Galileo K-12 Online Renewal (2014 – 2015):

Galileo K-12 Online – a powerful tool for school systems looking for a way to develop, administer, and use customized standards based tests as part of an effective district achievement plan. Administrators can access multi-level disaggregated reports based on demographic information. Teachers can link assessment to classroom instruction.	\$8 / student x 37,500 students = \$300,000.00
TOTAL	\$ 300,000.00

NOTE: Galileo Online is available through an annual renewable user fee. Quotation is valid for 30-days.
