

8-29-18

Kevin,

That even though the District only received one bid for the Borman K-8 Locker Room Addition project, Epic One Builders. I have determined that their price is fair and reasonable.

It is in the District's best interest to award the bid to Epic One Builders, LLC as other vendors had reasonable time to respond and it is not advantageous for the District to go back out for bid.

Thank you,
James L Baker
Project Manager
