

MEETING OF: September 27, 2016

TITLE: Governing Board Policy IHAM - Physical Activity and Wellness (revision) - Requested by Board Clerk Kristel Ann Foster

ITEM #: 10

Information:

Study: X

Action:

PURPOSE:

To discuss possible revisions in lunch periods and the recess policy.

DESCRIPTION AND JUSTIFICATION:

Per Ms. Foster:

*Begin discussion about a minimal time that children have to eat during lunch. Too many sites and families are reporting that their children do not eat because they are hurried through the cafeteria. There is wasted food and kids are coming home at 3:00 p.m. starving because they don't have time to eat.

*Revisit our recess policy to increase the minimum number of unstructured minutes our children have and consider a morning and afternoon minimum per grade level. This should be based in research and what other districts have found successful, not just arbitrarily decided by the Board. (article attached)
