Program Overview (600 character limit)

Philosophy 101 is designed to introduce high school students to the foundations of decision making in the context of ethics and entrepreneurship. The course presents core concepts on microeconomics, marcoeconomics, global economics, and personal finance, all blended with principles of ethics and entrepreneurship. Philosophy 101 will prepare students to make sound choices about their personal personal and professional careers, having a clearer understanding of what it means to be a responsible, productive citizen.

Program of Study (400 character limit)

See attached course syllabus.

Justification for Book Request (400 character limit)

The book provides students with content aligned to learning objectives of the course.

Description of Text (400 character limit)

This the textbook associated with the University of Arizona course.
