

4 The Mendoza Plaintiffs raise a long held concern, initially raised by the ICC, that
5 the flip-side to under-representation by minority students in ALEs may be over-
6 representation by minority students as special education students. (Mendoza Objection (Doc.
7 1408) at 5 (citing Order (Doc. 1270), 4/24/2008 at 24-25, 27.) The Government suggests
8 that the Mendoza Plaintiffs' concerns are addressed in subsection E, Maintaining Inclusive
9 Environments, ¶ 1, which requires the District to not assign students to classrooms or
10 services in a manner that impedes desegregation. As noted by the Special Master, the
11 Government may read this section as applying to special education, but others may not.
12 (Reply to DOJ Response to Recommendation.)

13 The Mendoza Plaintiffs' concern that minority students are over-represented in
14 special education classes is not limited to preventing segregation. As the Court understands
15 it, the Mendoza Plaintiffs are concerned that these students may be incorrectly perceived and
16 treated as special need students and, therefore, placed unnecessarily in exceptional (special)
17 education classes. This affects student achievement, which is a quality of education concern.
18 The Court adopts the Special Master's recommendation to include an additional subsection
19 in Section V, as follows:

20 The District shall review its referral, evaluation and placement policies and
21 practices on an annual basis to ensure that African American and Latino
22 students, including ELL students, are not being inappropriately referred,
evaluated or placed in exceptional (special) education classes or programs.

23 (SM Recommendation, SM USP Comment [A28] at 31; Proposed USP (Doc. 1411) at
24 Comment [A12].)

25 In an effort to address special data collection and reporting needs related to assessing
26 whether there is over-representation of minority students in exceptional (special) education
27 classes, the Mendoza Plaintiffs suggest adding "special education/exceptional education

1 status” as an assessment criteria under subsection A(2)(b), which covers ALE program
2 assessments. (Proposed USP (Doc. 1411) at Comment [A8].) The Court believes, however,
3 that the data and reporting criteria suggested by the Mendoza Plaintiffs is better addressed
4 under the new subsection. The Court adopts the language proposed by the Mendoza
5 Plaintiffs, with the following addition: “The District shall develop appropriate criteria for
6 data gathering and reporting to enable it to conduct meaningful review of ‘its referral,
7 evaluation and placement policies and practices on an annual basis to ensure that African
8 American and Latino students,” The Court adopts the recommendation of the Special
9 Master to retain the language in Section V(A)(2)(b), without adding “special
10 education/exceptional education status” as an ALE assessment criteria. (SM
11 Recommendation, SM USP Comment [A19] at 27.)

12 **Comment [A13]: Mendoza request for the USP to set an overall goal of raising**
13 **graduation rates to at least 88% of average graduation rate.**

14 Subsection D, Student Engagement and Support, is aimed at improving academic
15 achievement by using strategies to close the achievement gap and eliminate other racial and
16 ethnic disparities found in TUSD. (Proposed USP (Doc. 1411) § V(D)(1).) This subsection
17 contains a provision for an Academic and Behavioral Supports Assessment and Plan, *id.* at
18 D(2), which identifies strategies including in part: Dropout Prevention and Retention Plan,
19 *id.* at (2)(i), Professional Development, *id.* at (5), Engaging Latino and African American
20 Students, *id.* at (6), Services to Support African American Student Achievement, *id.* at (7),
21 and Services to Support Latino Student Achievement, *id.* at (8).

22 The Mendoza Plaintiffs believe that, given the urgency of improving minority
23 graduation rates, the USP does not go far enough when it only requires the District to
24 “develop yearly goals for lowering dropout rates, increasing graduation rates, and reducing
25 retentions in grade for African American and Latino students, including ELLs in each
26
27
28

1 highschool.” (Mendoza Objection (Doc. 1408) at 3 (citing Proposed USP (Doc. 1406) at
2 §V()C(2)(c)(i).)

