

OPTION A

OPTION A: VOLUNTARY TRANSPORTATION FROM RACIALLY CONCENTRATED SCHOOLS TO HOWELL AND SEWELL

PROS:

- More students attending an integrated school.
- Provides options for families & movement is voluntary.
- Collaboration between schools to support each other.
- Provides professional development to both schools.

CONS:

- Travel burden on Hispanics.
- Impacts several schools could be disruptive.

COMMENTS:

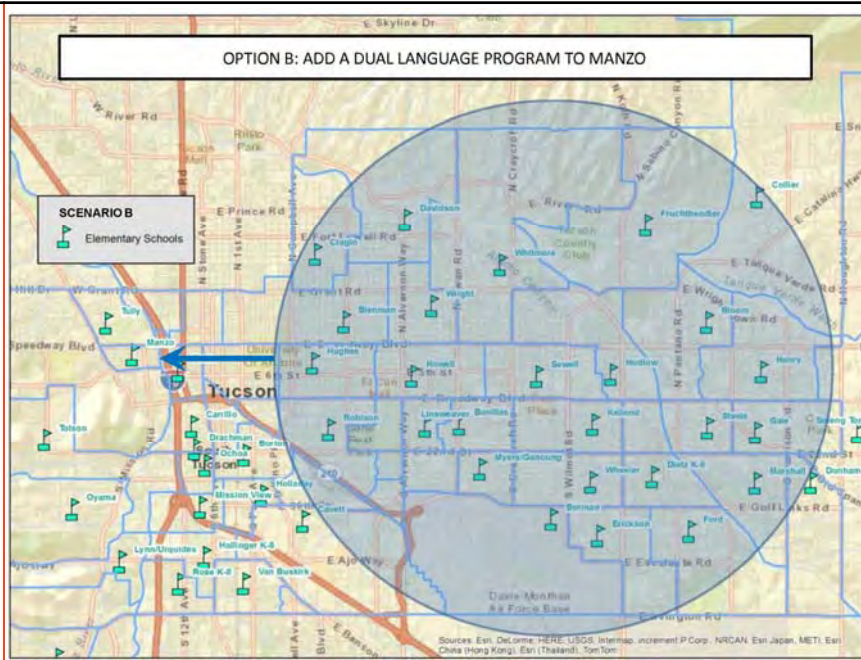

- Requires commitment from the schools & administration.
- Requires active marketing & publicity

