TUSD Top Ten Achievements

Superintendent's Goals -2017-18 & 2018-19

1. Increase student enrollment
2. Increase student academic achievement
3. Increase the amount of district dollars associated with classroom instructional spending in line with the Arizona Auditor General's criteria
4. Decrease the number of classrooms without certified teachers of record
5. Improve school climate and safety

The District has experienced 6
Superintendents in 10 years.

Changes in leadership have negatively influenced improvement of services for African American students.

Central Administration

Leadership Structure & Talent

Central Administration Findings & Recommendations

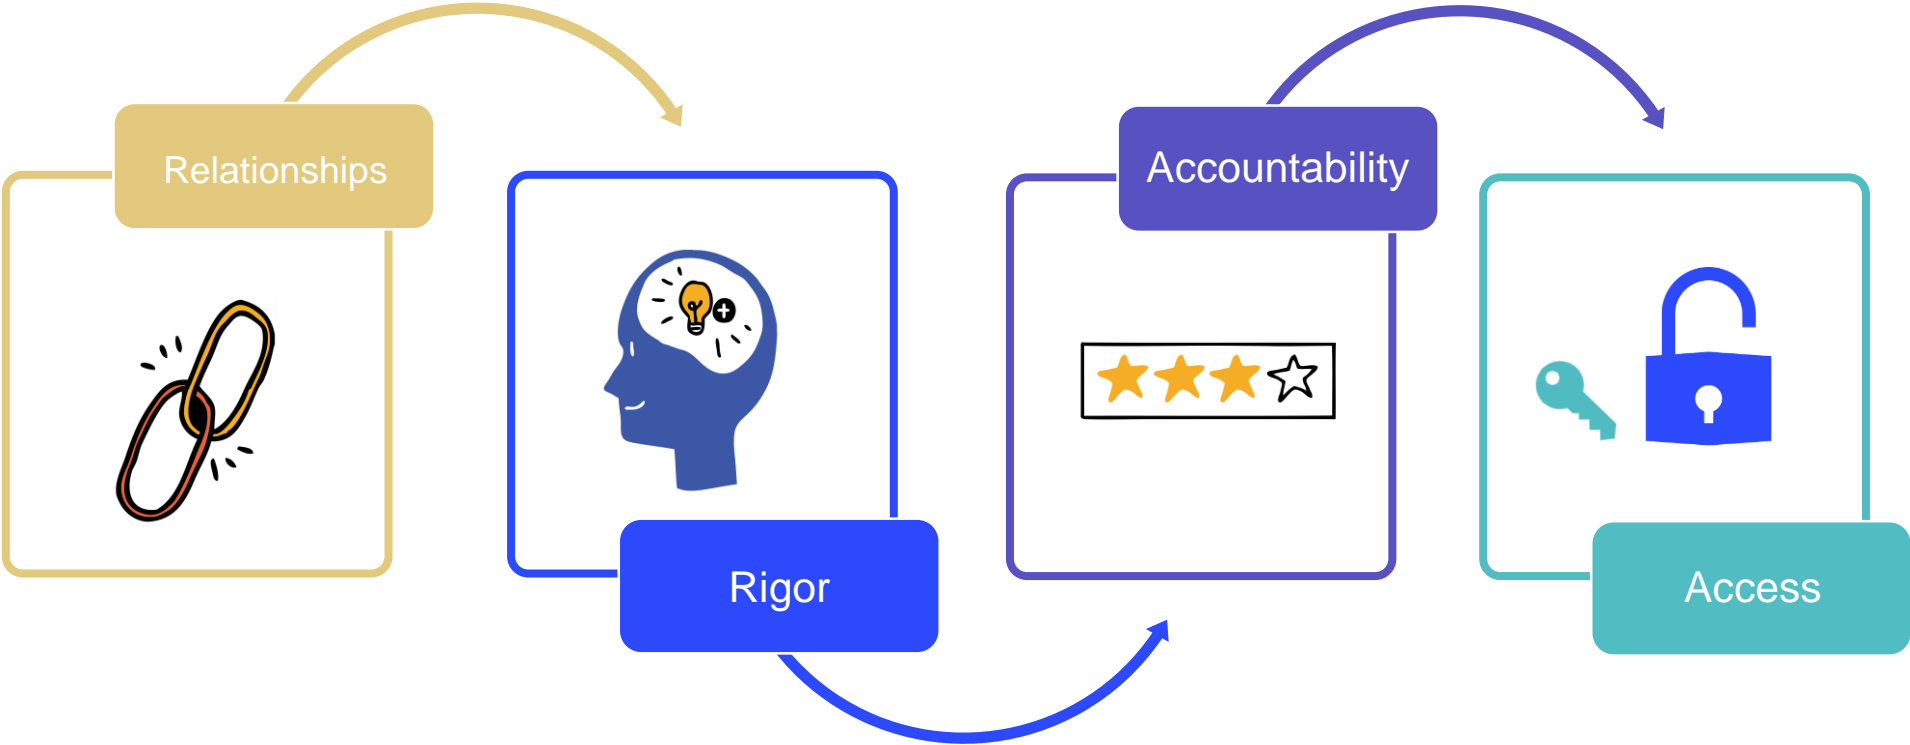

Recommendations for Central Administration

1. Implementation of recommendations during leadership transitions and beyond release from Unitary Status
2. Recruitment of more diverse talent (African American) as Central Administration level
3. Ensure a succession plan is in place
4. Fully support the district's recommendation for the Director of the AASSD to report directly to the Superintendent or his or her designee
5. Ongoing training for Board Members and Central Administration related to implementation of AASSD report

Principal Leadership

Leadership Structure & Talent

Principal Leadership Findings & Recommendations

Recommendations for Principal Leadership

1. Work with Principals to ensure collaboration with AASSD to develop group-specific strategic plans based on identified goals
2. Consider leveraging AVID as a specific intervention tool to better engage African American students in their coursework