3 As the Court held above in respect to the Fisher Plaintiffs’ request for specific goals
4 to be set for increasing ALE access and retention: “Because the Court accepts the Special
5 Master’s recommendation that the USP utilize the “expectancy theory of motivation” in
6 respect to goal setting, the Court adopts the language proposed by the majority of the parties,
7 over the [Mendoza] Plaintiffs’ objection. (SM Recommendation, USP SM Comment [A17]
8 at 26.) This does not foreclose the [Mendoza] Plaintiffs from reurging the Court to adopt
9 specific goals in the future should they believe that goals set pursuant to the expectancy
10 theory of motivation are inadequate.”

11 **Comment [15],[16] and [17]:Fisher Plaintiffs assert academic interventions are**
12 **insufficient to close the achievement gap between White and African American**
13 **students, the USP should provide for the African American Student Support Services**
14 **Department (SSAASA) to be a separately funded, staffed, and organized entity, and the**
15 **USP should establish an African American Academic Achievement Task Force**
16 **(AAAATF).**

17 Subsection D includes Services to Support African American Student Achievement,
18 (Proposed USP (Doc. 1411) § V(D)(7), which mirrors Services to Support Latino Student
19 Achievement, *id.* at D(8).

20 The Fisher Plaintiffs correctly point out that the USP must address the vestiges of
21 the, *de jure*, Black and White dual school system operated by the District. They ask for the
22 establishment of an African American Academic Achievement Task Force (AAAATF) to
23 provide input and contribute to the development of a curricular intervention plan specifically
24 designed to improve the academic achievement of the District’s African American students.
25 The Fisher Plaintiff’s ask this Court to ensure separate funding and administration for
26 SSAASA because in a budgetary crisis the District might “zero fund” the ethnic studies

1 departments, “where one department’s funding gain would be another’s loss.” (Fisher’s
2 Response Objection (Doc. 1415) at 12.) The Court understands the Fisher Plaintiffs’ concern
3 that SSAASA remain independent and autonomous; the hugely disproportionate numbers
4 between African American and Latino students creates a potential that Services to Support
5 Latino Student Achievement may overwhelm Services to Support African American Student
6 Achievement by sheer volume.

7 The Special Master reflects that the Fisher Plaintiffs’ request for separate funding,
8 staffing and organizational structure is contrary to Section 1(D)(7) of the USP, which grants
9 the Superintendent the authority to organize units, functions and determine line of authority
10 within the District and will discourage collaborative work of student support personnel. (SM
11 Recommendation, USP Comment [A36].) The Superintendent’s authority to establish
12 organizational relationships and lines of responsibility for various offices and positions
13 provided for in this Order is, however, limited by this Court’s directive that the two plans not
14 be merged into one for organizational or budgetary purposes. The Court notes that as of
15 now, the USP calls for the appointment of a Director of Support Services for African
16 American Student Achievement, (Proposed USP (Doc. 1411) § V(D)(4)(a)), and a Director
17 of Support Services for Latino Student Achievement, *id.* (4)(b). The Court does not preclude
18 the collaborative work of student support personnel, but directs the Special Master to ensure
19 that there are clear lines for tracking and distinguishing between funding and services to
20 support academic achievement for African American and Latino students.

21 The District objects to the creation of a special task force aimed solely at improving
22 academic achievement for African American students. The District complains that the
23 proposed AAAATF will be costly and is unnecessary. The District would have to pay any
24 expert serving on the AAAATF and extra-duty pay to teachers or other TUSD staff serving
25 on the AAAATF.

1 The Special Master points out that the average academic achievement levels and
2 graduation rates of African American students in TUSD are substantially lower than White,
3 Asian American and Latino students. “Moreover, in recent years Latino students have made
4 steady, if modest, progress on state assessments of reading and math while African American
5 students have not [].” (SM Recommendation, SM USP, Addendum C, at 67.)