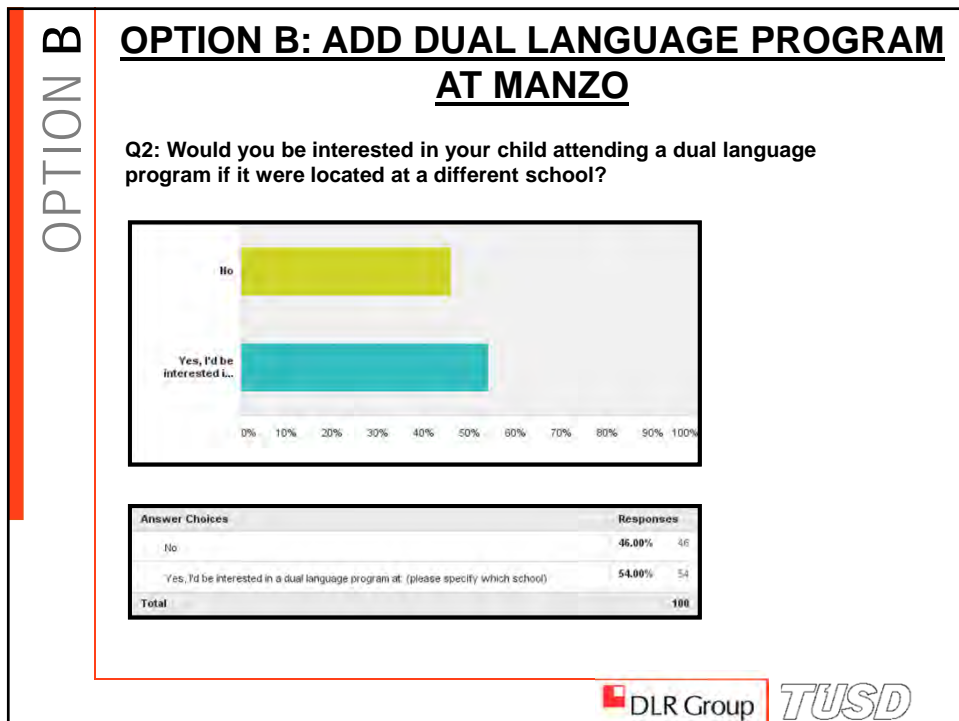

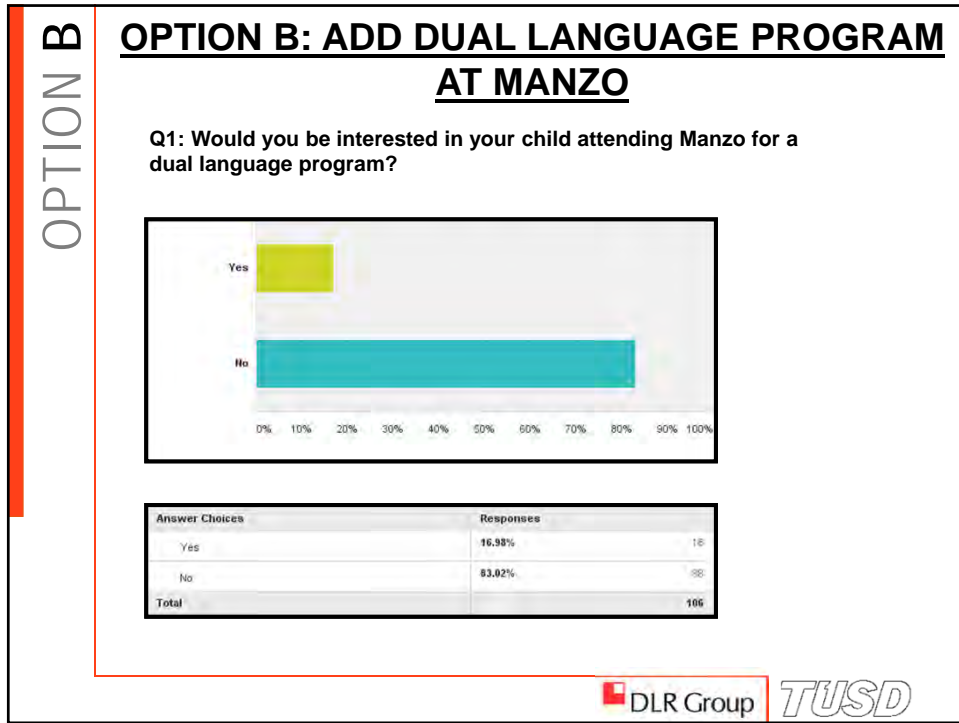

Advisory and Leadership Team Recommendation:

- DO SUPPORT: Builds on incentive transportation already in place. Focuses District efforts to encourage movement for integration.

OPTION B

OPTION B: ADD A DUAL LANGUAGE PROGRAM TO MANZO

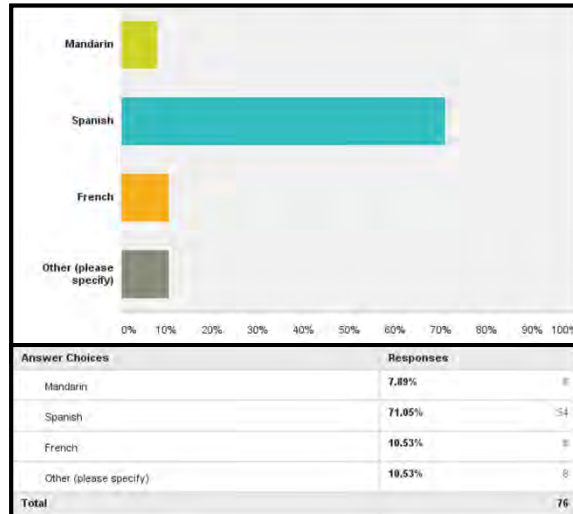

OPTION B

OPTION B: ADD DUAL LANGUAGE PROGRAM AT MANZO

Q3: If you are interested in a dual language program, what language would you be interested in?

OPTION B

OPTION B: ADD DUAL LANGUAGE PROGRAM AT MANZO

PROS:

- Help reduce racial concentration at Manzo.
- New program could infuse energy and help improve academics & letter grade.

