

**Arizona Diamondbacks Foundation Grant Application
John B. Wright Elementary School**

ADDENDUM

When the Diamondbacks Foundation so nicely decided to increase our grant to \$5,000, J.B. Wright decided to include the other three kindergarten and 4 first grade classes as part of the grant. All Kinder and 1st grade classes will receive an i-Pad to integrate engineering and technology skills. Kindergarten classes will each receive 1 LEGO table along with LEGO people and the 1st grade classrooms will receive Crystal Climbers and table blocks to develop engineering skills. All classrooms will receive sets of Tinker Toys to give them hands-on math and engineering opportunities.