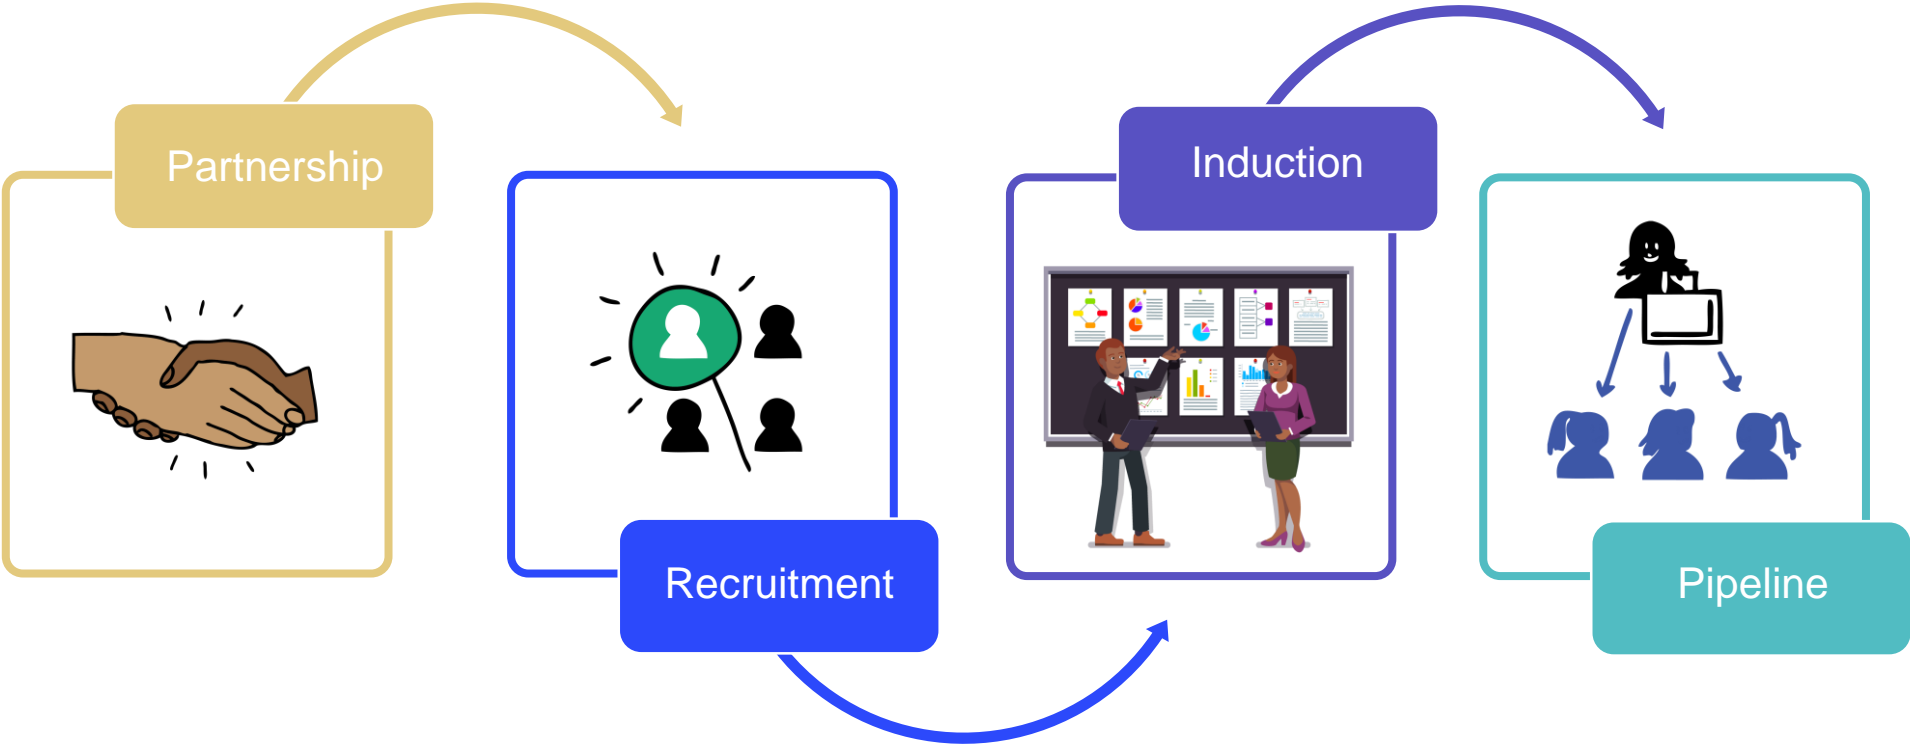

Minority Teacher & Leader Recruitment & Retention

Leadership Structure & Talent

While the proportion of the African American applicants has increased from 4% to 8.2%; African American teachers are still employed at extremely low rates.

Minority Teacher & Leader Recruitment & Retention Findings & Recommendations

Recommendations for Minority Teacher Recruitment and Retention

1. Develop Fresh Marketing Plan that presents Tucson as a destination city
2. Develop a strategic recruitment plan that includes specific strategies to recruit African American teachers
3. Focus on strategic recruitment at Historically Black Colleges/Universities and Minority Serving Universities
4. Develop a Targeted Induction Program
5. Develop and Incentivize Retention Programs for African American Teachers

Recruitment Recommendations continued

6. Develop an Academy for Future Teachers
7. Facilitate Partnerships for Teacher Recruitment, Selection, and Development
8. Establish a TUSD Teacher Fellowship Program

