Dear Dr. Pedicone:

At the September 5, 2012 meeting of the School Facilities Board, Tucson Unified District was awarded building renewal grant funding as follows:

School	Rincon HS
Project Number	100201640-9999-002BRG
Project Scope	Chiller replacement
SFB Funding without Contingency	\$303,775
Contingency *	\$21,225
Total SFB Funding *	\$325,000
District Funding	\$50,000
Total SFB and District Funding	\$375,000

* Contingency cannot be spent without prior SFB approval.

Attached are:

1. Terms and Conditions - **Please read carefully. The Terms & Conditions must be signed by the district's governing board president. Once executed, return to the SFB.**
2. Request for Funds – This is a template; please **make copies** of this form as each invoice submitted must be accompanied by a completed Request for Funds. If the district is supplementing with local funds, invoices will be paid on a pro-rated basis. Warrants will be drawn and sent to the county treasurer, at which time the district will receive e-mail notification. Send these forms (with invoices) to your liaison's attention.

Please contact your liaison for this project, Dan Demland, at (602) 542-6567 if you have any questions.

Sincerely,

Heather Gamby
