---

PURPOSE:

Governing Board Policy BEDBA - Board Meeting Agenda Preparation (revision) - Requested by Board Member Mark Stegeman

---

STATEMENT OF POLICY:

Past revisions of this policy have left somewhat unclear the relative roles of the Board President and Superintendent in the placing of items on the board's agenda, as well as the rights of and process for individual board members to place items on the agenda.

The proposed revision will clarify these points, without substantially modifying existing practice, and include modifications to ensure consistency with any recent revisions to BEDB.

Rob Ross will be available to respond to questions.