Assessment Structures

Curriculum & Instruction

Assessment Structures Findings & Recommendations

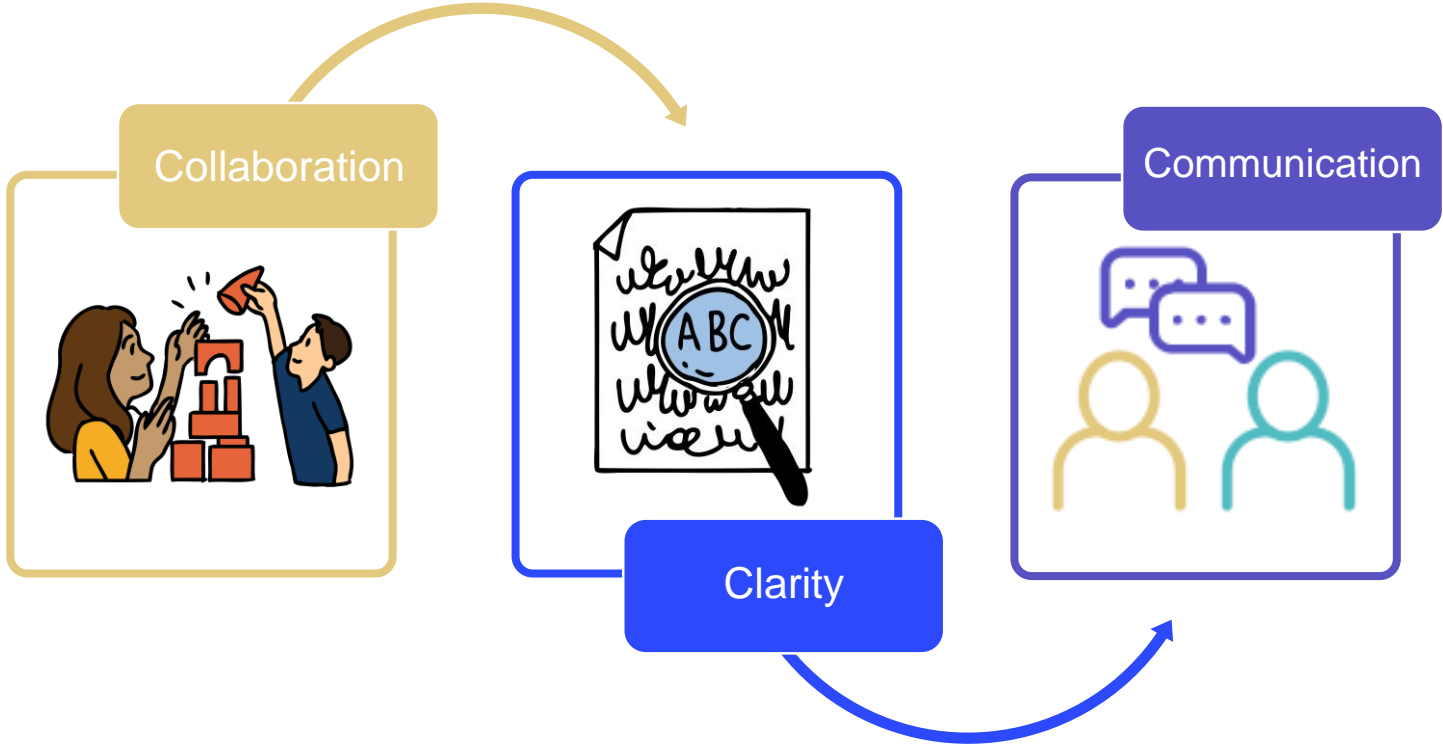

Recommendations for Assessment Structures

1. Consider more accessibility to current test preparation opportunities
2. Involvement of AASSD in test preparation opportunities
3. Reconsider designing and implementing a University Middle School that targets African American students from low performing elementary schools
4. Make the University High School admission criteria more transparent on website and published materials

Culturally Relevant Curriculum & Pedagogy

Curriculum & Instruction

Culturally Relevant Curriculum & Pedagogy Findings & Recommendations

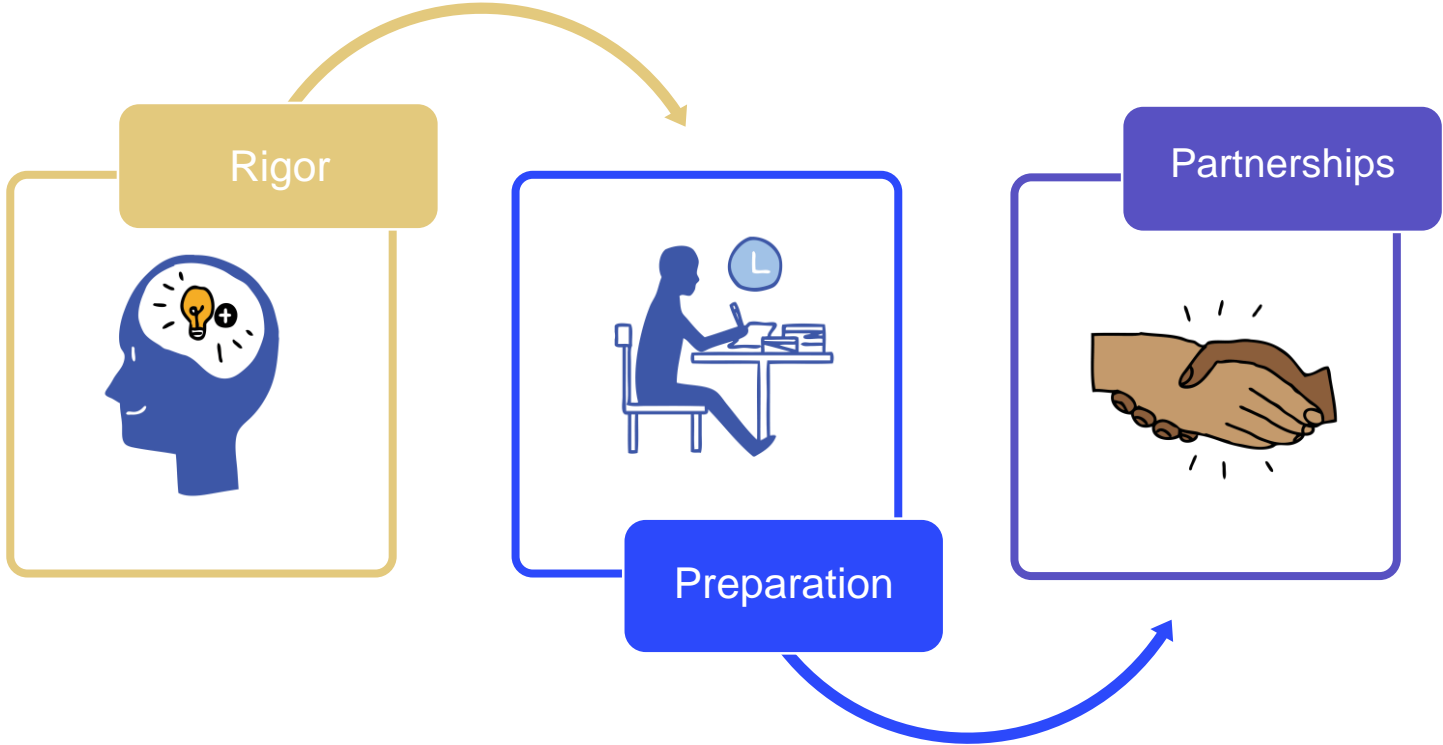

Recommendations for Culturally Relevant Curriculum and Pedagogy

1. Consider deeper collaboration between the offices of the multicultural team and the CRPID to better consolidate and leverage resources
2. Create a research-based logic model to determine intended impact
3. Work with communications and/or marketing team to create an internal communications plan
4. Review other regional and state-wide culturally relevant curriculum work to determine their best practices

Academic Achievement

Curriculum & Instruction

Academic Achievement Findings & Recommendations

Recommendations for Academic Achievement

1. Reconsider the framework for Advanced Placement for the district
2. Design a specific, team-based, and student-centered framework used to identify African American students who possess AP potential
3. Consider working with organizations that specialize in assisting the district in identifying African American students for Advanced Placement opportunities

