President Hicks, Members of the TUSD Governing Board, Superintendent Trujillo:

The University High School faculty and staff fully support the UHS Vision Statement Proposal that will be presented to the TUSD Governing Board on Tuesday, Oct. 3<sup>rd</sup>, 2017. As directed by the Governing Board on May 23<sup>rd</sup>, 2017, this proposal makes the argument for University High School to establish its own high school campus with the possible addition of a co-located middle school. We believe that the adoption of this vision proposal would benefit not only the UHS community, but also contribute to the success of the Tucson Unified School District.

Sincerely,

The UHS Faculty & Staff
