

Superintendent's Student Advisory Council Report
October 20, 2015

SSAC had a very successful first meeting, held on September 21 at Sabino High School. Dr. Sanchez started the year off by informing the council on how to voice student opinions both in the council and at community events. Members then had an opportunity to share cool things about each high school campus. We learned that AP classes are becoming popular at Sahuaro, that Tucson High has over 3,000 students, about how diverse the Catalina campus is, and much more. I look forward to working with the group of students from all over TUSD this year. Our next meeting will be held Monday, October 19 from 11:00 a.m. to 1:00 p.m. The location is to be determined soon. All Board Members are welcome to come! We will be electing a Secretary and discussing this year's changes in TUSD disciplinary policies.

Thank you.