Academic Learning Experiences

Curriculum & Instruction

Academic Learning Findings & Recommendations

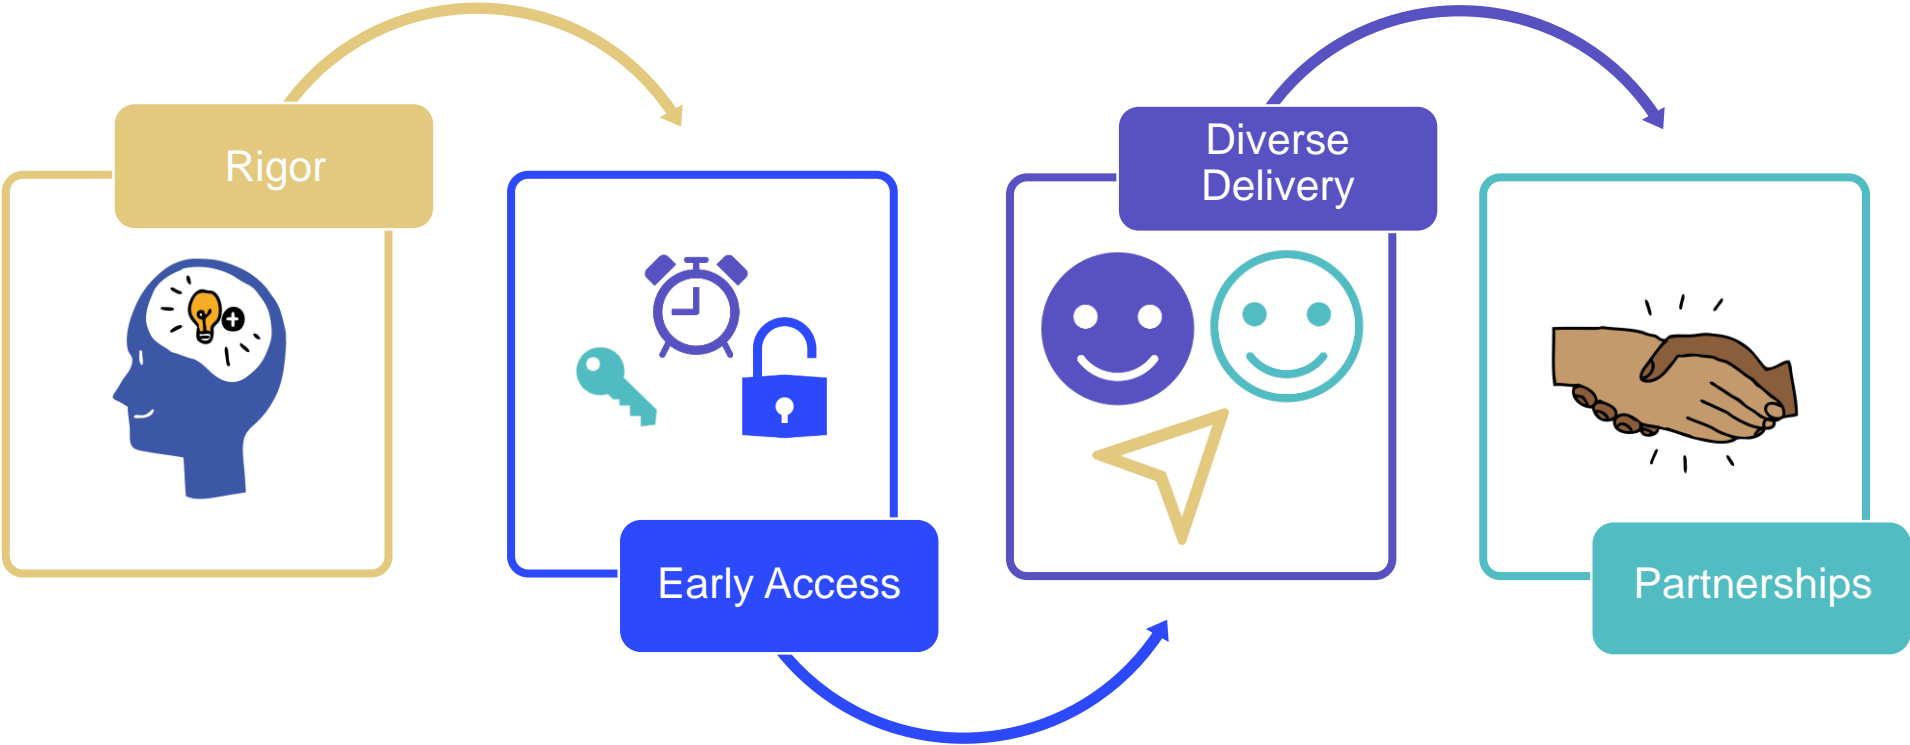

Recommendations for Academic Learning Experiences

1. Develop a process to identify students at least one year prior to testing for ALE
2. Consider rebranding ALE opportunities and enlisting AASSD leaders to include the plan as part of their engagement with African American students/families as early as possible
3. Consider lifting the responsibility of increasing African American student participation in ALE to the principal level
4. Continue to engage all schools and relevant staff in training on how to appropriately identify potential for ALE