6 The Court finds that given the unique needs of the African American students, which
7 are distinct from those of the Mendoza Plaintiffs, the AAAATF is warranted, especially on
8 the limited basis proposed by the Fisher Plaintiffs and the Special Master. The AAAATF
9 will be convened immediately and tender its report by June 1, 2013. The USP calls for the
10 AAAATF to consult with prominent experts, and the Special Master advises that the number
11 of experts would be no more than three. The Court believes that expert fees for consultations
12 will be less than if the experts actually served on the AAAATF. The Court approves creation
13 of the AAAATF, including allowing it to consult with prominent experts who can identify
14 research-based practices that have been shown to enhance the learning outcomes of African
15 American students.

16 The Court adopts the recommendation of the Special Master to include the provision
17 in the USP for the AAAATF. (SM Recommendation, USP Comment [A38].

18 **Comment [18]: Mendoza Plaintiffs ask for reporting provisions to address**
19 **exceptional (special) education services.**

20 Because the Court adopted the Mendoza Plaintiffs’ proposed addition to review and
21 monitor exceptional (special) education placement, the Court adopts the recommendation of
22 the Special Master to include an additional paragraph in subsection F, Reporting, as follows:

- 23 u. A report setting forth the number and percentage of students receiving
24 exceptional (special) education services by area of service/disability,
25 school, grade, type of service (self-contained, resource, inclusion, etc.),
26 ELL status, race and ethnicity.
27
28

1 (SM Recommendation, USP SM Comment [40]); (Proposed USP (Doc. 1411) at Comment
2 [A8].)

3 **d. § VI: Discipline**

4 The USP requires the District to reduce racial and ethnic disparities in the
5 administration of school discipline. Mendoza Plaintiffs request that this reduction be done
6 “with particular focus on materially reducing the relative rate at which African American and
7 Latino students experience in-school and out-of-school suspension as compared to the
8 District’s White students.” (Proposed USP (Doc. 1411) at Comment [A19].)

9 The Special Master finds the USP requires the District to understand and address the
10 clear racial disparities in the number and proportion of disciplinary actions in TUSD. The
11 Court agrees. It goes without saying that the USP requires what the Mendoza Plaintiffs seek.
12 The Court adopts the Special Master’s recommendation to retain the language as proposed
13 in the USP. (SM Recommendation, SM USP, Comment [A43] at 43.)

14 **e. § VIII: Extracurricular Activities**

15 The Court adopts the Special Master’s recommendation to change Subsection A(3)
16 “tutoring” to “science club or Junior Achievement” because tutoring is not typically an
17 extracurricular activity. (SM Recommendation, USP Comment [A44] at 51.) The same
18 change should be reflected in Subsection B(1). The Special Master shall, however, ensure
19 that to the extent students seek to voluntarily participate in after school tutoring to improve
20 their academic standing, equitable access should be provided for tutoring– especially for
21 students who attend schools outside their neighborhoods. The Court leaves it to the
22 discretion of the Special Master to ensure the placement of such a requirement in the USP.

1 **f. § X: Accountability and Transparency**

2 **Comment [A20]: The District seeks to shorten the review time for the budget**
3 **due to statutory deadlines for Governing Board approval.**

4 The USP calls for certain specified numbers of days for Plaintiffs and the Special
5 Master to review and comment on the District's proposed budget plan, and the District seeks
6 to shorten the time frames. The Court adopts the Special Master's recommendation to accept
7 the District's proposed review and comment schedule. The Court defers to the Special
8 Master's expertise in regard to his suggestion that the budgetary plan called for in subsection
9 B, Budget, should be the "USP Expenditure Plan" instead of the "Desegregation Funds USP
10 Plan." (SM Recommendation, USP Comment [A45, A48] at 55.)

