TITLE: Draft Boundary Plan

ITEM #: 2

Information:

Study: X

Action:

PURPOSE:

Present the Draft Boundary Plan to the Governing Board for review and comment. Results of public meetings and a meeting with the Special Master and Plaintiffs will be included.

DESCRIPTION AND JUSTIFICATION:

The Boundary Plan addresses school boundaries, programs and transportation in order to increase the number of students attending integrated schools. The Boundary Review Committee, which formed and started to meet in March, developed seven options included in the Draft Boundary Plan attached to the July 8 Board report.

On July 9, 10 and 12, the Boundary Review Committee will host meetings to gather public feedback on the options; on July 9, staff and desegregation counsel will review the options with the Special Master and the plaintiffs' counsel. At the July 15 Board meeting, staff and DLR Group representatives will present the comments from those meetings, engage the Board in a review of the options, and address questions and comments.

Direction and comments from the Board, and comments from the earlier meetings, will then be presented to the Boundary Review Committee on July 19 as they consider which options to recommend to the Superintendent.

DLR Group representatives and key staff will be present at the meeting.