College & Career Readiness / Drop Out Prevention

Curriculum & Instruction

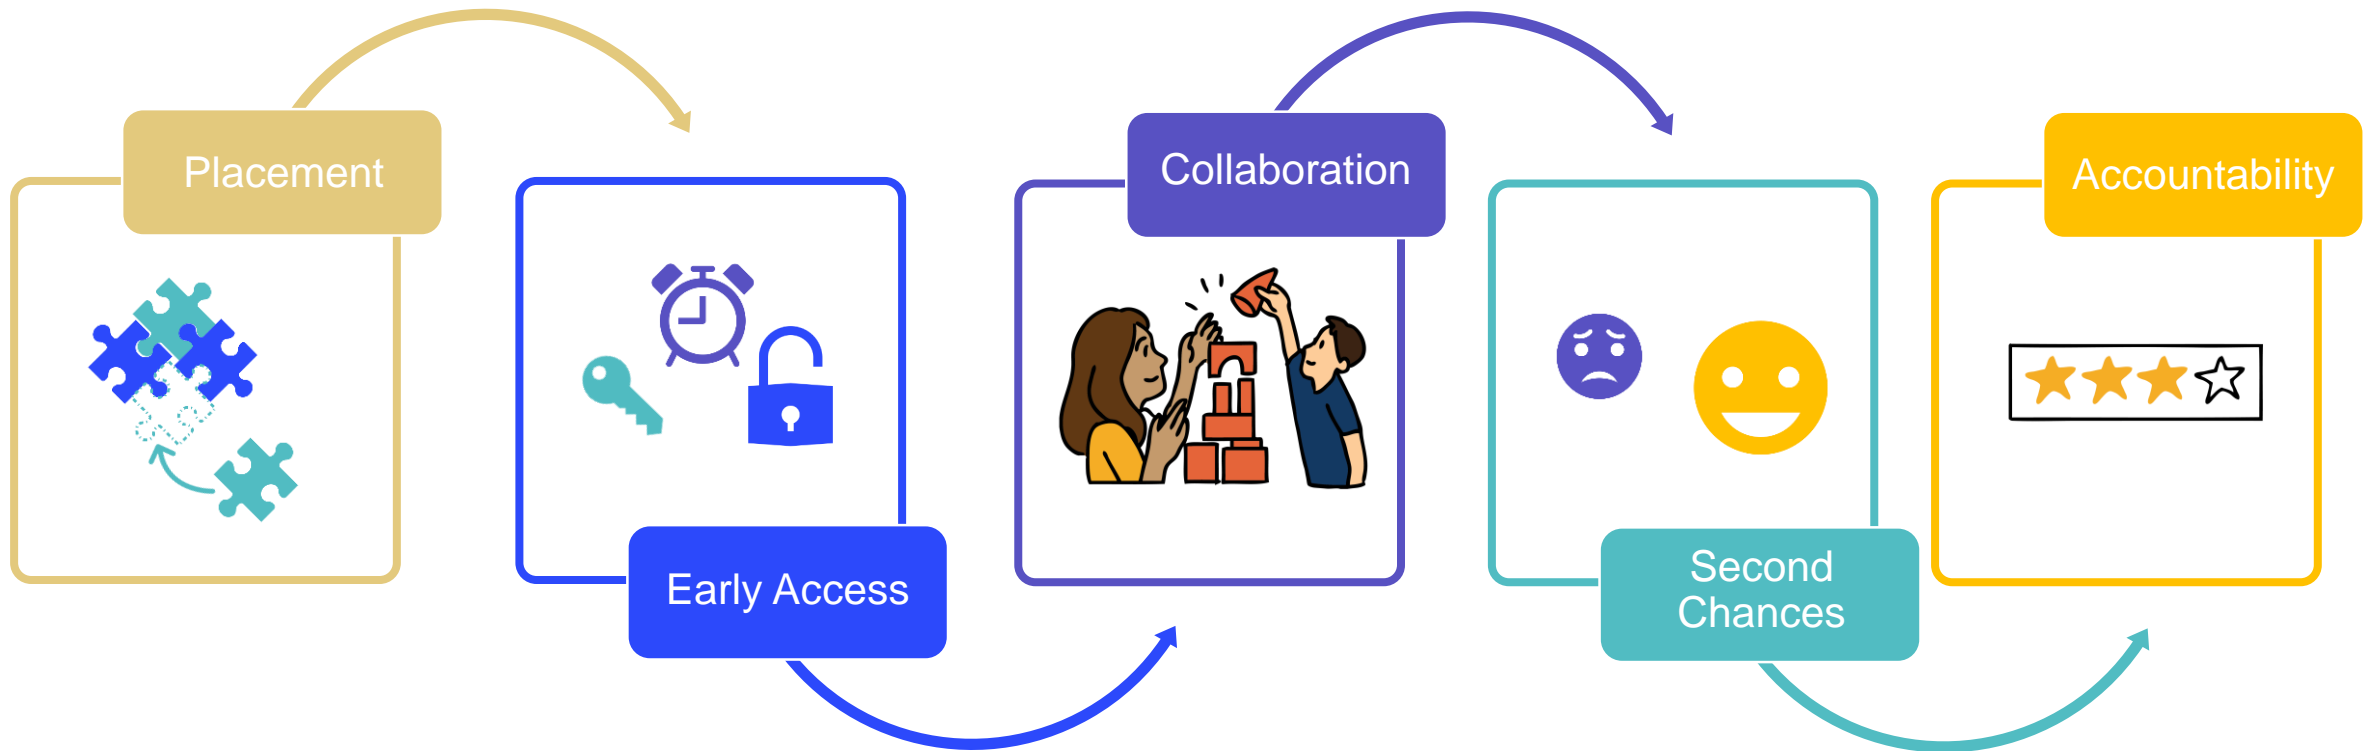

College & Career Readiness

Recommendations for College and Career Readiness

1. Revise the course selection process to include a timeline that allows students to share interests from a menu of possible offerings
2. Continue implementation of a multi-year plan that gradually increases course offerings year after year with the ultimate goal of achieving equity across schools
3. Consider real-time video feed for students who are in schools that do not have enough students to constitute a course
4. Create more internships, Early College High School and summer bridge or boot camp programs for rising African American 11th and 12th graders