CONS:

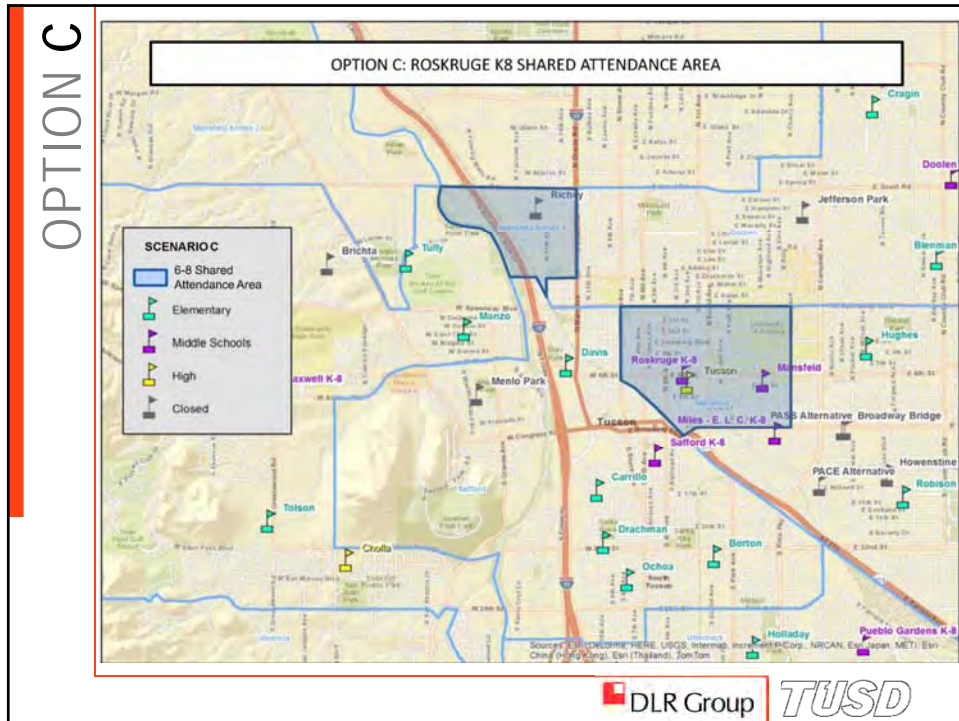

- Currently, there is not capacity for this additional program, but the school could be reconfigured to support it.
- Travel burden for non-Hispanics.

COMMENTS:

- Is there interest in this program from non-Hispanics to improve integration? Opportunity is available.
- Would require extensive marketing and 5-year commitment

Advisory and Leadership Team Recommendation:

- DO NOT SUPPORT Manzo location.
- DO SUPPORT concept of adding a dual language program to help integration, but needs a more east-central site.
- Implementation: Follow the magnet plan process to establish a new program at an east-central location.

OPTION C

OPTION C: ROSKRUGE K8 SHARED ATTENDANCE AREA

PROS:

- May help integration at Roskruge and Mansfeld.
- Roskruge area students can choose to attend a 'B' school.
- More options available.

CONS:

- Impacts few students.

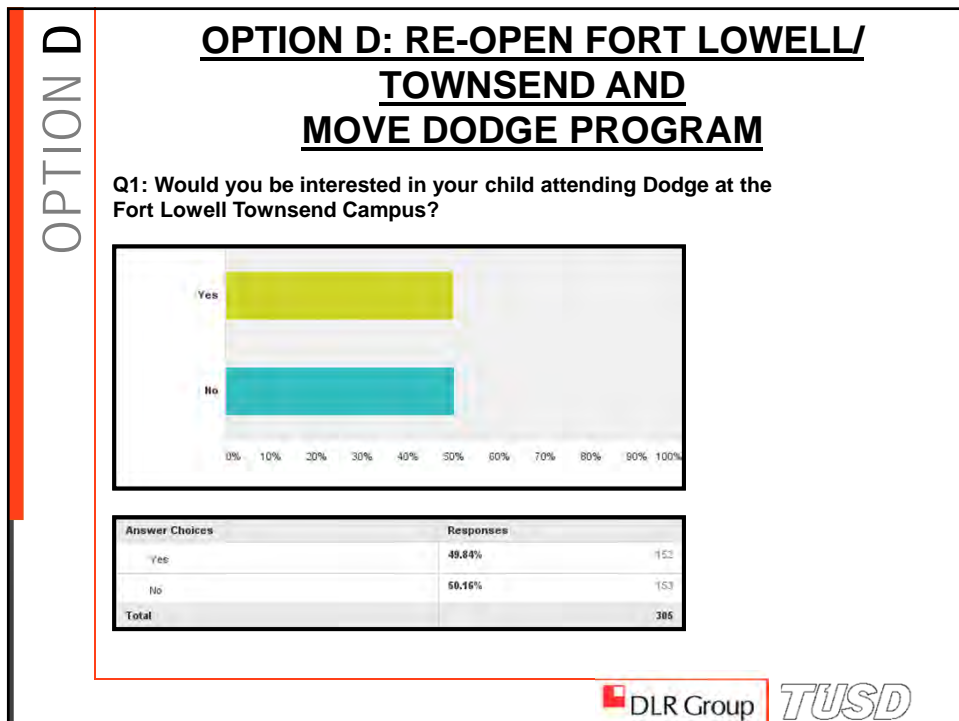

COMMENTS:

- Area is already Roskruge K-5.

