PURPOSE:

To study Policy IJJ - Text/Supplementary Materials and Selection and Adoption.

DESCRIPTION AND JUSTIFICATION:

As required by State law, the Board will have final approval and adopt all new textbooks, supplementary course books, E-textbooks and course software. The Superintendent shall establish textbook selection procedures that shall provide for the appropriate involvement of staff members, students, and community members and may establish textbook selection committees. Recommendations will be forwarded to the Superintendent.

This is the ASBA Model policy, with the addition of "E-textbooks and course software" added to the types of materials for approval, as the model did not provide for those two types. This policy was adopted July 24, 2012.

The policy is being studied at the request of Board member, Kristal Foster.

This relates to the following Superintendent's goals: Achievement, Desegregation, School Master Plan and Other District Goals.