Drop Out Preventions

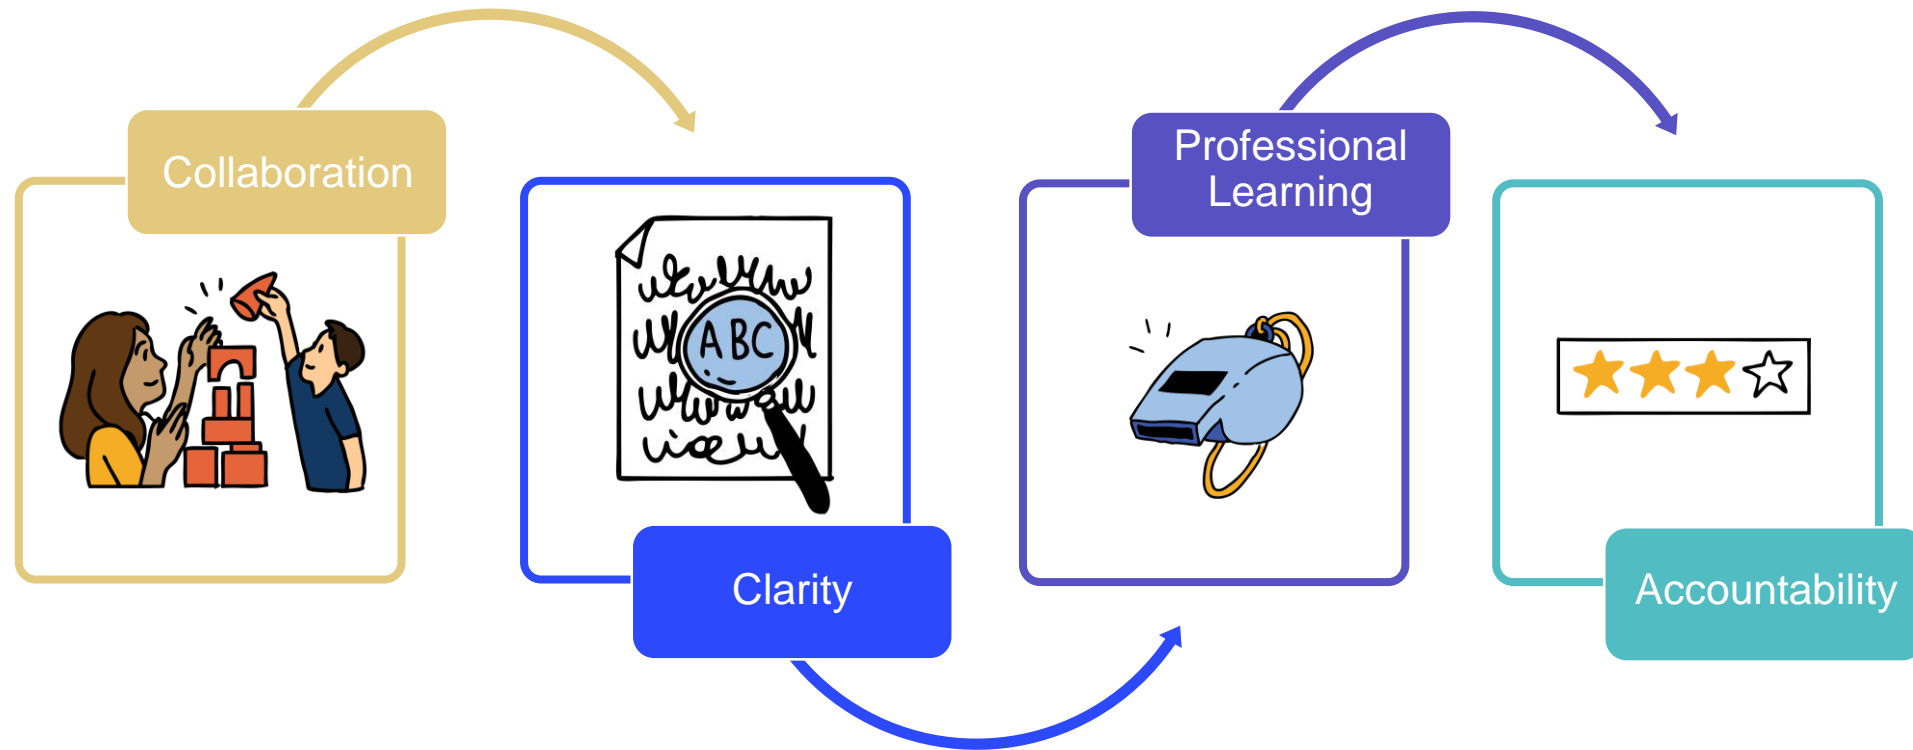

Recommendations for Drop-Out Prevention

1. Attention to assignment of dropout prevention specialists
2. Consider reimplementing of dropout prevention specialists assigned to middle schools
3. Continue to schedule joint monthly meetings between AASSD staff and drop out prevention specialists
4. Consider stronger collaboration
5. Collect specific data regarding impact of the “Steps to Success” initiative
6. Continue to institute a credit recovery program for students who need support to matriculate through completion of high school programs
7. Share database across specialists, student support coaches, and others

Processes & Procedures

Student Discipline

Processes & Procedures Findings & Recommendations

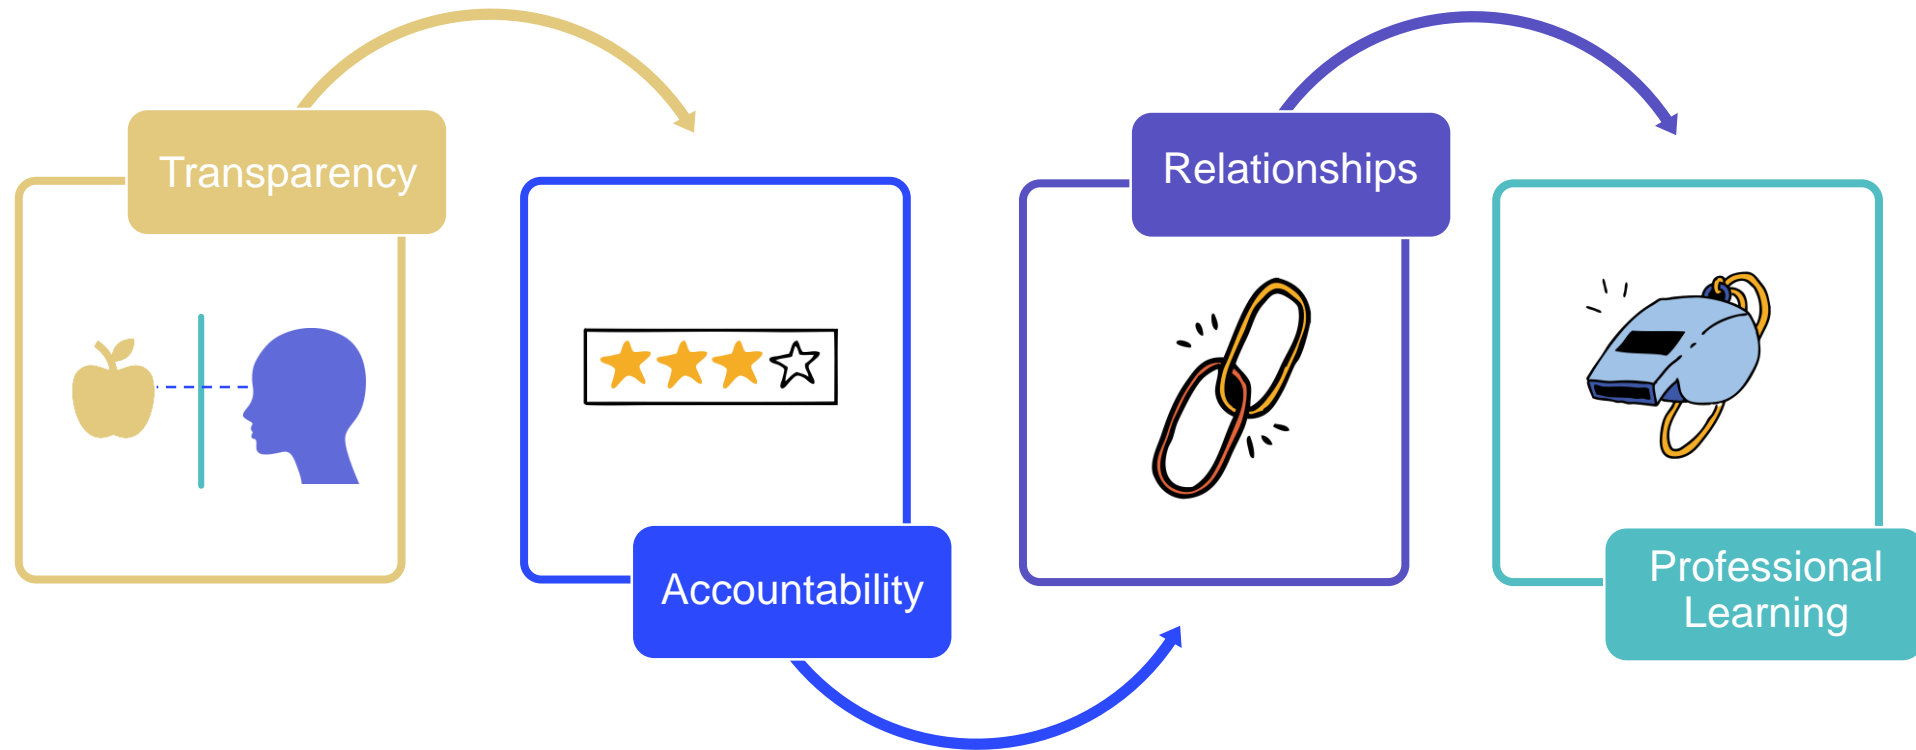

Recommendations for Student Discipline

1. Consider monitoring for consistent implementation of guidelines across schools
2. Consider more integrated use of site teams
3. Consider using metrics that confirm effectiveness of process and documentation of disciplinary practices
4. Develop a flow chart that demonstrates potential points of intersection and integration of site team approaches