Advisory and Leadership Team Recommendation:

- **DO SUPPORT:** The option has the potential to improve integration at Mansfeld by opening up magnet seats. With more Magnet seats, Mansfeld can use the selection process to improve integration.

DLR Group TUSD

OPTION D

OPTION D: RE-OPEN FORT LOWELL/ TOWNSEND AND MOVE DODGE PROGRAM

PROS:

- More students accepted into integrated Dodge program.
- Dodge has a desirable, sought after program.
- The move is a short distance from current campus and doesn't affect any attendance areas. (Dodge has no attendance boundary)
- Dodge may fit better on a middle school campus.

CONS:

- Cost to re-open and run campus.

COMMENTS:

- Possible disruption to Dodge program.

Advisory and Leadership Team Recommendation:

- DO SUPPORT: More students in an integrated school.

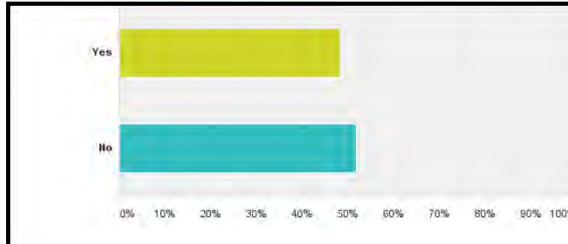

OPTION E

OPTION E

**SANTA RITA HS AND CHOLLA HS AS
EARLY MIDDLE COLLEGES**

Q1: Would you be interested in your child attending an early middle college at Cholla High School?

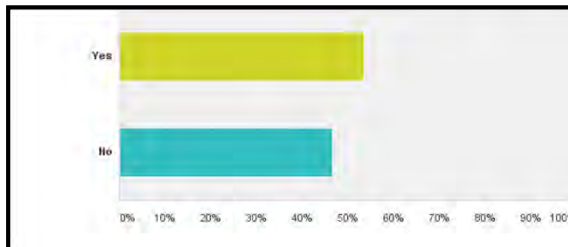

Answer Choices	Responses	
Yes	46.20%	114
No	51.80%	167
Total		361

OPTION E

**SANTA RITA HS AND CHOLLA HS AS
EARLY MIDDLE COLLEGES**

Q2: Would you be interested in your child attending an early middle college at Santa Rita High School?

Answer Choices	Responses	
Yes	53.46%	193
No	46.54%	168
Total		361

OPTION E

**SANTA RITA HS AND CHOLLA HS AS
EARLY MIDDLE COLLEGES****PROS:**

- Desirable & unique programs. Exciting opportunity for students.
- Could attract out of district students and those up to 21 years old.
- Pima Community College connection, continued JTED offerings and associate degree options. Partnerships with businesses.

CONS:

- Transportation challenges for those that live far away.