11 **Comment [A24]: The District objects to a provision allowing the Special Master**
12 **to select an Implementation Committee of three experts.**

13 Subsection E, Role of Special Master and Plaintiffs, establishes the Special Master's
14 oversight responsibilities, as delegated in the January 6, 2012, Order Appointing Special
15 Master. (Proposed USP (Doc. 1411) § X(E)(1).) Also, pursuant to the January 6, 2012,
16 Order, the USP authorizes the Special Master to select an Implementation Committee of three
17 independent expert advisors to aid him in monitoring and overseeing implementation of the
18 USP. *Id.* at E(2). Recognizing that the January 6, 2012, Order provided for the Special
19 Master to request extraordinary assistance as he deems it necessary, the District objects to
20 including this provision in the USP. The District argues that the January 6 Order should
21 govern, which provides for the parties to object to any such proposal by the Special Master.
22 (District Objection at 24.)

23 It appears to the Court that the Special Master deems it necessary to request
24 extraordinary assistance of nationally prominent experts on an on-going, though very part-
25 time limited basis. The District has filed an objection.

1 The Special Master argues that these experts will provide the District, the Plaintiffs,
2 and the Special Master, access to exceptionally knowledgeable individuals, who can advise
3 and guide the ongoing process of implementing and overseeing the USP. He believes that
4 the exceptional quality of the proposed USP is due to the participation of the several experts
5 utilized by the Special Master. The Court has found the Special Master's judgment to be
6 sound and conscientious in this regard. The Court notes that the road ahead involves the
7 development of a financial feasibility plan for implementing the USP, which in many ways
8 may be even more difficult than drafting the USP. The Court advises that the three experts
9 proposed by the Special Master should be able to do double duty in regard to the District's
10 ongoing efforts to develop the financial feasibility plan and on the AAAATF. The parties
11 may file objections with the Court to the individuals proposed by the Special Master or to
12 proposed compensation for those individuals. (Proposed USP (Doc. 1411) § X(E)(2)).

13 The Court adopts the recommendation of the Special Master and retains this
14 language. (SM Recommendation, SM USP Comment [A52] at 58.)

15 **D. § XI: Final Termination**

16 The USP calls for a motion for determination of complete unitary status to not be
17 filed prior to the end of 2016-2017 school year. The Fisher Plaintiffs argue this is only three-
18 and-a-half-years and ask for an end-of-the-school-year 2017-2018 deadline. (Proposed USP
19 (Doc. 1411) Comment [A25].) The school year ends in May. Consequently, there is only
20 a half a year remaining for the 2012-13 school year. Under the USP, there remain four full
21 school years. The Court adopts the Special Master's recommendation to retain the 2016-
22 2017 deadline for attaining unitary status. (SM Recommendation, USP Comment [A55].)

1 **E. Conclusion**

2 The Court adopts the USP, pursuant to the parties' stipulations and pending
3 incorporation of the changes required by the rulings of this Court resolving the disputed areas
4 of the consent decree.

5 **Accordingly,**

6 **IT IS ORDERED** that the Second Motion for Reconsideration (Doc. 1418) is
7 DENIED.

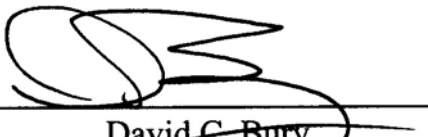

8 **IT IS FURTHER ORDERED** that the State shall show good cause within 14 days
9 of the filing date of this Order as to why its status as *amici* should not be concluded and why
10 the normal avenues of review will not serve to protect the State's interests in the future. The
11 parties and the Special Master may file responses to the State's showing, and the State may
12 file a Reply.

13 **IT IS FURTHER ORDERED** that the Court adopts all elements of the USP
14 stipulated to by the parties (Stipulation Doc. 1411) and orders the disputed parts to be
15 revised, pursuant to the rulings of this Court made herein.

16 **IT IS FURTHER ORDERED** that the Special Master shall oversee the revision of
17 the USP, and the District shall file the USP with the Court, within 10 days of the filing date
18 of this Order.

19 **IT IS FURTHER ORDERED** that the Special Master's Recommendation and all
20 attachments shall be filed into the record by the Clerk of the Court.

21 DATED this 6th day of February, 2013.