Equity/Disparity

Student Discipline

Equity / Disparity Findings & Recommendations

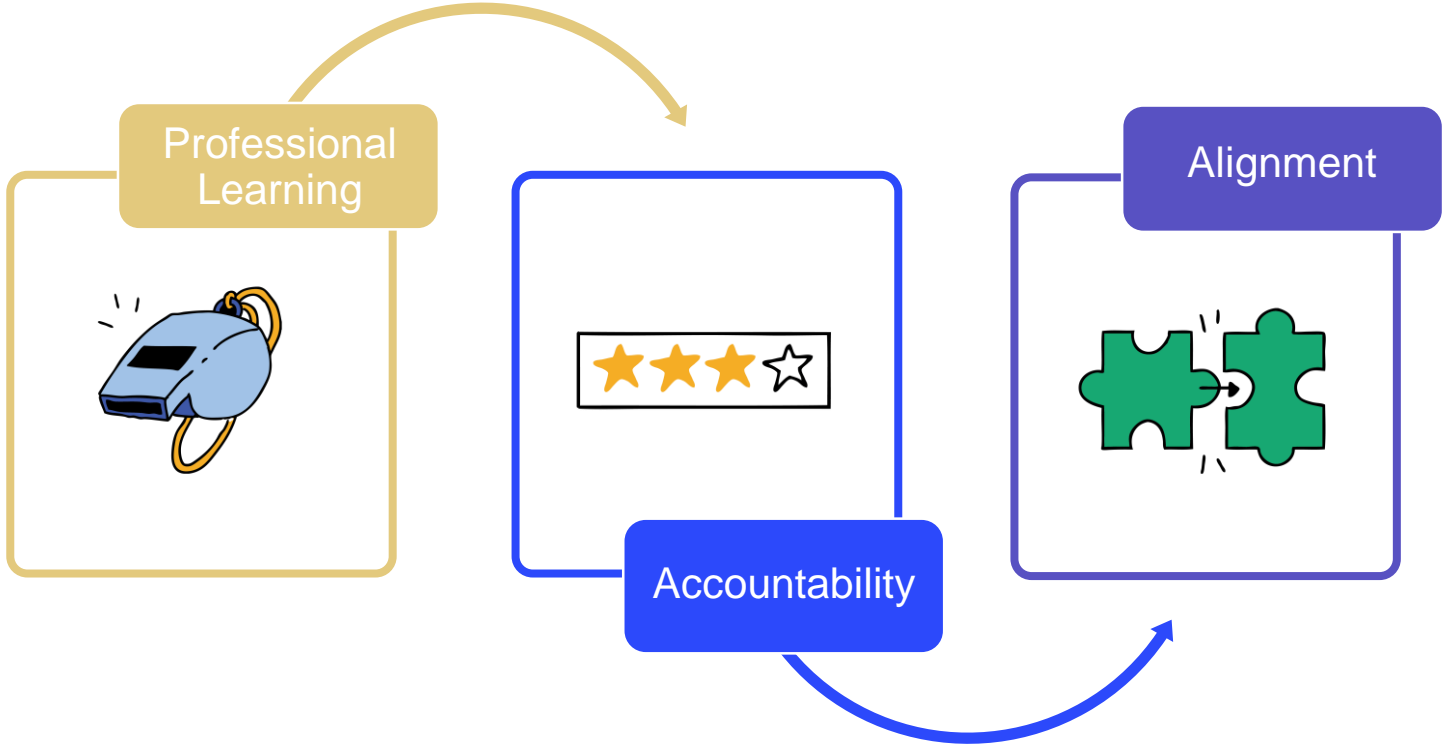

Recommendations for Equity/Disparity

1. Current discipline data should be disaggregated by gender in addition to race and ethnicity
2. Disaggregate data to examine whether there is an interaction between race and number of days suspended for the same offense
3. Consider utilizing disciplinary and interaction approaches that affirm African American sociocultural practices

