

Agenda for Policy Development Session TUSD Board Meeting August 26, 2014

OBJECTIVE

Discussion with the Governing Board to obtain their perspective regarding key areas of deficiencies identified in the Curriculum Audit. To make best use of our limited time, Board members will rotate every 15 minutes to each key area. Facilitators are listed below and will be accompanied with a scribe. At the completion of the session, we will be reporting out collectively your perspectives in regards to policy development.
