President Hicks, Members of the TUSD Governing Board, Superintendent Trujillo:

On Tuesday, Sept. 12th twenty-eight members of the University High School Site Council voted unanimously for the following motion:

“To endorse the proposal that UHS be located on its own high school campus with a co-located middle school.”

Therefore, the UHS Site Council fully endorses and supports the UHS Vision Statement Proposal that will be presented to the TUSD Governing Board on Oct. 3rd, 2017. We hope that the TUSD Governing Board accepts this proposal, and we look forward to working with the district to implement the decision made by the Board.

Sincerely,

Meg Tully, Chair of the UHS Site Council

Bob Yell, Vice-Chair of the UHS Site Council