Needs Assessment for Teachers & Leaders

Professional Development

Needs Assessment for Teachers & Leaders Findings & Recommendations

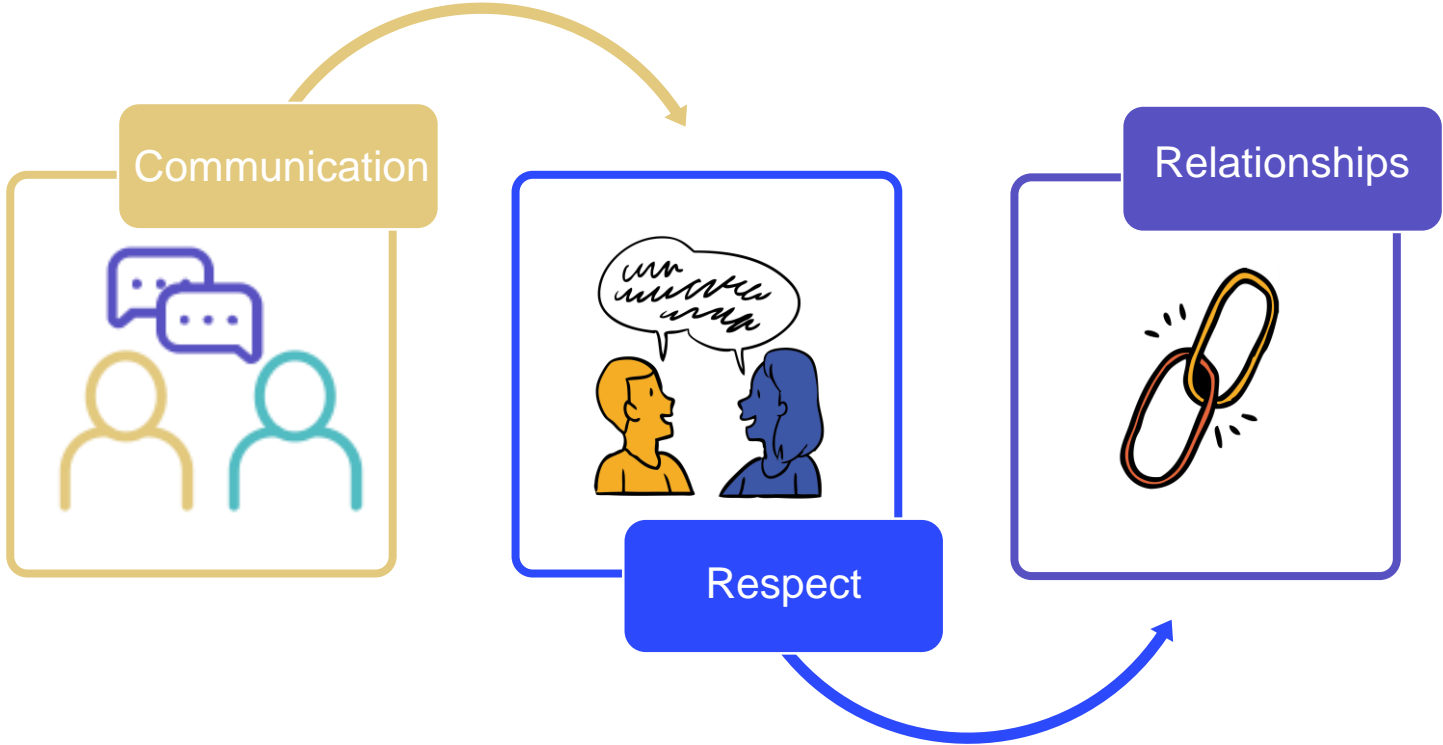

Recommendations for Needs Assessment for Teachers and Leaders

1. Consider job-embedded training for CRP focused on creating both a classroom culture and practices that support CRP
2. Include core area-specific training in CRP
3. Train School Leaders on how to observe and provide feedback for CRP
4. Engage teachers and staff in implicit/explicit bias training in a variety of delivery models
5. Each school should revisit PBIS training to ensure development is tied to pre-determined and locally developed goals for improving school culture
6. Continue to support the designation of an individual to oversee all professional learning in the district
7. The designated Professional Learning Director/Coordinator should be responsible for identifying resources and training opportunities that speak specifically to meeting the academic, social, and emotional needs of African American Students

Parent Involvement at School District Levels

Parent Engagement & Advocacy

Parent Involvement at School District Levels Findings & Recommendations

Recommendations for Parent Engagement and Advocacy

1. Expand and continue to provide professional development for school leadership to encourage and embrace parental engagement
2. Consider stipends or gift cards for parent liaisons who serve as parent trainers/advocates from local school to encourage positive parent engagement
3. Continue to establish school councils with parent members in key roles
4. Continue to ensure African American parents understand and have input into discipline policies
5. Provide implicit bias training for all TUSD employees
6. Provide focused training for counselors including exposure to colleges and universities outside of Arizona, specifically Minority Serving Institutions
7. Expose African American students to scholarships opportunities through the counseling office and AASSD

Parent Resource Centers

Parent Engagement & Advocacy

Parent Resource Centers Findings & Recommendations

Recommendations for Parent Resource Centers

1. Develop and maintain a simple database to capture demographics, number of parents enrolled in classes, and workshops and follow-up data that can be disaggregated

Student Interviews

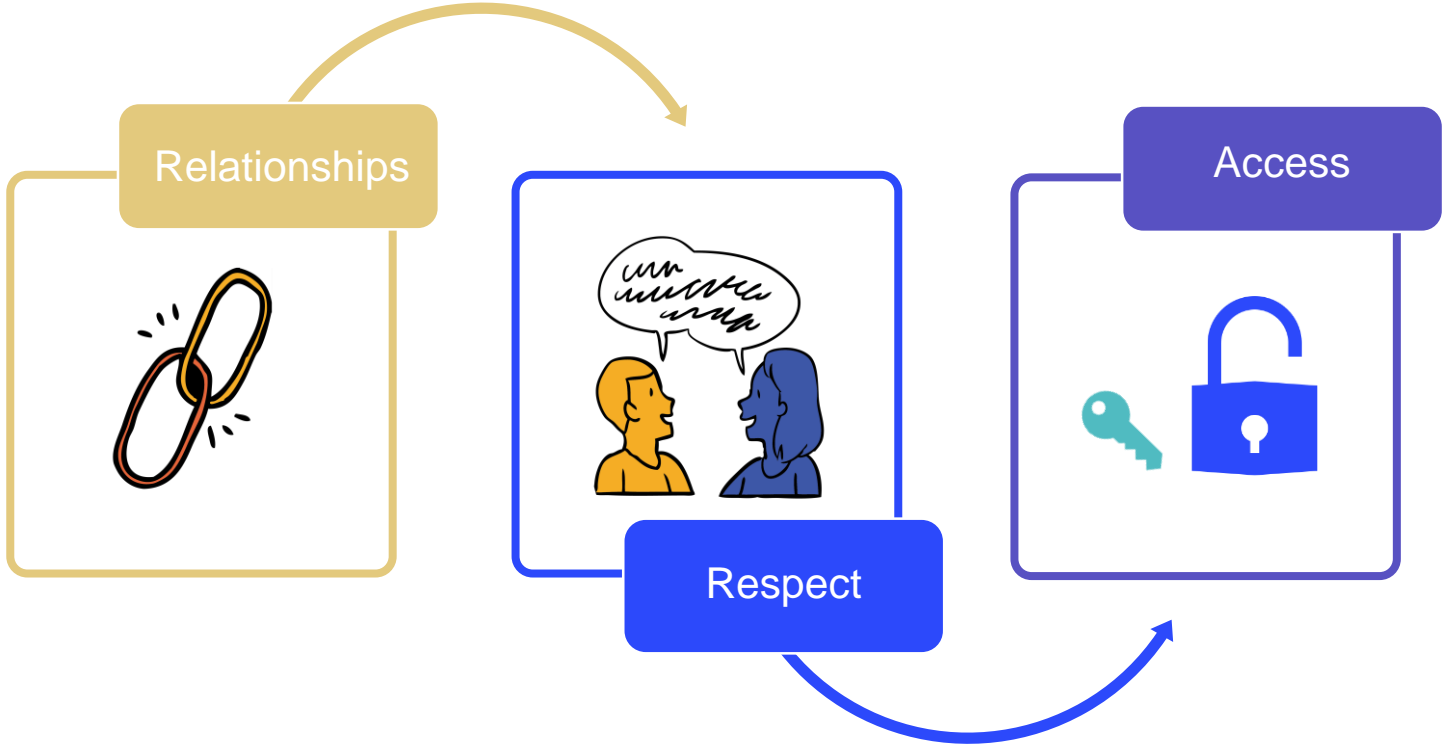

Interview with African-American Students at Palo Verde HS

AA males focus group: 19 current students and alumni representing Tucson High School, Palo Verde High School, Sahuaro High School, and Pueblo High School.

Student Interviews Findings & Recommendations

Student Interviews Findings & Recommendations

Recommendations from Student Interviews

1. Conduct surveys of a sample of African American students periodically in order to gain qualitative data on their school experiences
2. Continue to refine a set of metrics to monitor school specific goals, including failure rates, discipline incidents, attendance, etc.
3. Assign a local owner to each metric for tracking progress
4. Connect with African American students with a counselor or advisor during their freshman year whose sole responsibility is to assist them in navigating post-secondary options
5. Continue to refine the course selection process
6. Continue to develop formal mentor programs for schools without such programs
