#### Program Overview (600 character limit)

AP World History: providing students with college level opportunities, exposing them to challenging curriculum looking deeply into world history, beyond the scope and sequence of the traditional survey course most students take.

#### Program of Study (400 character limit)

College level world history

#### Justification for Book Request (400 character limit)

The textbook will be used as supplemental textbooks to prepare students for the Advanced Placement exams. Both books have Data Based Questions, documents, articles and practice not included in the current approved texts.

#### Description of Text (400 character limit)

Paperback: The Coursebook thoroughly covers the topics from the AP World History curriculum, yet its clear concise style helps students to see and understand underlying World history themes without getting lost in a myriad of facts. The Coursebook includes narratives for all time periods of the course, multiple-choice and free response questions for each period, and a complete sample examination.