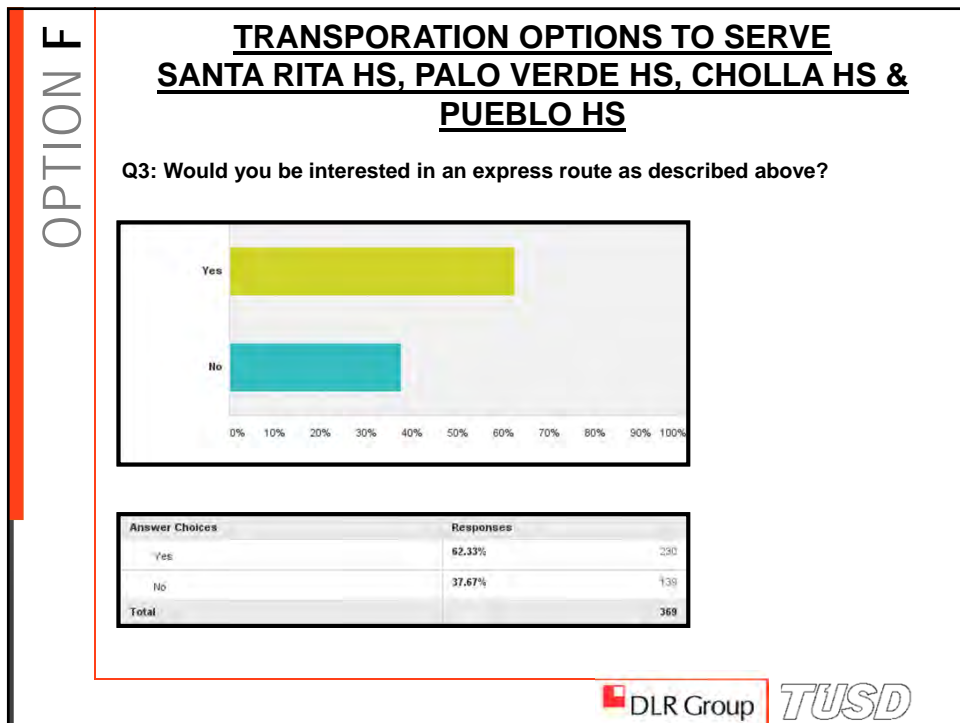

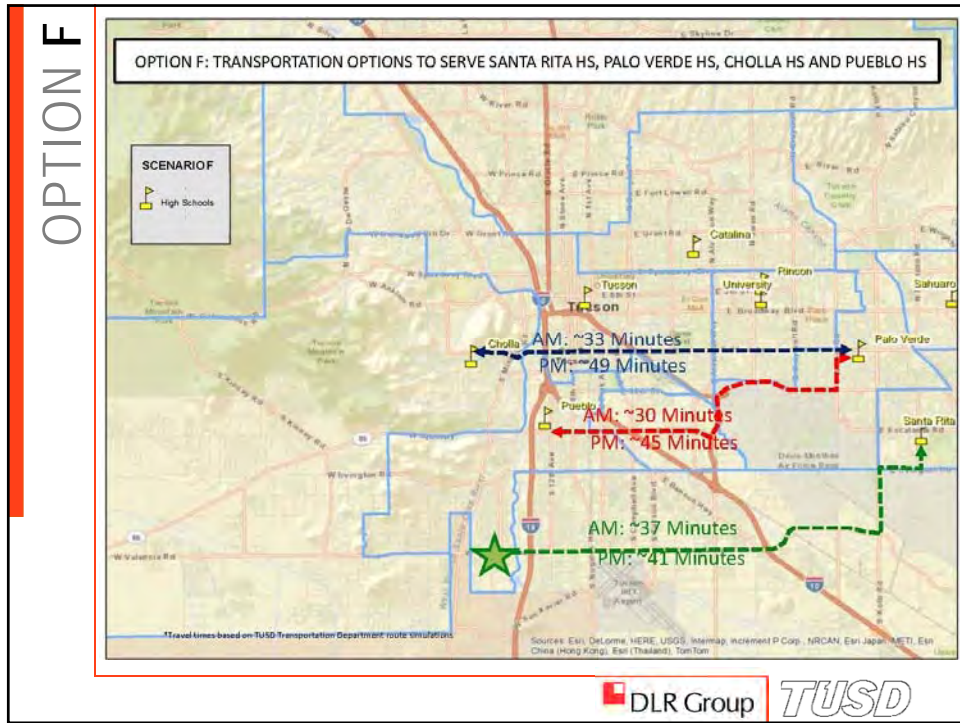

COMMENTS:

- Requires careful selection of programs so as to not compete with each other.
- Requires marketing and publicity.

OPTION E

**SANTA RITA HS AND CHOLLA HS AS
EARLY MIDDLE COLLEGES****Advisory and Leadership Team Recommendation:**

- DO NOT SUPPORT Option E. Cholla does not have room for a third strand and it may compromise the IB program (the only High School IB program in TUSD). Better to focus efforts on IB program at Cholla
- DO SUPPORT the idea of an EMC/CTE program at Santa Rita to improve integration.
- Implementation: Develop a plan for the Santa Rita location over the next six months.

OPTION F

**TRANSPORATION OPTIONS TO SERVE
SANTA RITA HS, PALO VERDE HS, CHOLLA HS &
PUEBLO HS**

PROS:

- More opportunity for students to attend an integrated school.
- Voluntary option.
- Express route makes options more available to students.

CONS:

- Unable to predict impact on integration; results will depend on who takes advantage of the opportunity.
- Long drive requires a heavy commitment from students.

COMMENTS:

- Needs publicity and marketing to encourage movement in both directions.

OPTION F

**TRANSPORATION OPTIONS TO SERVE
SANTA RITA HS, PALO VERDE HS, CHOLLA HS &
PUEBLO HS**

Advisory and Leadership Team Recommendation:

- DO SUPPORT with further development
- Implementation:
 - Identify hub locations and routes.
 - Survey students to see if they would use the hub sites to attend a High School to improve integration.
 - Ensure easy access for all socio-economic levels.
